

17-Jul-04- I leave Maria in the morning to go to North Bay, ON for a wedding. I get to North Bay shortly after 12:00pm.

I was trying to get a hold of Maria from about 1:00pm-5:00pm. I call 4 times I think. Maria always has her telephone with her. The last message I leave her stated something to the effect that where are you, you always answer your telephone, there must be a reason you are not answering your telephone. I receive a telephone call from Maria who is frantic. She starts yelling at me. How dare you accuse me of having a reason for not answering my telephone. Maria stated that she had forgot her telephone at home and that is why she did not call back. I asked Maria where she had been for day. Maria said what does that matter. I said where were you. I am not going to answer your questions. Maria where were you. In a very quiet voice, I was shopping. You went shopping by yourself. Yes I drove to Toronto and went shopping by yourself. Yes. I thought Lisa was supposed to do something with you. Lisa decided not to! I'll talk to you tomorrow.

I call Maria maybe about a half an hour later to see if she has called Maureen Carrel's kids as we were looking after them. Maria stated no but I am too busy can you call them. I said sure. Maria goes and gets her hair done. Maria states that she will call me when she gets her hair done as she was not sure what she was doing. About an hour after Maria was supposed to call me back I called her as I wanted to plan the rest of my day but I was waiting for her.

from page 2) Maria stated that she was already at Hwy. #7 & 400 and that traffic was extremely busy. I asked her if she forgot to call me. I was supposed to call you. Yes Maria you were going to call me to possibly meet. (This was extremely out of Maria's character). I said to Maria I went to Vespra Golf & Country Club and was asked to play a free round of golf with one of the members. Maria stated that you should have went but there was no remorse that she did not call me. I said I was waiting for your call. Maria states that she will call me later.

I noticed her brand new white sandals were extremely dirty. I asked her what happened to her sandals. Maria did not initially respond. Maria then said I fell in the mud.

29-Jul-04- I notice an e-mail from a Gord Jopling on Maria's computer. The e-mail states that I have not heard from you where did you go! After I left Maria called her parents. Maria called me back and stated that for the first time I had scared her and that she had talked to her parents about this and about going on her cell phone. 18-Nov-04-
5:40pm

It is Maureen's birthday and Maria just has to go out for a drink with Maureen. Once again I am not invited. Maureen had told me earlier in the day that they were going to the Town & Country for her birthday. Brian Tattersall was not in town. I tried Maria's cell twice and Maureen's cell twice from about 5:40pm until 6:45pm. There was no answer on both of their cells for these calls. At about 6:55pm I did get a hold of Maureen. I spoke to her and asked her if they were at the Town & Country. Maureen said yeah we are, how did you know we were here. I said you told me that is where you were going. I told Maureen that I wanted to come and buy her a drink for her birthday. I met up with Maureen, Maria and Randy at Town & Country. Ray Bubel, Maureen's friend Debbie and others of the clan were there. While there Maureen tells me that her friend Debbie who has implants approached her and asked her (Maureen) to have a threesome with Debbie and her husband. Maria states that she can't stop staring at Debbie's breasts. Maureen says to me which she has said to me about three previous times. Randy really likes Maria. I do not comment. I offer to buy Maureen a drink she said not to worry about it. I offer to buy Maria's drink but Randy has already paid for it.

It appeared that they had only been at the Town & Country for one, maybe two drinks before I got there. The time frame of where they had been prior is of question.

21-Nov-04- 6:46pm Maria sends e-mail to Ted Soucie from my computer.

Hi Ted

I have sent you all my after hours stuff from Derek's computer because mine would not connect to server when I came back to the office to do my work. Just wanted to let you know. Thanks Maria.

Footnote: I wrote the following on the printed off e-mail.

This displays how Maria & I shared practically everything.

A couple of Maria's passwords that I had been given by her.

Marina
Teacher

Maria had access to my computer while after a period of time she did not allow me access to hers.

09-Dec-04- Maria had a gathering with her teacher's college colleagues at the Keg at about 5pm or so. Maria was going with her friend Dawn Doucette who had stayed over on the 08-Dec-04. They had worked on school work together. I attended for a little while on the 08-Dec-04.

On the evening of the 09-Dec-04 I worked my first shift for York CAS after hours. Maria told me that Dawn was going to be leaving at about 6:45pm as she said Dawn had to work at the group home for 3 hours. Maria stated that Dawn was going to return after her shift. I contacted Maria at about 6:50pm to inform her that I had to go out on an investigation. Maria said "Oh, that is too bad!" I was supposed to pick her up as she was not keen to hang around the other students in her class while Dawn was gone. Maria stated that it was okay that she would get a ride with her friends.

09-Dec-04- I contacted Maria's cell and there was no answer.
7:20pm

09-Dec-04- I contacted Maria's cell and there was no answer.
8:15pm

09-Dec-04-
8:35pm Maria calls me back and stated that she was at Manhattan's. Maria stated that she could not hear her cell phone, however, her friends Doug & Lindsay had been using it. Maria spoke to me for about 1-2 minutes but then saw Maureen and had to go.

09-Dec-04-
9:25pm This worker attends Manhattan's to get Maria's house key to bring to her mother at her apartment. Maria is sitting with Maureen & Brian & Randy. Maria does not want to introduce me to her friends and reluctantly does so at the advice of Maureen to do so.

Maria is wearing \$140.00 blouse that I have never seen before. Maria states that she got it from Red Tulip.

Randy states to me during conversation in a cocky manner that when the dogs away, the cats will play.

Maureen states to me that I am stupid for helping Maria. (In relation to the key).

Brian stated that I was such a good friend but it was said in a sarcastic tone.

Maria not wanting to sit with teacher's college colleagues.

09-Dec-04-
1:50am Maria stated that maybe Dawn, myself and her could have a threesome and then back tracks and says no threesome. I do not respond to any of these statements. Maria has no panties and states what do you think about sleeping with a women with no panties.

Maria sleeps with her sweater but has no panties.

I ask Maria wear her panties are she does not know. No panties in my room.

Maria does not want sex. I do not even initiate anything with her. Maria passes out.

11-Dec-04- Lying in bed in the morning. Maria and I have a discussion about getting old. I said to Maria at least I am not as old as those 50 year olds that hang around Maureen. But Derek they are millionaires and you make no where near the money they do. Maria states in the conversation that "It supports my shopping habits." I said pardon it supports my shopping habits. Maria jumps to another sentence. I get up and leave and go home to get cleaned up. Maria calls and states that do you really think that they support my shopping habits, you must be losing your mind. Maria states that it could support my shopping habits. We argue and debate what she said. Maria I know what I heard and it supports my shopping habits is what you said. Maria denies this.

