I asked Ms. Wilson if next weekend would work for her. She said yes. I explained that because of travelling that it took me time to get down and I probably could not meet until mid afternoon. We agreed to a time of 2:30pm of Saturday 26-Jul-08. Ms. Wilson asked me who the judge was. I informed her that it was Justice Wright. I informed her that I had already entered a plea. I asked her how legal aid arrives at an estimate because they estimated \$2 000. I asked Ms. Wilson if she had heard about my case. She said “no,” but if she asked around she probably could find out.

*****Ms. Wilson never asked about Steven R. Sager.**

Dear Ms. Wilson:

I have made contact with the Legal Aid office in North Bay, ON this morning and they are supposed to fax you a copy of the certificate today. I do not have a copy of my own and I am unable to fax you a copy as you suggested. Please inform me that you have received a copy.

I am assuming that this case will not be concluded on the 17-Sep-08 and I made a mistake yesterday. First, I want to say that if nothing can be done that my mother and I will deal with it. For the most part my attendance in court has been first thing in the morning @ 9:30am. For travel purposes for my mother and I to leave Newmarket it usually works out best if the matter is dealt with in the morning, however, if nothing can be done to possibly move the case to an earlier time than I totally understand. If this is also a waste of your time, than please to nothing about this. If it is too onerous I also understand. If this does not make sense than please call me.

I know that you are busy with other clients, but if you do get somewhat up to speed on my case, I am wondering if we can arrange a telephone conversation for sometime next week for about 10 minutes.

Thank you for your attention to the above information.

Yours truly,

Derek Dunlop

Mr. Dunlop

I did receive the Legal Aid certificate from them. Thank you.

The case will likely not be concluded on the 17th. I am not sure what you mean about “nothing being done”? On the 17th, I will have read the disclosure and got a better idea of where to go from here. The application to strike the plea will be set on the 17th (for a later date since it will take a long time to argue). I expect to speak with the Crown before the next court date to sort out the details of how long it will take. I understand the Judge may be reluctant to hear the application, so that will be sorted out as well. Also, the Crown will want to talk about resolution. I will need to read the file and speak with you before I can give any advice on that.

The matter is set for the 11:30 tier, but it may go ahead at any time. I will be there at 9:30 and can try and address it earlier. It is really a “first come first served” courtroom.

I will be happy to speak with you next week or early the following week. I will need to confirm my schedule and get back to you with a time.

21-Aug-08.

Dear Ms. Wilson, Mr. Ghosh, Ms. Segal and Mr. Greenaway:

It does not appear that anybody is concerned with the reprehensible actions of Mr. Steven R. Sager. As I have noted before Mr. Sager has falsely represented himself as a lawyer in an indictable matter in which he was not legally permitted to do so. **As of the 15-Jun-08, Mr. Sager has written a fabricated 4 page letter that is littered with many outright lies to cover up his criminal acts and try to shift all the blame to me.**

My impression is that Mr. Sager has launched a complaint about me and it is evident that people are pretending to assist me in order to gain information, in attempts to bring about criminal harassment charges against me. I am not sure why or how this can be done, but I do know that if it is being done, it is being done so in a collaborative and colluded effort behind the scenes.

I am also aware that from indications from sources that the Honourable Justice Wright may charge me in contempt of court and I am not sure how or why this can be done. This is a ludicrous process if this is what is actually happening.

It is extremely shocking that people would assist Mr. Sager not fully knowing the relationship between him and I. If people are proceeding based on Mr. Sager's lies than they are putting themselves in a risky situation.

Furthermore, everytime somebody else gets involved and lies they are putting themselves in a precarious position. Not to mention the fact that when the truth does come out that they will be embarrassing themselves. I am surprised Mr. Sager could not fight his own battle if he is alleging that I harassed him.

Furthermore, people are suggesting that I send letters to Mr. Sager requesting that Mr. Sager pay the monies back to me that I had given him in this matter. I am well aware that people are doing so, so it appears that this may be harassing Mr. Sager. (Not very intelligent on your part) Among other things that are not very

intelligent.

My Will Say Statement to the court dated the 02-Jun-08 has appeared to influence people's reactions. People should not act on emotion because that it is only a recipe for disaster.

Mr. Sager should be ordered to take the stand and testify and hopefully that will get us the truth of this matter. If not, everyone who has come in contact with this matter should also be ordered to testify it is the only way to find out the entire truth.

If the justice system is based on people and professionals lying and that is what this continues to be than we as a society have some significant adjustments to make in order to radicate these ongoing problems.

