Derek,

Let me know if your going to be around the weekend after the long one. I think Erin's friend Lisa I was telling you about is coming up for a visit. Maybe we can get together for a few drinks on the Sat. night or something. Let me know. We should try and get out golfing the week after next again. I am on holidays next week and I think you said you were also. Get back to me and let me know. Cheers.

I am not off on the 12th but that does not mean we can't still go out on the 11th. I am sure it would take me the same amount of time to get to work from your place as it would from home... Or I can just come up for dinner and then head back to Toronto. The 11th is fine.

Erin will give Kerry Evans your number and have him get in touch with you. He is on vacation next week so it won't be until the week of the 15th. As far as the 11th goes, we can do drinks or dinner and drinks, whatever you want. I'm sure it will be casual and laid back. I forgot to tell you Lisa broke her collarbone last week playing rugby and I guess her arm is in a sling. I will give you a call next week and we can set up the plans for the 11th. C YA.

In relation to Erin's offer I would like to take her up on that so give me a call on my cell 791-1472 and let me know if she is still willing to do so.

As far as next Thursday, I am still not putting much effort into this and I am not sure if you guys have thought of anything or not. Maybe we can see if we can meet Mike Modano. Anyway if the two of you have not come up with anything maybe we can put our noggans together and figure something out.

Rock On.

Have a good holiday

I go on date with Bill Blackstone, Erin Rogan and Lesia McDonald. We go to Marnhaltan's

ASK TWO IMPORTANT QUESTIONS THROUGHOUT THE NIGHT.

1) I asked Erin how this date materialized. Erin said that she was in the parking lot one day with Bill and that Bill spoke to ~~her~~^{me} and that she said to Bill who was that. Bill informed her that I was Derek Daulton and Erin thought it would be good to try and set me up with Lesia.

2) I asked Erin if she knew who Brian Patterson was. Erin said flat out "No." Erin's family has resided in Brian and seems to know a lot about Brian and people who live here but she did not know Brian.

We go to Jeff's patio and have another drink. I am not sure how we get on the topic but we start talking about work. Anyway I go on to tell Lesia everything as a lot about what has happened with Maria and work. I tell her about the issues with Maria and so on. I have nothing to hide and I would rather be upfront with somebody.

I meet Lisa for dinner at JACK KOSTER's in Woodbridge, ON

During dinner I asked Lisa how this materialized meeting me. Lisa said that Emin was looking out for her and thought she should meet me. I said that I did not even know Emin and she was selling this up. During dinner I tell Lisa that I am going to North Bay, ON in the morning to see my lawyer.

Lisa and I go to Steve & Buster's for awhile after dinner and then I drop her off work at her car by Jack Coster's and we both say thank you. No conversation about a next contact or date.

Bill Blackstock called me at about 4:00PM and asked me how I thought things went the other night, meaning Thursday 11-AUG-05. I said I think they went alright. I said but we went on another date Sunday 14-AUG-05 and Bill said I did not know that. I thought you might not know that. (I FOUND THIS A LITTLE BIT HARD TO BELIEVE BUT MAY BE TRUE). I had spoke to Lisa on the 12-AUG-05 about our date on the 14-AUG-05. I think most Lisa would not have had contact with Erin at all, which may be possible.

Bill and I had play phone tag on Friday and Saturday - the 12-AUG-05 and 13-AUG-05 respectively.

No worries about the Nazareth tickets. I'll probably end up burning them anyways. Yeah, I heard about Lisa. Nothing by way of feedback, Erin just said you guys had went out again. Oh well, I'm sorry it didn't work out. I will give Kerry Evans your cell number and you can have a chat with him if that is ok. I will let you know about golfing on Tues. Have a good weekend.

I see that I surpassed you by one spot and lead you by one point as of last night. It is a long season but we need to make some headway soon if we have any hope in this pool. Hey what ever did happen with Justice Evans.

Bill Blackstock jr. calls me home to see if I still want to golf Wednesday 02-AUG-06. I said sure. Bill states that he will call and look at tee time for about 10:00 AM. Bill asks if I care where we play. I said "No." I do not care where we play. Bill said he would let me know.

BLACK STEAK.

31-511-06

I called Bill Blacksteak to inform him that I would be unable to golf on Wednesday 02-06-06. Bill said that he probably would not be able to either as he had some other things going on.