- 16-Dec-04-7:50am Maria awoke in a start at 7:50am and stated to me, oh my god it is almost 8 o'clock we need to get up and get ready for work or we'll be late. (Maria never did this before and was never really worried about being late for work). Maria basically ran into the shower and was not even going to say good-bye. Maria came out of the bathroom and gave me a quick good-bye kiss and went back into the bathroom to take a shower. I left as a normally did to go and shower and get ready at my own house.
- 16-Dec-04-8:30am I call Maria at her home to ask her to bring me some Tylenol as I am feeling ill.
- 16-Dec-04-9:05am I call Maria at her home and I am joking with her as she is still at home. I said to her I thought you were worried about being late for work. Maria states that you know how I am I just take my time. Maria cold to me on phone.
- 16-Dec-04-9:25am I call Maria to ask her to bring me a coffee. Maria stated that she would probably stop. Maria said to me, just tell Maureen that I was out on an investigation and that is where I have been. I said to her you can tell her that. Maria stated that the reason it has taken her so long is that she was talking on the telephone to her mother and she was vacuuming. Maria usually talks to her mother on her cell phone in the mornings as she can accomplish two tasks by getting to work and talking to mom all at once. Maria almost angry with me on the phone.

16-Dec-04- Maria does not arrive at work until nearly 10:00 o'clock. Maria calls our former AA Janice Lamarche to inform her that we are dating.

16-Dec-04- I sent Maria an e-mail to see if we were going to tell Maureen about
11:09am dating. Maria did not respond to my e-mail so I went over to her desk and asked her. Maria stated that she did not want to at this time. Maria and I previously had had a discussion about telling Maureen. I asked her how come she did not want to. Maria stated that I just do not want to now.

Maria starts a discussion out of the blue about abortion. Maria states to me “What do you think about abortion.” I first ask why is she asking. Maria states that it was just on T. V. didn’t you hear it. I said no I heard nothing about abortion on T. V. I told Maria that I did not totally disagree with abortion if it was a 100% necessary. I said to Maria, did you have an abortion. Maria admitted to an incident when she was younger in which she and boyfriend Matt Luoma had travelled on a bus together to Toronto to have an abortion. Maria stated that her parents found out because there was a (Menegitis scare??) and they were requesting all the members of her team to get shots. Maria stated that when her parents could not find her then she had to come clean and admit the truth to them. I informed Maria the my ex-girlfriend Lee had had an abortion when she was younger. Maria stated it was a tough time in her life. Maria stated that she had never told anybody before. Maria stated that she wanted me to know. I once again questioned her to why now. Maria stated that just because it was on T. V. and she thought would discuss it with me as she wanted me to know. I consoled Maria and talked to her about her difficulties that she must have gone through.

Maria and I also have a discussion about the gym and Maria states that I need to go to the gym as it will be better for all of us. I ask who is all of us. Maria states, you, yourself and you, me, myself and I.

21-Dec-04- We are lying in bed together and I asked Maria if she was pregnant.
About That is it she said, how dare you ask me if I am pregnant. I am not
11:15pm pregnant, you should no better I would obviously tell you if I was
pregnant. I also asked Maria if she had had another abortion. Maria did
not really respond other than saying that she did not have another abortion.
Maria began to cry hysterically on the edge of her bed. I had never seen a
person cry like this before. Maria cried for about 30 minutes in hysterics.
Maria denied being pregnant and/or having an abortion. Maria stated that
she could not believe that I would question her. I could not believe that
she got so upset.

23-Dec-04-
6:30pm

Maria is making a dinner for us at my house as this is going to be our Christmas together. We agreed to eat dinner at my place. I told Maria that I had to go out as I needed to get one more gift. While I was at the mall, Maria kept calling me to hurry up. She must have called me three times to tell me to hurry up. I got home and Maria drove me to COSTCO to pick-up my car as I was getting tires put on. Maria left me alone at COSTCO to complete my transaction. Maria left and was going to go to her house to get a bottle of wine (Baco Noir). I called Maria on her cell phone to see if she wanted any dessert. There was no answer on her cell. It ended up that she left her cell phone at my house (conveniently). I decided that I would pack up all the gifts that were going to Maria's house and take them over so that they would be there. Upon arriving at Maria's she is not there. I return to my house with gifts. In the meantime about 40-45 minutes has elapsed. I arrive back at my house. Maria states to me that she did not go home after I told her that I planned to drop off the gifts. Maria stated that she went to the liquor store and grabbed a bottle of Baco Noir and even went and bought place mats. I did not notice any bags from the LCBO or Walmart. Maria had stated that this was where she had gone. Maria appears to be somewhat agitated and stuttering somewhat when she talked.

- 24-Dec-04-
8:30am I get Maria's car all packed up with her gifts, luggage and extras. Maria is travelling home to Sudbury, ON to be with family and friends. Maria is supposed to meet with Cara Duvall at 12:00pm in Sudbury for lunch.
- 24-Dec-04-
9:00am Maria calls me to inform me that Cara has cancelled or at least pushed lunch off until 2:00p-3:00p in the afternoon. Maria tells me that she is just going to hang around Barrie for a little while and probably do some more shopping. Maria had apparently to my knowledge completed all of her shopping and was ready to go. Maria is very organized like this and I was surprised to hear she was going shopping again. Maria was supposed to be already to go and I know that she had bought for everyone on her list.
- 24-Dec-04 Maria did not end up leaving for Sudbury, ON until sometime after 12:00pm.
- 24-Dec-04 I go to leave to go home for Christmas and I say good-bye to Maureen Carrel and Maureen gives me a kiss directly on my lips and I notice her tongue coming out of her mouth as well. I told Maria in a private conversation. Maria states that she will have to call her mother and tell her. Maria said that her mom will think that is funny because she thinks Maureen is so young. Maria states that whenever I get closer to you Derek, Maureen also gets closer to you. I told my mom about Maureen's kiss.

26-Dec-04- Maria informs me that she is not having her period but she is spotting in her underwear. Maria stated that she can not understand why this is happening but it is not normal as she recently had her period. Maria stated that she talked to her mother about this and they agreed that it may just be stress.

About
10:05am

Maureen and I go to the liquor store together to pick up liquor for this evening. On the way there Maureen talks about women who are lesbians and approaching her to have sex. Maureen stated that she is unsure why this always happens to her but that is just happens. I ask Maureen if she has done this before and she never really responded. We go to the liquor store and meet Keith MacKinnon while there. While at the liquor store Maureen keeps talking about an \$80 of Champagne that she has but I pay no attention because I could care less.

I also believe that Maureen got me to go the liquor store with her as a diversion from me thinking about Maria.