Mr. Sager should be punished to the fullest extent of the law in relation to his actions.

People are not able to handle the truth. Mr. Sager has lied over and over and over again. Anyone lying to protect and assist Mr. Sager can only be hurting Mr. Sager and themselves and this can only become extremely problematic. The truth will come out. I have nothing to hide in this matter whereas Mr. Sager has an only continued to dig himself a bigger and bigger hole.

Thank you for your time.

Derek Dunlop

Dear Ms. Wilson:

I am under the impression that you have no intentions of contacting me.

If you also want to charge me with criminal harassment feel free to do so. I am sure you have documented my contacts since the last court date and if you feel that that is harassment than so be it. It could also possibly display a pattern which I am sure Mr. Sager would be looking for.

YOU HAVE INFORMED OF YOUR INTENTIONS TO MEET WITH ME AND/OR CONTACT ME TO DISCUSS THIS MATTER AND YOU HAVE NOT FOLLOWED THROUGH WITH YOUR INTENTIONS. I AM NOT SURE WHY.

IN ORDER FOR ME TO HAVE THOROUGH, JUST, FAIR, ADEQUATE DEFENCE I WILL BE FORWARDING YOU A DOCUMENT INSTRUCTING YOU TO SUBPOENA MANY RECORDS OF MANY PEOPLE IN REGARD TO MY AFFAIRS IN THE PAST FEW YEARS. I WOULD APPRECIATE IT IF YOU COULD FOLLOW UP BY CONTACTING THESE PEOPLE, PROFESSIONALS AND ORGANIZATIONS TO OBTAIN ANY DOCUMENTATION THAT I AM REQUESTING.

My case may be a legal precedent setting case and I should be able to have the same power as the authorities to investigate and obtain evidence to assist me with my defence.

Thank you.

Dear Ms. Wilson:

At this very moment, my mother and I are confronted by significant financial constraints. We are unable to afford to travel to Newmarket and stay in a motel the night before court as we have done for various court dates in the past. It is a significant expense to afford the bus travel, accommodations, meals and so on.

I am unable to travel on the Ontario Northland during the night hours because of my bail conditions and my mother definitely can not travel at that time due to her health concerns.

At your convenience, please call me sometime today at (705) 495-6377 to discuss options/alternatives.

I am still trying to get the money to afford the trip.

Thank you for your attention to this information.

Yours truly,

Derek Dunlop

Derek,

Don't worry about it. I will advise the court and appear on your behalf. I do not want to put you under any further pressure. I should be in a position to set a date for the motion to strike the plea tomorrow so we can limit the number of times you have to come down.

I apologize for not calling. I have not yet had the time to sit down with your file in front of me and actually set aside an hour or so to speak with you. I forgot that I have Monday night classes now.

I will need to discuss further with you my ability to obtain some of the documentation you requested. Particularly any lawyers documentation as these are subject to certain restraints due to confidentiality.

I have received most of the transcripts I have ordered. I am still missing the date where you actually plead guilty. In the one where the Judge discovers that Mr. Sager is not a lawyer. Judge Wright clearly indicates he will be forwarding all the information to the appropriate body (Law Society). As I understood the discussions last appearance, Mr. Sager was not accepted as a paralegal in the Law Society due to this. I can tell by Judge Wright's concern over this issue that he followed through, but would also urge you to do the same. I also note that he ordered Mr. Sager to provide you with a detailed account. I am not sure if he did so. I am very concerned over the price you had mentioned on the last occasion. I strongly urge you to contact the Law Society if you did pay him any money and they can direct you how to have those accounts dealt with. If Mr. Sager did not provide you with those detailed accounts, then he is in breach of the Judge's order.

Sincerely,

Saara Wilson

Dear Ms. Wilson:

Are you going to be entering the 5-6 inches of personal disclosure that I gave you into evidence? If so, have you forwarded a copy to the Crown. If not, I would ask that you please make a copy for the Crown and please return those documents to my possession.

How come Mr. Sager was in the courtroom and present for the pre-trial that took place on the 17-Sep-08?

Could you please outline in writing the options that I may have for court on the 09-Oct-08, so that I am able to assess before making a decision.

Have you acquired and further documentation from the list of people that I sent you. If so, whom have you acquired information and what information have you gathered.

Thank you for your attention to these questions.

Dear Ms. Wilson:

Could you please inform me what you are going to be doing with my personal documentation.

