My doorbell rings and it is Keni Morris - Goldthorp
I am very shocked to see her and can't believe she is
at my door. Keni says are you going to allow me
to come in. I said sure come on in. Keni calls and my
husband too. I said sure. Kirk Goldthorp was parking
the van. Keni then says when do you not want us here.
I re-iterated to come on in. I asked her if she wanted a drink
and went to get her one. When we got back to door as Kirk entered,
Keni and I embraced in a brief hug. I shook Kirk's hand,
I grabbed Kirk, Keni and myself a beer. Keni went to the
bathroom and Kirk and I went downstairs. Kirk and I
sat down and Keni joined us shortly thereafter. We
discussed certain things. Kirk was wondering why
I never returned his calls. Kirk said he called me
30-40 times - (exaggerated). I informed Kirk that Maria
Prohaska had sold him and Keni out and since that I was
not sure what to think. I said to Kirk and Keni if
you have gone through what I have gone through
that you never know who to trust. I said that
recently people who work there have sold me out as well.
Keni Morris stated to me that people at work have been
pumpkin her for information. Keni stated that TANYA TRAVES,
my supervisor LINDA SAMANMIEZ, MAUREEN CARROLL have been
pumpkin her for information. Keni said that LINDSAY LOBBINGIER
was also really concerned about me and that Lindsay has
wanted to stop by. Keni said that LINDA SAMANMIEZ
has also wanted to stop by but was not sure if she
should or if I would want her to do so. I informed
Keni to tell LINDSAY that I am alright and if she wants to stop
by to feel free to do so. Keni asked me how come I
never told her about MARIA MAURS, (I NEVER ASKED
KORI HOW SHE KNOW.) Keni asked me how things were
going with MARIA MAURT and I informed her that

thing between Maria Malosso and I were over. I did not elaborate other than to tell her that I was the one who ended it. Keni Morris asked if I had received a card from Michelle Bartholomew in relation to the washing machine and vibrations. (I HAD MOVED A WASHING MACHINE INTO MICHELLE'S IN THE FIRST WEEKEND IN FEBRUARY. I HAD SOLD IT TO HER FOR £100.).

I informed her so that I had not received a card. Keni stated that I heard you may be going out west to B.C. I said no that I might be going to CALGARY to work. I said who did you hear that from LOURIE DEPIN. Keni said yeah.

Kirk asked me if I had obtained counsel for court. I said yeah that I had and that I was going to fight CAS. I said that I did not know whether CAS would settle out of court or not. Kirk said that he felt that CAS would not want to bring this to court and settle out of court. I said that it basically works that you receive one month's pay for each year of service and may only get about 30-40 thousand. (***) I needed to see if I could get a settlement for them, I never really did see anything substantial.) Keni did ask what about the MISCHIEF clause and what did I do. (***) I am not sure how Keni knew about the clause. I played a long and said that last summer that I had pushed a hole in Maria Malosso's wall. Keni asked if we were dating or not. I said to Keni and Kirk that Maria has no idea when a woman ~~is~~ we not dating. I said to them both that this is exactly what Maria Malosso wants. Maria Malosso loves the drama and wants all of the attention on her. I said that she has made everybody dance. I said Maria Malosso ~~wants~~ wants to believe that she is part of people magazines. Kirk said that he remembered that when we used to go for her at the locker room that I would tell him things that Maria Malosso had done that did not add up. Kirk said he would not mention specifics

because that was between him and I. I said that MARIA MARVISO is a pathological liar and that she can manipulate people to believe her. I said that she is a professional at it. Maria Malusso vents all of the attention. Keni informed me that Maria Malusso is going to a TIM HORTON'S dump with GARY BERQUE and MARY BRILLMANTRE in the state. Keni Morris informed me that SHALON RUSSELL, SAMANTHA ORR, JOSSE BARRETT had been interviewed at CAC. I said Joe would probably want to get me back as I banged her one night and did not start a relationship. I said that you know Joe's personality is wanting to get back at people as she is a true nutcracker. I said that this would be an opportunity for her to do so. Kirk said to me that I was still on the baseball roster and that I would still be more than welcome to play. Kirk said that he has told the group that both my mom and my dad have been sick and that is why I have had a hard time. Kirk asked again about me not returning his calls. Kirk said ever since Maria Malusso called and sold them out that I was different toward him and Keni. I agreed. I did not say anything and Keik said you still believe that I sold you out. During the course of the visit Kirk stated at least 3 times that he did not sell me out. Kirk said who would I sell you out to. I said to Kirk that everything is so intertwined with MARLISEN + KERRY + BILLY + YOU. Kirk and Keni both stated that they do not hang around them and have not heard out with them since that VALENTINE'S DAY. Keni said that I need to get out. Keni asked if I would come to their house if she invited me for a BAK-O-QUE. I said yes. During the course of the conversation I did inform Kirk & Keni that TANIA TRAVES had opened her mouth last year and that she had

Told people at work about my charges and it had got back to me. I said it is no story for BRAD TRAVIS to break confidentiality with TRINA in his own bedroom but that she should not be going and spreading that around at work. I also said during the discussion that I have a lot of fight in me but that I feel I am losing it a bit. (TRINA wanted to see what type of reaction I would. Kirk did say, oh you do feel that way. I said little. Keni made a comment about a communist devil who do I hang out with and I said not anybody at CBS because I need to distance myself from those people. Keni said you must have been somewhat depressed. I said no but then realized I may be down because I have lost almost everything but stated I am not depressed. I said to both Keni and Keni that because I could not go to the gym that was probably the biggest thing. I also said that last year I was playing all kind of baseball, golfing regularly and still going to the gym. I said I have virtually done nothing, golfed a couple of times.

I returned Kirk's call about the \$100 per leadall. Kirk stated that he was probably going up north to the camp for a few days as he and Kani were both on vacation. I said to him well whenever you get a chance give me a call. Kirk said he would be around next weekend as Kani was in a ball tournament. Kirk said he was around tomorrow. I said I am taking my mother to a baseball game (BUTSAYS). I said just call me when you get back. Kirk said that they were having a dog for LUKE BREERY at the LOCKER ROOM tonight at about 9 PM if I wanted to go. I said I would be interested but my mom's here. (~~XXXX~~ - I WOULD NOT HAVE WENT AND IF THIS IS GOLDMORP'S WAY OF BEING GUILTY AND TRYING TO GET ME WORRY - UNBELIEVABLE). Kirk's camp I am just trying to keep you involved. If you are a good friend Kirk said. I discussed the fact that I needed to get working. I said that I was difficult to get on the pipelines this late in the year. Kirk said you can't even get some construction work to finish the summer. I said to Kirk that I really appreciate him getting me the money and said thanks.