About
11:15am

Maria is at the office. Maria is not working. Maria is on edge with me. I asked Maria if she would go and get the groceries for the party at my house as she had already agreed to do so on the 30-Dec-04. Maria said I busy why don't you go and get the groceries yourself in a really snarky voice. I said to Maria, I am working and you are off and you wanted to get the groceries as you said that is something you wanted to do. Maria did agree to go and get groceries. Maria and I discussed this and she said that she was just stressed with school. This conversation occurred outside when Maria left.

31-Dec-04-
12:00pm Maria is at the office for lunch. Maureen has her jacket on with a scarf. There is discussion about Maureen not having her scarf on right. Maria gives Maureen a hand putting her scarf on. Maureen says to Maria you just wanted to touch my tit. Maria says you do not have any tits. Maureen knew that I was having people over at my house but she invites Maria and I to Randy's house. We said that we already had plans.

12:30am Maureen calls us at my house. Maureen asks me to come and take a picture of all of the people on Randy's bed. People in the background yelling we miss you. I don't even know who it is. Maureen said that she had not been drinking. (I suspect she was either high on cocaine or stoned on some illicit drug) Maureen was talking about tantric sex. Maureen asked me if knew what it was and I informed her that I did. Maureen did not believe me that I knew what tantric sex was. Maureen then spoke to Maria. Maureen was trying to convince Maria to come over.

Maria and I go to Furusato's for dinner. During dinner the issue of Gord Jopling is brought up. Maria again is still trying to justify what she did in the summer. Maria stated that I did not lie to you I just did tell the truth about Gord. I looked right at her and said I can't believe that you are still trying to justify this. I said to Maria you sound like one of my clients. I was inferiorated and could not believe what I was hearing. I told Maria that she was a disgrace. On the way back to my place I told Maria that she was a pathological, compulsive liar who needed to go see a psychiatrist. I told her that she was no good for anything and that I did not want anything more to do with her. Maria wanted her golf clubs because they were in my house. I got them for her. I told Maria to fuck off.

23-Jan-05- **Letter from Maria to me.**

Dear Derek;

If sticking by you even after everything that you have put me through in the last three months is not a sign of someone who is dedicated or in love then I do not know what is. You have called me a liar and a cheat so many times I am starting to wonder if you are really worth holding on to. I have to admit you are really testing my strength, my morals, my dignity and my heart.

What is so difficult to understand? You know I love you, you know I want to spend the rest of my life with you, and you must know I mean it. Why else you I tell you. I have never felt this way before and I always dreamed that when the day came it would be so special! I never expected this, never!

I also must admit that I have never experienced someone treating me like this as well. I do not agree with it by any means, and I am not sure why I continue to do this to myself. I guess when it really comes down to it, I am a very dedicated person, despite what you might think.

I really, really hope that you do what we talked about on Saturday (EAP). As crazy as it might sound, I am willing to stand by you through this. If you chose not to do this, then it is really over. I will not continue to put up with these phone calls, allegations, disrespectful comments, and inappropriate actions any longer.

I have to admit my patience is growing thin, please look deep within yourself and make the right decision to make some changes, you may regret it for the rest of you life if you don't..

23-Jan-05- Maria had contacted my mother Barbara Dunlop in North Bay, ON to claim that she has been telling the truth and not lying.

25-Jan-05
12:12pm

I sent Maria an e-mail.

This is an e-mail as another assistance for making change for us.

In order for our relationship to be real and normal it is my expectation that we let people know that we are together and that we are not dancing around and being secretive when people ask. If we are together than we are together. We are not going to run out and inform people but this will just happen as time goes on.

I am also asking that you answer your telephones because if there is nothing to hide than you will do this without hesitation. This will also help me. If we are living together would be answering the same home telephone and each others cell phones at times. You are always welcome to answer my phones and it is my expectation that you will reciprocate this from your end of things. There should be no problems with either of us answering each other telephones.

Your understanding is greatly appreciated. Everything will be alright and we are moving forward in an extremely positive direction. I feel great and do not believe that anything will interfere in our relationship from my standpoint anymore. These are a couple or requests at this initial transition phase that I believe that you should have no issues with.

Thanks
Derek

25-Jan-05

A note on the e-mail.

When I spoke to Maria about this e-mail as she did not respond via e-mail Maria states that I did not like your e-mail. I do not like the direction of your e-mail.

17-Apr-05- Read the following letter to Maria on 17-Apr-05. (Page 1)

I totally understood you as a friend and everything we shared was real. Since last February things have drastically changed. At this time I will never understand all of your fluctuations in moods, your fluctuations in a relationship toward me or others. I am extremely proud of you for wanting to help yourself and I hope you are successful. I truly will never understand all of your crying. I hope that you will always be honest with yourself and that way you will be honest with everyone else in your life. Sometimes we all do things in our past that we are not proud of. I know that of my own self, but I never let it fester and always tell the truth! I will always have my doubts about so many things.

17-Apr-05- Read the following letter to Maria on 17-Apr-05. (Page 2)

As difficult as it is for me to understand it is time for each of us to move forward. I need to do that for myself and you for yourself. Unfortunately, I know that you are capable of lying on more than one occasion. I hope for this reason that you do not continue to lie to yourself or others in the future. To be blunt I do not even believe everything you have told me in the last week. I hope that you can overcome lying because it will have an impact on everyone around you! Good luck with all of your future endeavours in life, relationships & your career. The only hope that I hold onto is that you will be honest and understand what has happened. As I said before, someday I hope that you will be honest with yourself so you can be

honest to your friends, family & me. This is me saying good-bye as I can not continue on like this and this is best for both of us. I truly hope that something more positive will happen someday for us but who knows what that is or how that happens. I will miss you and everything you have done for me! I hope that you realize someday what true love is! I hope that you find happiness one day. This is the most difficult letter that I have ever had to write. Please understand and this is best.

Take excellent care of yourself.

Love

Derek- You will always be my best friend and occupy the biggest place in my heart.

Good-bye Maria.