Has Mr. Ghosh been given the approval to submit joint submissions or is that game continuing to proceed as Ms. Segal had also said that this was a possibility.

Are you going to be responding to my contacts or just continuing to ignore and to not acknowledge them?

Thank you.

I have not forwarded your material to the Crown as there is still the possibility that you will want to proceed to trial. I do not believe it would be in your interests to provide the state anything which may aid in their prosecution of you.

AS I UNDERSTAND, MR. GHOSH NEEDED FINAL APPROVAL FROM MR. TAIT, BUT HE FELT CONFIDENT ENOUGH THAT WE COULD PROCEED ON THE BASIS THAT HE WOULD GET IT.

I still need to know how you wish to proceed. You have the choice to let the plea stand or apply to have it struck. **If the plea stands, Mr. Ghosh and I will submit that a conditional sentence is appropriate (PENDING FINAL APPROVAL FROM MR. TAIT). The Judge does not have to agree with us, but he is far more likely to do so if it is a joint submission.** I do have caselaw that says that a conditional sentence is not outside the range for this type of offence. If you want to strike the plea, then I will bring that application. It will be up to the Judge whether he will grant it or not. The Crown will oppose any application to strike a plea. **If the application to strike the plea is successful, then we will proceed to trial on November 17 and 18 (at least we can discuss if it is a trial or prelim). If it is not successful, then we will proceed to sentencing. The Crown will ask for real jail. I am still free to argue for a conditional sentence.**

Sincerely,

Saara Wilson

EXHIBIT "A"

Will Say Statement of Derek Dunlop dated June 2nd, 2008:

I, Derek Dunlop will say and testify under oath that on the 06-Mar-08 at the Newmarket Court House in Newmarket, Ontario that I spoke to my lawyer Mr. Steven R. Sager prior to entering court. I will say that I asked Mr. Sager what would happen if I decided to enter into a plea. I will say that Mr. Sager said that he would have to speak to the Crown Attorney, Mr. Amit Ghosh about me entering a plea. Mr. Sager apparently approached Mr. Ghosh in confidence. After Mr. Sager apparently spoke to Mr. Ghosh about me entering a plea, Mr. Sager returned to me outside the courtroom and informed me of the following information.

I will say that Mr. Sager informed me that Mr. Sager had talked to Mr. Ghosh prior to entering court. I will say that Mr. Sager informed me that after his discussion with Mr. Ghosh, Mr. Sager informed me that this matter would be adjourned for a week or two and that we would come back and speak to this matter at that adjourned date. I will say that Mr. Sager also informed me that Mr. Sager and I would have time to discuss possible options for sentencing and then Mr. Sager would discuss those possible options with Mr. Ghosh prior to the adjourned court date. I will say that Mr. Sager informed me that we would come back on the adjourned court date, enter a plea and sentencing would also occur on that adjourned date. I will say that at that time outside of the courtroom on the 06-Mar-08, Mr. Sager informed me that I would **not** be required to enter a plea upon entering the courtroom on the 06-Mar-08.

I will say that upon entering the courtroom on the 06-Mar-08 that I was put on the spot to respond to plea to the charge against Mr. Terry Corbett. I will say that my lawyer, Mr. Sager did **not** inform that this would be transpiring on the 06-Mar-08. As a result, I will say that I was in a total state of shock. I will say that as a result of **not** being informed, I did **not** know what to do. I will say that since Mr. Sager did **not** even inform me that I would be required to enter a plea on the 06-Mar-08 that Mr. Sager obviously did **not** inform me about what a plea to this charge could mean to my future. In addition, I will say that I did **not** know what a plea to this charge could mean to the other charges against me. Once again, I was **not** informed by Mr. Sager that I was entering a plea or any pleas on the 06-Mar-08.

Next, I will say that I am put on the spot again, to respond to a plea to a Highway Traffic Act charge. Once again, I am **not** prepared to respond to this charge. Mr. Sager did **not** inform me that I would be required to enter a plea to the Highway Traffic Act. In fact, I will say that it caught me by such a surprise that I was **not** even made aware by Mr. Sager that I had even been charged under the Highway Traffic Act in this matter. I will say that I was aware that I had been charged with 1 count of over 80mgs and 2 counts of Impaired Driving Causing Bodily Harm and the charges were all in accordance with the Criminal Code of Canada. I will say that Mr. Sager did **not** inform me about what a plea to the Highway Traffic Act could mean to my future.

