Peggy Greer stated to me that I did not have to come up from Barrie to Bonfield as she had everything ready to go to bring "Pepper" to Barrie. Peggy said your dad was sitting here and he figured that you could get a break and come up to Bonfield, ON. I said it probably makes more sense for Pepper's sake. I said that my dad said it would be quieter for me up here in Bonfield. I said know not really I said I ruffled so many feathers that nobody talks to me in Barrie either. Peggy then stated well it should be all over soon. (***-This was very odd it was as if she knew something.)

01-Aug-06- 9:56pm My dad calls to see if everthing is O. K. Peter Dunlop says to me that him and Mark Plamondon a work employee were drinking out of the Brown Bottle. My dad asks me if I have enough groceries. I said Oh yeah there is plenty of food. My dad said that he had not even heard from Peggy (Peggy Greer) yet. My dad said they must be having a good time. I asked how would you get a hold of her. Oh she has a cell phone and she knows I can't make contact with her. (**I did not understand why he could not.) (**It was as if my dad was checking up on me.)

02-Aug-06- 9:11pm Peggy Greer called me to see how things were. Peggy states that my dad had asked her to call to see how "Pepper" was. I said he is doing better and that he recently went nuts. Peggy asked me how I was. I said I was fine. I asked Peggy how Wonderland was and she said it was hot. Peggy asked me if I had company and I said Shawn was over but it was fine. Peggy stated that she would be home tomorrow morning. I said that I was going to leave in the morning.

03-Aug-06- 8:11am My dad called to see if Peggy had made it home yet. I said "no."
I said that she called me last night and said that she was coming home today. My dad said that he had talked to her last night and he thought she was coming home last night. (****I found this to be odd as my dad had told Peggy to call me last night and must have known that she was not coming home until today, he may have forgot but I doubt it.**) My dad asked me what I was up to for the rest of the week. I said "I don't know." My dad said you must be anxious to get on the road. I said that I was going to take "Pepper" out so he could do his business and then I was going to get organized to go.

15-Aug-06- 6:45pm I was speaking to my dad and he informed me not to allow my house to foreclose. He told me to ensure that I asked him for some help and that he would help me out. My dad informed me about the RCMP officer who had filed a \$3.5 million lawsuit against the RCMP. My dad said that he hoped that I seen a doctor because I should see one and explain to them my situation.

27-Aug-06- I spoke to Peggy Greer in length about numerous things. At one point
7:18pm during the conversation Peggy stated that I wanted to thank you again for
Looking after "Pepper" and I am sorry that you had to come all the way up
here. Peggy said I had everything set to bring him to your house and your
dad just wanted you up here for a few days and I am not sure why.

06-Sep-06- 7:45pm I called Peggy Greer at home after speaking to my dad. I thanked Peggy for doing the favour for me yesterday. Peggy said you got it all right. I said yes. We discussed how good the Royal Bank was. Peggy had asked if I could get enough money out. I said yes. Peggy asked me how I made out. I asked her with the lawyer. Peggy said yes. I said oh I don't know I guess we'll find out tomorrow. I said that there is a pre-trial tomorrow. Peggy said at one point it is only a mischief charge. It is not like they charged you with harassment or something. I said I know. Peggy asked whether the disclosure was showing anything. I said I am not sure. Peggy and I also discussed Michael's troubles years ago. Peggy and I discussed about Michael being arrested at work. Peggy stated that Michael's father knew and allowed this to happen. Peggy also discussed about how Michael was in shackles and handcuffs and how she could not look at him or she would have started to cry. Peggy and I discussed my car. Peggy stated that you can't just take it to a dealer. Peggy stated that it might be easier. I stated that I would probably lose money. Peggy and I discussed my dad and how he would do anything for anybody. I brought up the incident between my father and I last year. Peggy stated that she made my dad do something or that he might lose me. Peggy and I also discussed how the police arrested me in May. I informed them that the police were not too bad to me but I was really inferiorated because I knew people at work knew that I was taking my mother to Princess Margaret that day. I said that I was off but they still knew. I said if I ever found out someday that they knew that my mother was here. I said I will not do

06-Sep-06- anything but I would be really upset. Peggy and I discussed how my
7:45pm mother did not need to go through that. Peggy said that if I needed her
Pg 2 to call. Peggy said let us know how you make out.

10-Sep-06- 6:35pm Peggy and I had a lengthy discussion about numerous topics. The one thing that I was rather surprised about what that Peggy asked me if I had any contact with my supervisor. (***) This was in reference to Ms. Maureen Carrel.)