Maria stated she had not gone out with him. I asked Maria what the number on the back was. Maria stated that she did not know as she writes all kinds of numbers on the back of business cards. Maria states that she believed it was somebody else's. - 24-Apr-05-5:00pm I call Maria back as my mother Barbara Dunlop are coming back from a Blue Jay vs. Orioles game. Maria asks me all kinds of questions about fractions and decimals. I help her out as best as I can.
- 24-Apr-05- I call Maria back to joke with her about my mother and I going to Swiss Chalet and having $\frac{1}{4}$ chicken dinners (fractions). Maria is rude & abrupt with me on the phone. I got to go I am on the phone with my mom.
- 24-Apr-05-5:25pm Maria calls me back to ask me for a favour to bring her some mozzarella cheese as she forgot some and she is making a meal. Maria very rarely makes meals unless it is for somebody. I agree to do so because I want to show Maria what she is going to lose.
- 24-Apr-05-6:00pm I show up at Maria's place with the mozzarella. I ask Maria who the meal is for and she said I am just making myself enough food for the next couple of days. I said you never do that. She was making eggplant with noodles and Italian sausages. During the conversation Maria slips up again with one of her famous lines. It is should hard to manage being a housewife on top of what I have to do. Maria stated that she made me some of her macaroni. I said I don't want your food. She insisted that I take it as it was rude not to accept food that was made for you. I took the meal anyway even though I believed this was made for

me out of guilt. Maria states that she needs to go to the office as she needs to get some envelopes. I offer to go to the Simcoe CAS office to get envelopes for her. Maria states, oh I don't want you to do that. I like I'll just do it for you. Maria states oh I shouldn't ask you to do that. I said I am offering. Once again, I was wanting to show Maria what she was going to lose. I went to CAS office to get Maria some envelopes. While at the office I write Maria a letter that states that I do not trust her . It also states that as if she will ever admit to her lies and anything she has done. I stated in the letter that it would be to embarrassing for her to admit everything as she would risk losing everything. I stated in the letter that even though it was hard to lose me. It was easier to lose me than admit to her lies and lose everything.. This would ruin her reputation. I left Maria this letter. I leave her place telling her to have a nice life. Maria states that you'll have to take this to your grave and you are not sure if you are right or not Derek. I said Maria I know I am right and left.

28-Apr-05-
5:15pm I meet Kirk Goldthorp at the Lockerroom. Karen McCracken worker at CAS sits on the other side of me. Kirk and I talk about Maria. I told Kirk that I believe that Maria has performed sexual acts for money with Maureen's friends. I told Kirk that Maria had new leather jackets, all kinds of new boots, shoes, clothes. I told Kirk, Maria must have had 40 new lingerie sets. I told Kirk she had matching sets of all different colours and all different styles. I told Kirk about Maria buying \$140.00 blouses from Red Tulip. I told Kirk, Maria has always had money while going to school, paying rent, and paying a high payment on her RSX, plus insurance. Maria always had money to spend on extras such as going out for dinner, drinks and so on. It just did not add up. Maria stated that she was not receiving any help financially. Maria obviously has denied any assistance from Maureen's male friends. I also told Kirk that I believed that Maureen and Maria are lesbians but that I could not prove anything. I also told Kirk that I found a business card in Maria's car of some guy who Maria denies having involvement with. Maria stated that it was from a guy who she met with Lisa Dye a long time ago. I said to Kirk that I believed that Maria bought in the same neighbourhood as he did.

28-Apr-05- 5:15pm Kirk informed me that on the 12th of February (weekend of Valentine's) he took Kerri out for dinner. I believe Kirk said it was a Thai food place on Dunlop Street. After dinner Kerri told Kirk that she wanted to go to Michael and Marions to meet with Maureen. Kirk stated that they went and met Maureen. Kirk stated that they were invited back to Maureen friend Randy's house. Kirk stated that while there people were drunk. Kirk stated that things got pretty funny. Kirk stated people were walking around nude. Kirk stated that one of the women started massaging Kerri and that he was behind the women's back sticking his tongue out at Kerri in a sexual manner. Kirk stated that Maureen walked up to him with no top on. Kirk stated that he told Maureen that she had a nice set of tits. Maureen stated why thank you. Kirk stated that everything was pretty weird. Kirk informed me that Brian Tattersall sold his business for about \$14 million. Kirk also informed me that a woman that almost separated him and Kerri in the past is now working in his office at the M. T. O. Kirk said that Kerri does not know and he wants it kept that way.

30-Apr-05- I attended a surprise birthday party for John Lamarche at the Legion on St. Vincent St. in Barrie, ON. I sat with Sharon Russell, Kevin Russell, Dave Yawney & his guest. Sharon appeared to be acting strange toward me. I told Sharon that I was exhausted from moving my new roommate into my house. Sharon states that you should have a gingerale or something. Sharon stated that this would be refreshing. Sharon did not offer to get me a beer or drink at that. Sharon did not offer to get me a drink of alcohol all night.

02-May-05- I came into work at about 8:00am. Maureen Carrel arrives at work at about 8:05am and asks me what I am doing here so early. I tell her that I am catching up on work.

02-May-05- At about this time I realize that I have ink that is hard to get off of my 9:00am right middle finger and a little bit on my right index finger.

02-May-05- I said something about the ink on my finger and Sharon Russell who sits 9:15am in the cubicle beside me said maybe you got it off your mouse in the middle of your computer or off your desk.

02-May-05- I mention the ink on my finger again and Sharon responds with maybe you 9:20am got it off your car. Sharon stated what did you touch? Sharon stated I am just trying to help you out.

02-May-05- I said to Sharon. I guess Maria is done school soon. Sharon said pretty 9:40am soon. I asked Sharon if Maria was supposed to come to John Lamarche's birthday party. Sharon said that she was but her father and sisters were in town and could not make it.

- 02-May-05-
9:40am I asked Sharon if Maria had picked out her colours for her house. Sharon was reluctant to divulge whether Maria had or not but Sharon did say that she thought Maria had picked out some of her colours. I told Sharon that I know things were difficult between Maria & I for a longtime but that it was over now and that it was time to move on. Sharon agreed and stated that she felt uncomfortable talking about Maria choosing colours for her house. I said I understood and would not discuss these things with Sharon anymore.
- 02-May-05-
10:30am Maureen calls me to inform me that she is still at the hospital with her daughter Whitney. Maureen being more friendly towards me than she has in a long time.
- 02-May-05-
Mid-
Afternoon Maureen calls me again to see if everything is okay at the office. Maureen once again being more friendly with me than normal. Maureen still at hospital.

02-May-05- 4:05pm Maria leaves the office and so does Sharon. Sharon Russell returns about 20 minutes later.

- 03-May-05- Sharon Russell acting weird toward me again. Sharon was being short with me. Once she got past this initial reaction toward me she opens up and appears to be herself.
- 03-May-05- Maureen Carrel being overly friendly toward me again.
- 03-May-05-
1:30pm Maureen during supervision did not appear to be very concerned about me going to school. Maureen brought the topic up. We discussed this and Maureen stated that after hours would probably work best for me. I stated that the best option would probably doing something like Maria had done. Maureen did not appear to be that supportive of this option. Maureen stated that I did not have as much vacation time as Maria. Maureen stated that they would need to find somebody to replace me as if I was already gone. Maureen stated that she had not talked to Gary about this and did not seem all that concerned about it. Maureen suggested that I e-mail Gary about this to see if he had assessed my proposal.

1st message- Hi you just drove by me, call me back (Maria)

2nd message- I am getting the impression that you do not want to talk to me but I had a question for you. The social committee was possibly going to opt for Orr Lake Golf Club on Hwy 93 and I was wondering if that was the shitty course on 93. Could please leave me a message or an e-mail.