Next, I will say that I was also required to elect a mode for trial. I will say that Mr. Sager did **not** inform me that I would still be required to elect mode for trial on the 06-Mar-08. I will say that I was informed by Mr. Sager that the matter would be adjourned for a week to two weeks and that we would enter a plea on that adjourned date and that sentencing would also occur on that adjourned date. As a result, I did **not** know that I was going to have elect a mode for trial on the 06-Mar-08. Once again, I am put on the spot at a moments notice to respond to something I am **not** prepared to respond to. I will say that I was forced to make a decision at a moments notice at the advice and words of my lawyer, Mr. Steven R. Sager. I will say that I relinquished my chance for a preliminary inquiry and am unable to re-elect my mode for trial as a result of electing the mode for trial that Mr. Sager suggested. I will say that this was something that I was unprepared to respond to and that my lawyer Mr. Sager did **not** inform me that this was still going to occur in court on the 06-Mar-08.

I will say that should Mr. Sager refute or deny the following true facts that Mr. Sager would be dishonest with me, himself, the Honorable Presiding Justice and this Honorable Court. I will say that the above facts are the truth and nothing but the truth.

I will say that I have had issues with Mr. Sager in the past and had requested that he be removed from the record as my lawyer. I will say that Mr. Sager has **not** been removed from the record as my lawyer.

I will say that I know that Mr. Sager has had contact with my father, Mr. Peter Dunlop. I will say that I did **not** grant permission to Mr. Sager or Mr. Peter Dunlop to discuss my private legal matters.

I will say that Mr. Sager has treated me in an unfair, unjust and dishonest manner which is prejudicial to my best interests. I will say that I am dumbfounded by the reprehensible and dishonest actions of Mr. Steven R. Sager.

Thank you for your attention to these statements.

Yours truly,

Derek Dunlop

Page #2- Paragraph #4-

8. I do **not** understand how Mr. Sager can comment on what my opinion of him was. My opinion of Mr. Sager was that he was a lawyer.
9. Mr. Sager states that he was **not** a lawyer nor did he ever hold himself out to be one at any time. This is interesting given the fact that Mr. Sager falsely represented himself to the Honorable Court, the Honorable Justice Wright, the Crown Attorneys, the legal community and to myself.

2. Mr. Sager must have eventually obtained the knowledge that the Crown was proceeding by way of indictment.
3. If as soon as Mr. Sager found this out he advised me, Mr. Dunlop that he could not continue then we would **not** be where we are today as neither of us would have proceeded forward.

8. Ms. Mary Hall did **not** ask myself, Mr. Derek Dunlop to enter into a peace bond, as we **never** made it to that juncture.
9. Ms. Mary Hall and Mr. Dunlop did **not** have an issue over a peace bond and that was not the entire issue as Mr. Sager indicates in this paragraph.
10. I have **never** stated to anyone that I felt by entering into a peace bond that I was agreeing that the Barrie Children's Aid Society was correct to fire me because of the charge. (I do **not** know what Mr. Sager is talking about in this instance)
11. The entire rest of paragraph #6 that continues on the top of page #3 is very inaccurate in its contents and Mr. Sager once again is very confusing.

page 5

Mr. Steven R. Sager's letter dated 15-Jun-08.**Page #2- Paragraph #6-(continued on top of page #3)**

12. Mr. Sager informed me that in his discussions with Crown Attorney, Ms. Kathryn Hull that if I attended an anger management program that the Crown would withdraw the charges. This did **not** occur.
13. Mr. Sager states that unfortunately just prior to this I was charged with impaired causing bodily harm. At the time, I **had** not hired Mr. Sager for the Mischief matter. Furthermore, Mr. Sager indicates the Mischief charge was already stayed. This did **not** occur until sometime in June of 2007. (Once again, Mr. Sager is extremely confusing and inaccurate)
14. Mr. Sager **never** advised me that Mr. Sager acted for persons charged for impaired driving when the Crown elected to proceed by way of summary conviction.
15. Mr. Sager **never** informed me that I would need a lawyer. If Mr. Sager informed me that I needed a lawyer than I would have done so and Mr. Sager would have stepped aside.