3 home phone calls from a no number (Unavailable/Private)
1 more cell phone call from no number.

Also believed that she drove by Mapleton and almost stopped in her car and looked down Leslie. I was in my driveway.

Subject Re: Golf

Lori called me today to advise me that the committee had met this morning and were thinking about booking the golf tournament at Orr Lake. She stated that we would save a couple of dollars per person booking at Orr Lake instead of Allendale. I know nothing about this course so I thought maybe one of you would know something. I drove on Hwy 93 a couple of times on my way to a school in that area and I remember there being two golf courses on the side of the road. One was really nice and the other one looked really scary. I'm thinking Orr Lake was the one that look scary looking. Have either of you played on this course or know any one who has. Please let me know what you think.

Thank You.

Maria :)

- 05-May-05-8:32am- I receive a call on my work phone from Maria. Maria states this is crazy. I just called you last night to see if you could answer a question about Orr Lake Golf Club and you will not even answer my calls. Maria states I did not know things were going to end up like this. I said Maria it is definitely time for us to move forward. I said once again that we need to have no more contact with each other. I said maybe something may come of this. Maria stated that she can't believe this is happening but if this is the way things have to be than I'll have to live with that Maria said.
- 05-May-05-2:17pm I receive a call on my work line from Maria. Maria asks me if I can talk. I said no and for her to call me later. Maria stated that she wanted to talk.
- 05-May-05-3:50pm I receive a call from Maria on my cell phone. Once again I tell Maria that I do not trust her and that we can not have anything. We have a discussion about things. Maria starts talking about how much she loves me, how she misses all of our contacts and how this should be an exciting time for her but meanwhile she is so sad. Maria said that we were supposed to be moving in with each other and sharing things. Maria said she would like to meet with me. I agree to meet her @ her house as I want to clear this up once and for all.

About
6:45pm

I go to Maria's house and we have a discussion about our situation. Maria states that you do not trust anything that comes out of my mouth. I said to Maria, no I do not. Maria states that you must have some sort of disease. Maria states that something is not right with you. You have nothing not to trust about me. Maria states that you must be ill as it is not right for somebody to think that somebody is cheating or lying to them. Maria stated that you think I slept with Randy. Maria states now that is crazy. Maria goes on to say that she has never lied once and that everything I have questioned her about is true. I said to Maria so you have never dated Shawne Beaulac. Maria stated that she did not know who that was because she did not know the guy's last name on the business card was Beaulac. She just knew him as Shawne. I told Maria I saw it on his business card so I know. Maria is totally denying everything that I have questioned her in the past six months. Maria once again begins to cry. Maria said I do not know how I can cry anymore. I told Maria that I will never trust her and that this is definitely our last contact. Maria said oh but Derek I love you and you will trust me one day. I said to her I do not trust you. Maria said I do not want to lose you. I said to Maria you lost me a long time ago. I said to Maria you have not listened to me in the past and you are still not listening to me now. Maria and I embrace in a hug. Maria and I kiss a few times. Maria at one point states oh I am getting so turned on. Maria states that she wants me to touch her body

05-May-05-
6:45pm out of love. We agree to discontinue physical contact after we kissed about three times. I go to the bathroom. I notice while in the bathroom the massage oil that I bought while we were at Deerhurst has been used significantly since the last time I saw it. I confront Maria about this and she states that she has been giving herself, self massages each night. Maria states that she has been putting a few drops on her neck each night and rubbing it in. Then Maria adds oh and I put a bunch in my bath one night. I tell Maria that I do not believe her. Maria does not respond to the accusations and by passes what I have said. Maria then states it does not matter to you do not believe anything I say. I tell Maria I am leaving and that we are over. I do not believe that Maria gets it.

About
10:00pm I call Maria to tell her that I hope she gets where I am coming from. I tell her that I am really mad at myself for allowing myself back in this relationship at times.

05-May-05-
About
10:30pm I call Maria back to say something about this is why we can't have contact there is just too many emotions.

05-May-05- I receive a call from (905)-833-5951. It is the Ministry of
7:59:27pm Transportation (King City Scales). I am assuming that it was probably
Kirk Goldthorp calling. There was no message left. This call was on my
cell.

06-May-05-
Morning I call Maria to inform her that I hate this situation. I was calling her to tell her that I hate her. Maria took over the conversation with her uncles story who was in the media in relation to Jean Chretien's scandal. I end up asking Maria if she wants a hand to put her tires in her car. Maria agrees that she would like some assistance and said that she would appreciate it if I could come to her house and do so. I was going with the intent to tell her that I hate her. I did not end up telling her as she never listens to what I say anyway. Maria stood in her driveway as I drove off and said I am really sad.

06-May-05-
3:40pm I call Maria and leave her a voice message that stated not to call me ever again after this message. I stated that I hated her. I hated everything that she stood for and everything she was about. I told her in the message that she could take her lies and cheating and go give them to somebody else. I also said good-bye & good luck.

- 09-May-05- Tara Nazerali @ office. Tara ignores me at first contact and I speak
About @ say "hi." Tara is then around my desk and I asked her if she was
8:50am driving by Justine & Nelson's residence @ about 7:00am on Saturday
07-May-05. I said I am sure I saw Rob driving a vehicle similar to yours
with the rack on top. At first Tara stated it may have been Rob as he was
out and about Saturday morning. When I said at around 7:00am Tara said
that would have been too early as they were not out of the house by that
time. Tara spotted a pad of lined paper that was somewhat secluded in
one of my paper trays- bottom shelf. Tara asked if she could borrow it for
her training. Tara stated that there were no pads of paper in the file room.
Tara stated that she used the yellow pads of paper for all of her calls on
After Hours. Tara stated something to the effect that the yellow paper was
used for her bad information. Tara has been ignoring and not speaking to
me for about the last 6-7 weeks. Tara barely even acknowledges me.
- 09-May-05- I took copies of Lindsay Lobsinger's General Affidavit to the court house.
At about Lindsay had requested that I do this for her Suzanna Sobey case.
10:30am Sharon Russell states to me while @ court house, hey Dunlop that is not
appropriate dress for court, I said I know and Sharon just laughed.
- 09-May-05- Derek Widdicks starts talking about a client and some stalking issues,
At about I did not really pay attention to conversation at the time and did not get
2:15pm gist. Do not know what conversation was about.

09-May-05- Tanya Traves seemed to be abrupt with me and did not appear to want to have a conversation with me. This was out of character for Tanya.

09-May-05- About 9:35pm There was a missed call on my home phone from an unavailable/unavailable number. I notice this at about 7:45am on the morning of the 10-May-05 when I got home from Justine & Nelson's home.

10-May-05- 8:30am I went into the binder that I had been keeping all my notes. I realized notes that were somebody's notes were in my binder. They appeared to be somebody's notes who was preparing for an interview as a supervisor. I did not put them in the binder and have no idea where they came from or whose they are. It appears that it may have been Maria's handwriting. Maria had mentioned to me on the 05-May-05 that she had had an interview for the supervisors position. Maria stated that she had had her interview on the same day that Jaime MacKinnon had hers. Maria informed me that she had her interview at 4:00pm on that day. I believe that the interviews were on the 29-Apr-05.

I had my binder at work during the week of the 25-Apr-05. I do not know how these sheets got in my binder unless somebody else put them in the binder.

10-May-05- Sharon Russell states to me. You seem a little bit frazzeled.
10:35am Everything cool. I said yes everything is cool. Sharon stated
alright then.

10-May-05- There was a missed phone call on my home telephone from an
8:24pm unavailable/unavailable number. I noticed this on the 11-May-05 at about
7:50am when I returned home form Justine & Nelson's home.

10-May-05- 10:16pm My cell phone rings three consecutive times. It would have normally kicked into the answering machine but then it continue to ring again it did this for a third time. No message was left. It only displayed one missed call on my cell phone. It came through as a private number. I did not answer as I thought it might be Maria.

- 11-May-05-
8:45am I notice that my own (Derek Dunlop) IFR Icon is on local. I switch it to Notes M. I did not take my computer home or was not on local. Next I notice that 2 safetys in my IFR are pending approval. These safetys were approved by Maureen Carrel yesterday. I replicate my computer which does not usually have to be done when hooked up to the server. Actually it never has to be done anymore. My computer defaults to my local copy in my IFR again. About 15 minutes later. The safetys were for Cathy Harrison and Patricia MacKay. I also notice that I have difficulty inputting information into a Risk Assessment for Cathy Harrison. I lose information that I typed in to the Risk Assessment. This never happens to me. I re-typed in the information and sent for approval. I went back to the case and it was not showing that the document (Risk Assessment) was sent for approval. The information in the Risk Analysis section was not there that I had typed into the computer. The computer than told me I had a save conflict as a copy had already been saved.
- 11-May-05- When Sharon Russell arrived at work today she did not say “hi” to me. Out of character for Sharon.
- 11-May-05-
At 10:00am Lindsay Lobsinger asked me how come I was so quiet. I looked at Lindsay and shrugged my shoulders and said I don’t know. At the same time Sharon Russell pipes up and says yeah how come your so quiet, you are never this quiet, must just be busy, you have been quiet for awhile now, we are worried about you Sharon said. Lindsay states that she did not mean to pry.

11-May-05- I told Lindsay not to worry about it.
10:00am

11-May-05- I went into my edit information of the two safety's that Maureen approved. MacKay was approved on the 10-May-05 at 4:46:54pm and Harrison was approved on the 10-May-05 at 4:48:55pm.

12-May-05- Sharon Russell does not say hi to me again.

12-May-05- I notice that my IFR defaults to a local copy again.
9:24am

12-May-05- I walk down the aisle behind Lindsay Lobsinger's cubicle and she is
10:30am startled. She has her back toward me and turns her head. Lindsay states
that I am so quiet and it is like I am sneaking around.

12-May-05- I notice that my IFR defaults to a local copy again.
11:15am

12-May-05- I go to go into CWIS and it (the computer) states that CWIS is
1:50pm already running, however there is no indication on my computer that
it is and I did not have it open for awhile.

- 13-May-05-9:59:58pm Maria Malvaso call me from her teacher's party up in Midland, ON. Maria states that she is calling to ask if I still hate her. I tell her yes I still hate you. Maria states that I am calling to ask you if I can stay over at your house tonight Derek. I said first of all No and second of all I am in North Bay, ON. I said and I hate you. Maria asks what are you doing in North Bay. I said I am playing in a basketball tournament. Maria said how is that going. I said alright we won tonight. Maria said it is a good job that you are not in Barrie as I would be harassing you to be with me because you know what happens when I am drinking. Maria states that she has been good but not now because of alcohol she is not. Maria says I have to go I call you back.
- 13-May-05-10:09:01pm Maria calls from her car and states that Dawn (Doucette) is driving her car and that she has 7 people in her car. Maria plays Summer of 69 from Bryan Adams and says do you remember this song. I said yes. Maria states that they are driving into Barrie and she will call me back.
- 13-May-05-11:21:19pm Maria calls from the washroom at Manhattan's. A famous trick of Maria's was to call from her cell in the bathroom because it was private and always away from whom she was with. Maria states that she just called to say that she loved me. Maria stated that she missed me. I did not reciprocate. Maria asked what I was doing and I told her

- 13-May-05- 11:21:19 that I was watching the basketball game. Maria said I can think of something else that you could be doing. Maria said it is a good job you are not in Barrie or I would be really harassing you. Maria states I am sorry for harassing you and I will stop now. We say good-bye.
- 13-May-05- 11:25pm I call Maria back to tell her how important it is for us not to have contact. No answer on her cell, no message left.
- 14-May-05- 12:34:50am Maria calls me and states that she is in the bathroom again. Maria states I wish you were here. My cell dies right out and I can hear Maria say, hello, I said my phone dies but it is too late.
- 14-May-05- 9:48:56am Missed call- from no number- no message left on my cell.
- 15-May-05- 1:51:10pm Missed call on my cell – from no number- no message left.

16-May-05- 12:05pm I am leaving the office to go pick myself up some at Zehr's and go home. I see Maria come out of the office just behind me. Maria calls me cell phone. I answer it at we talk for about 25 minutes. I was sitting in the Zehr's parking lot on Essa talking to Maria then I started to drive and continue to talk. I was driving down Veterans and asked Maria if she had anything for me to eat at her place. Maria said come on over and see what you can find. Maria and I end up having sex (twice). Between our interludes of sex, Maria tells me that she has called Mike McKenny. Maria states that she was being selfish. Maria states that she has talked to him 4 or 5 times. I said that is it. Maria states no, no, wait, wait, I called Mike to tell him that I have never loved anybody as much as I have loved you. I love so much Derek, and I can't lose you. We're supposed to moving in together and living together. Mike was just a good sounding board for me. Maria asks me if I have had sex with anybody else. I tell her "no"

16-May-05-
12:05pm because I have not had sex with anybody since I had sex with her. I told her I talked to Tamara Dunseith and that I was approached by a 21- year old female. I ask Maria if she has had sex with anybody else. Maria states no I have not, I just spoke to Mike. Maria and I have sex again. We end up burning a pot on Maria's stove because Maria had put some wieners in water and the water had been boiled to a point of evaporation and the pot was on fire. I leave Maria's and tell her that I will call her after work. Maria had stated her mom thinks she has mental health issues during the conversation.