Page #3- Paragraph #2-

1. **No** doctor has attempted to take blood from me as Mr. Sager is indicating.
2. I, Derek Dunlop have **never** made a statement to anyone that they were all trying to implant a tracking device into my body. First of all, who is Mr. Sager referring to when he indicates **all**. (This statement is ludicrous)
3. I do **not** know what Mr. Sager is referencing about people trying to put me in jail in letters that I wrote.
4. I **know** that there are numerous legalities involved but I did **not** admit to Mr. Sager that I was guilty of the new charges as Mr. Sager indicates.
5. Mr. Sager has made reference to my mental breakdown. I did **not** realize that Mr. Sager is qualified to make such an assessment.
6. Mr. Sager indicates that the mental breakdown began with my previous lawyer and she could not deal with it. Once again, where is this information coming from.

page 6

Mr. Steven R. Sager's letter dated 15-Jun-08.

Page #3- Paragraph #3-

1. If Mr. Sager wanted to walk away then why did Mr. Sager just **not** walk away.
2. Mr. Sager **knew** he should stay clear of this matter but he stayed anyway. (Once again, Mr. Sager is very confusing)
3. Why did Mr. Sager feel a need to help Mr. Dunlop.
4. Mr. Sager **never** stated to me that he would only assist me with respect to a guilty plea. (What an outrageous statement)

Page #3- Paragraph #4-

1. Mr. Sager's information in this paragraph is totally inaccurate. (I possess documentation that outlines what transpired)

Page #3- Paragraph #5-

1. Mr. Sager did **not** file an Application to be removed because he found it impossible to deal with Mr. Dunlop. I had requested his removal.
2. Mr. Sager's statement about me still stating I was guilty but was convinced I had to have a trial in order to obtain a fair sentence makes **no** sense whatsoever. Once again, I did **not** state to Mr. Sager that I was guilty.
3. Mr. Sager and I did **not** have an arrangement **not** to discuss the details with my parents. (I would have thought that Mr. Sager's professional obligation is **not** to discuss my legal matters with anyone without my permission, thus we would **not** have to have an arrangement)
4. I have **never** informed Mr. Sager that I do not trust my parents.
5. I did **not** grant permission for Mr. Sager to talk to my parents in the beginning.

Mr. Steven R. Sager's letter dated 15-Jun-08.

Page #4- Paragraph #2-

1. Mr. Sager has indicated that he closed his office shortly after taking on my case and he has worked on my case from home. Mr. Sager apparently has had another office in Richmond Hill, ON. Mr. Sager has also informed me of other cases that he has been representing clients in other jurisdictions in the Province of Ontario.

Page #4- Paragraph #3-

1. Mr. Sager has indicated that what he has done for me he did in good faith to help a man whom he truly believed needed his help to get through a serious emotional time in my life. (What????) This does **not** make sense to me.

Page #4- Paragraph #4-

1. Mr. Sager makes it a point again to say that I have always admitted my guilt but just wanted a fair sentence to the charges against me. This is **not** true.

This is Exhibit "C" referred to in the

This is a page that Saara Wilson created on October 9th, 2008 at the Lawyer's Library within the Newmarket Courthouse and had me sign on October 9th, 2008.

I, Derek Dunlop instruct Saara Wilson to assist me with sentencing on my charge of Impaired Driving Causing Bodily Harm. After consultation with my lawyer, I am instructing her that I do not wish to proceed with an application to strike my guilty plea. I wish to abandon the application I filed with the court, and I do not want her to file any material she has prepared on this motion.

I understand that if the plea I entered stands, I have already admitted guilt to the charge. I understand that this will result in the conviction being registered on my criminal record. This may have implications for travel or employment.

I understand that the ultimate sentence is up to the Judge. He may impose any sentence up to the maximum allowed by law. He will, however, give serious weight to any submissions made by my lawyer and the Crown, especially a joint submission. **I understand that the Crown may join my lawyer on a conditional sentence but that Mr. Ghosh needs to confirm this with his supervisor. THIS NEGOTIATION WILL HAPPEN IN GOOD FAITH.** I understand that I risk going to jail. I will be prohibited from driving. I understand that, no matter the sentence, my drivers license will be suspended by the Ministry of Transportation and I will need to complete certain remedial programs as ordered by the Ministry before I can get it back.

I understand that by not striking the plea, the trial dates currently set for November 17 and 18 will be vacated.

Dated at Newmarket, this 9th day of October, 2008.