16-May-05-
5:30pm Maria is at FirstView Homes picking out colours for her new home (carpets, bathroom tiles etc, kitchen cupboards, etc). Maria and I drive around looking at brick. Then we decide to go to Weber's for dinner. Maria and I drive back to FirstView to get my car. I tell Maria that someday she needs to come clean. Maria begins to cry again as she always does. Maria says I am a good person, I come from a good family. I ask her why she always feels

16-May-05-
8:30pm that she has to justify that to me. No answer. Maria says you have nothing not to trust. I tell Maria that we need to move forward, I can't move forward without you. I ask Maria if she wants to come see my house real quick as it is new and improved. Maria states sure. Maria comes to my house and sees the new state. Maria and I embrace in a few hugs. Maria is leaving and this is good-bye. Maria sits by the steering wheel of her car crying. I had walked her out to her car. Her head rests against the steering wheel and the horn beeps. I lean into her window and said to her (whispering in her ear) be true to yourself and come clean someday. I walk back into my house.

17-May-05- 5:30pm Maria and I go to FirstView Homes again. I help Maria with selected things for her house. Maria and I agree to go to Swiss Chalet for dinner. We once again have discussions about me trusting her. I tell Maria that I do not trust her and never will. We repeat many of our previous discussions. Maria drives me back to my place. I invite her in. We end up having sex in my bed. Maria states I hate this after sex part because I become emotional. Maria ends up leaving shortly after 11:00pm but continues to worry about the time. She said she did not want my roommate Brad to walk in. I tell Maria again that she needs to move forward and be honest with herself and everyone in her life and not to call her ex-boyfriends (including me). Maria and I agree that this is it.

18-May-05-
11:25am I am having a tough time at work with Maria being there. I tell her we need to talk and ask her to go somewhere. We go and get lunch at Zehr's, I tell her that I am just having a tough day. I am actually so sick about what has happened and her blaming me and constantly telling me I need to go to counseling. I am wanting to tell her to not to talk to me as I hate her but it is work so I refrain.

18-May-05-
2:07pm I text message Maria telling her to call me when she gets a chance. Maria calls me almost immediately and said she is busy but she will call me later to keep me informed.

18-May-05- Maria calls me about three times to tell me she is busy with her case.

18-May-05-
8:30pm Maria and I finally have a discussion about things Maria continues to try and justify that she is a good person and comes from a good home. Maria states that I have nothing not to trust her about. I tell Maria that I do not even trust you about the Mike thing. I tell Maria that you probably have seen him and slept with him. Maria states that I told you I saw him once. I said no you did not tell me that. I tell Maria again that you need to be honest with yourself. I said you may thank me one day. Maria states the only thing I am going to thank you for is for getting the hell out of my life and I will thank you for not putting me through what you have in the past 6 months. I put up with so much Maria states. I said to Maria you put yourself through this

18-May-05- 9:50pm because I have told you to get lost a good ten times or more. Fine then if you don't want me to call you than I won't. I said hopefully you finally got the message and maybe you will thank me someday.

18-May-05- 10:15pm I had called Maria's home phone and cell phone about 3 times each in the past 15 minutes.

18-May-05- 10:25pm I left a voice mail on her home phone stating that she was the one the had lost everything it was because of her we lost us and I hope that she could live with herself. I said this will be the last you hear my voice so enjoy.

18-May-05- 10:25pm I left a voice message on Maria's cell stating that the sickest thing was that she actually tried to convince me and others that it was me that needed help when she was the

18-May-05- one that was lying. I said good-bye.
10:25pm

19-May-05- missed call on my cell- no number, no message left.

- 01-Jun-05- Maria and I virtually have no contact at work all day. Late in the afternoon Maria sends me an e-mail. Do you want to golf after work. I am dumbfounded but figure that maybe we can for fun. I am reluctant but agree to do so. I can't golf because I can't concentrate because I know that I should not be there. After golfing at Pineview Maria and I left in our separate cars. I called Maria shortly after leaving course to tell her that I could not do this anymore and that I should not have gone golfing with her. I told her that we can't be friends and we can't be in a relationship.
- 01-Jun-05- I call Maria again to ask her if she understands what this means. I tell About her again that she needs to move forward and so do I, but not together. 9:00pm Maria said that if thats the way it has to be than I will have to accept that.
- 01-Jun-05- I call Maria back again to make sure she understands and ask her to 9:45pm please not call me or contact me.

01-Jun-05- Maria's e-mail to me.

- 06-Jun-05- I receive a call from Maria at 705-737-0196. - I answered because I did
10:06am not recognize the number. Maria says Derek I need to talk to you. Maria I
have nothing to say. Now leave me alone. Maria says oh but Derek I love
you and I want to spend the rest of my life with you. I want to marry you
and I want you to sell your house and move in with me. Maria we don't
even have a relationship at this point how would we ever get to that stage.
I said we have a stalemate you are always trying to convince me to trust
you and that I have to. I said and I do not trust you and do not believe
anything you have said to me. Maria and I have about a 5 minute
discussion and she begins to cry again. I tell Maria to get out

- 06-Jun-05-10:06am of the grocery store that she said she called me from. Maria agrees to do so.
- 06-Jun-05-10:08am I call Maria back and ask her if she wants to meet at her house. Maria said yes. I had read her text message attesting to this fact.
- 06-Jun-05-10:20am We meet at Maria's and have a discussion. I tell Maria that I can't trust and don't believe her or anything she says. I tell her that she needs to come clean with her lies. Maria again denies that she has lied. I ask Maria if she is a sex addict, Maria say no. I said you are not addicted to sex and Maria laughs and says no. Maria ends up coming and jumping on me on her love seat. I end up touching her back. We end up talking then I kiss Maria. Maria says I want to talk. Maria looks at my arms, oh look at those arms. We talk some more, we end up having sexual intercourse. We do agree that we should not be in a relationship.

09-Jun-05- Maria and I wake up together, we are prepared to go on our trip to Calabogie for the weekend. I have a 9:00 appointment that I go to and show up at office.

Maria does her thing and goes on a case. Maria and I meet at 1:40pm at Zehr's for lunch and to buy our groceries for the weekend. I am a little bit snappy with Maria as I know in my heart that I should not be doing this.

Maria and I meet at mall after work and I am rude to Maria about purchasing clothes (First time since I have known her that I ever said anything) I can't believe where Maria gets her money for clothes. Her finances do not add up. I know that I should not be spending anytime with Maria.

We meet back at Maria's house for dinner and to prepare for trip. I am not happy. Maria asks me if I am mad at her. I said "no" A discussion insues and Maria said to me that if there is something wrong you need to tell me. I said something to the effect that I am not 100% about going on a trip together. Silence for about 20 minutes. We eat dinner together and do not speak to each other.

- 09-Jun-05-
7:35pm After dinner I said to Maria what is up. Maria said you know what is up. I said what are we going to do about our trip. Maria said you need to be more than 100% sure you want to go on a trip. I said that I still do not believe anything you say. Maria stated that you need to reflect about your own wrongdoings. You need to own up to your own mistakes. Maria stated that I am cancelling the trip then. Maria goes out to her car to get information to cancel the trip. Maria comes back in and cancels the trip. During one of her calls she said this is what you want. I said that I did not have a choice you were already cancelling it. I then said I do not have anything left to say and got up and left. Maria said to me that you have ruined this, you need help with anger management and your to blame and this is all your fault. I left and said you are the most disgusting human being I have ever met. So are you Maria said to me.
- 09-Jun-05-
7:40pm I called Maria to ask her for some of the groceries we had purchased as I knew there was items she would not eat. Don't ever call here again.
- 09-Jun-05-
7:42pm I called back hoping that she would be polite and give me some groceries. She hung up in my ear.

- 09-Jun-05- 7:43pm I called again- Maria answered- I said you could even put them in a bag on your stoop and I will pick them up- Click- she hung up again.
- 09-Jun-05- 7:48pm I called Maria to asks for groceries, -Derek are you sick I am going to call the cops and have you charged for putting a hole in my wall- Maria please leave me alone. All I was wondering if I could get some of the groceries. Have fun in jail Maria said.
- 09-Jun-05- 8:52pm Maria calls- Derek I think that there is something wrong with you. You need to take some anger management courses. You need to feel confident in trusting somebody. You are not well and need some help. You talk about knowing things well lets say I the one that knows stuff now. I think you should call your ex-girlfriend Lee. It appears that you had a similar pattern with her. I said how do you know anything. I asked Maria, did you call Lee. I don't know but I think you should call her. Maria says I have called the police to come to my house to tell them what has happened in the past year.

09-Jun-05-
8:52pm

Maria said think about what you have done in the past year. Think about what you have done to me. I have tried so hard and put up with so much. You are to blame and I am going to tell the police everything. Derek you have been living in a distorted world, what you have thought and questioned me about is not real. The police coming to my house is real.

10-Jun-05-
5:10pm I am about to leave for North Bay, ON. I am driving in my car down Essa Road to head northbound on the 400. I had told my roommate Brad Carne I was going to North Bay, ON. My cell phone rings it is Maria. Derek are you going to North Bay. I said that I am on my way as we speak. Oh but Derek I am all alone and we were supposed to be together this weekend. I said Maria that did not work out and I do not trust you. Maria keeps pouting. I said to her that I do not have to go to North Bay but that I want to get out of here for the weekend. I go to Maria's house and after we talk for about 40 minutes I convince Maria to go to Niagara Falls. Maria is reluctant to leave Barrie stating it is a financial thing.

Maria and I go to Niagara Falls and while out eating she tells me about one of her ex-boyfriends Andre and his friend Kevin. Maria stated that Kevin had the hots for her while she was dating Andre and Andre never really did anything. Maria stated that Kevin would tell she had a nice ass or nice tits and Andre would not do anything. Maria stated that she never did anything with Kevin when I asked. Maria continued to bring up the topic about me moving in with her and her wanting to marry me and for me to sell

10-Jun-05- my house. I told her that this would not happen. Maria was begging me
10:30pm to do this. I said “no.” Maria and I went back to our hotel and had sexual
intercourse and oral sex with each other.

11-Jun-05- Maria and I find another hotel to stay at for the night of 11-Jun-05. Maria and I go for lunch at a Japanese restaurant. Maria and I walk the downtown area and down by the falls in the afternoon. Maria and I go to the Marriott. I get a massage and Maria gets a pedicure. I tell Maria that it is the best massage I have ever had as I want to see her reaction. Maria states that she did not want to here that. I said I betch you did. “No response from Maria.” Maria and I return to our own hotel. While getting ready to go out for dinner Maria suggests that we should go to a strip joint tonight. I said that we should go to Mints. While at the hotel Maria talks to Maureen who invites her to Manhattan’s in Barrie. Maria tells Maureen that she has to find out what her friend Dawn is doing. Maureen apparently does not know that Maria’s with me in Niagara Falls. I also talked to my friend Shawn Harwood in North Bay, ON. Shawn asks me if I am just hanging out, I lie to Shawn and state that I am just hanging out. Shawn starts cutting up Maria while she is standing in front of me. I laugh because what he is saying is true. Maria had cut me up for living in a semi in front of Shawn. Shawn and I both thought that was a joke. Maria and I get ready and go out for dinner. We have a tough time deciding on a place for dinner but finally decide on an

11-Jun-05- Italian place. After dinner Maria wants to go to a Haunted House. Maria is hysterical while in the house. After the Haunted House Maria suggests that we go to the strip joint. We go to Mints which is near our hotel. While at the strip joint Maria tells me that she wants me to go up on stage with a stripper and have the stripper lie on top of me and tie me up to the poll. Maria stated that she wants to watch this. Maria and I go to another strip joint beside our hotel. Maria watches the female strippers all night. At the end of the night Maria states that she saw a girl's clitoris while on stage. Maria's exact words were I saw her clitoris whether I wanted to or not. Meanwhile, I had watched me lean over in her chair to look past guys heads in front of her to see this girl's vagina. Maria again stated that she wanted me to go up on stage. While waiting for girls to take off their tops, Maria sometimes would state I want to see if they are implants or not. I told Maria that there was one girl that I wanted to get to have a lap dance with. Maria then was curious and wanted to see who it was. The girl had disappeared and probably was giving lap dances at the time. Maria was disappointed that she could not see the girl and Maria told me so. (I just wanted to see Maria's reaction, I was not going to get a lap dance. I never went up on stage like Maria wanted and I never had a lap dance)

11-Jun-05- 2:00am Maria and I returned to our hotel where we had sexual intercourse, oral sex and Maria danced for me on the bed.

14-Jun-05- Maria gave me a card.

Scripture on the card reads as follows:

Sometimes I call you just to hear the sound of your voice teasing me across the telephone line. Other times I call to tell you about some good or crazy or just plain old silly thing that happened...

Sometimes I call you because I'm in a blue funk and I need to hear the words that go straight from your lips to my heart. Other times I call because I have the feeling that you need to be reminded just how mind-blowing you really are to me...

... but no matter when I call you, it feels really good knowing I'm not only calling my lover, but I'm also calling my very best friend.

To: Derek

Love: Maria

I thought this card was appropriate and suits us and how I feel!

All my love!