Dear Ms. Wilson:

Since you have assumed responsibility of my file you have had no intentions of assisting me or helping me with my defence. Ms. Wilson you have not responded to many of my contacts and hardly assisted me with any advice. Ms. Wilson you have only been interested in assisting the Crown Attorney in this matter. This is evident by your actions, words and lack of interest in my case. As a result, you have intentionally and purposefully ignored my best interests and best defence. Your silence has spoke volumes about your pre-meditated intentions. Members of the judicial system have collaborated behind the scenes to ensure that my rights have been violated and that I am provided with the worst possible options. **Ms. Wilson, you were not going to acquire the information that I requested you subpoena from numerous parties. Ms. Wilson you were not going to enter my personal disclosure into evidence. Ms. Wilson, you had no intentions of helping me with my defence.**

On 09-Oct-08, Ms. Wilson, you set me up. Mr. Ghosh, yourself, the Honorable Justice Wright know that the Crown has no intentions of agreeing to joint submissions in this case. I have informed you that Ms. Segal had also played that game with me in the past. This is just something to bait me with to make it appear as if the Crown wants to be fair. This so far form the truth.

Prior to entering the court room in Newmarket, Ontario on the 09-Oct-08, you Ms. Wilson never informed me that I would be required to re-enter a plea at that time. Once again, I am put on the spot to make decision about this matter without being notified by my attorney that this is going to occur. As a result, I did not make the decisions voluntary, I have been pressured by members of the judicial system, members of my family to plea in this case. I also did not make these decisions on my own free will. I did so under a lot of duress and emotional stress and pressure.

You induced, enticed and entrapped me into the same scenario that Mr. Steven R. Sager had done in the past on 06-Mar-08. This pattern is an absolute disgrace and it is evident that you followed the same path.

I want the plea of 09-Oct-08 to be struck from the record, I want the mode elected for sentencing/trial of 09-Oct-08 to be struck from the record.

10-Oct-08-
10:57am
Pg 2

As a result of the intentionally collaborative and colluded efforts of members of the judicial system and the occurrences that transpired at the Newmarket Courthouse on the 09-Oct-08, I have no option of a trial and no recourse should I not agree with the Honourable Justice Wright's decision on the 18-Nov-08. These intentional acts by all involved are pre-judicial to my best interests. It is a shame that all of you have pre-meditated this behind the scenes. Ms. Wilson, you had me sign a letter on the spot without any notification from you that I would be required to do so. You did so to protect yourself and you had the letter ready just in case things worked out for you, the Crown and the court. I am not in agreement with that letter or the contents of the letter dated the 09-Oct-08.

I wanted a trial in this matter. I never wanted to enter a plea. I did not want to elect the mode of trial that you, Ms. Wilson spoke for on my behalf in court on the 09-Oct-08. This was the same mode of trial that Mr. Sager suggested I elect. Nobody has the common decency to ask me what I want, you just go ahead with you pre-meditated plans.

There is also an intentional reason why the court is getting me to plea to the charge against Mr. Terry Corbett. I am still not sure why this is, but this will eventually come out.

Mr. Ghosh, Mr. Sager, Ms. Segal, the Honorable Justice Wright and yourself all knew that you did not want this case to proceed to trial. Each one of you was going to do everything possible to ensure that a trial in this matter would not occur. Each one of you know the many complications will arise should this matter proceed to trial. I recently sent an application to the court with numerous requests. The Honorable Court does not want to entertain those requests nor does it know what to do with them. As I have stated they would not go in my favour, however, they could not be ignored.

There are numerous witnesses, documents, records, exhibits, and so forth that would be required for a trial and this information would have to be entered into evidence. This is one of the main reasons why members of the justice system have set me up. Everyone of you is defending the Children's Aid Society of Simcoe County, the North Bay Police Service and the Barrie Police Service. Everyone is afraid of the information, lies, deceit, conspiracy, collusion, corruption, cover-ups and so on that will be revealed as a result of a trial in this matter.

I will be requesting that this matter be moved to trial and that a new Honorable Justice be assigned to the case.

10-Oct-08- **There is no possible way that with the complexities and dynamics**
10:57am **of the case that the Honorable Justice Wright can render a fair, just,**

Nobody is informing me about what has occurred with

I would greatly appreciate a response from you. I am forwarding a

I DID NOT HIRE YOU TO DO THE SAME THING THAT
MR. STEVEN R. SAGER DID, BUT YOU DID ANYWAY AS THIS

I believe there was a Mr. Perrin in the courtroom on the 09-Oct-08,

Mr. Dunlop,

I am sorry that you feel this way. It is obvious to me that you have lost confidence in me and I will be applying to be removed from the record as your counsel on November 18th. I suggest you try and find a lawyer who will be available on November 18th and apply to Legal Aid for a change of solicitor right away to ensure it is processed in time.

On the September 17th court date, I spent a fair amount of time explaining your options to you and re-iterated them in an e-mail when requested by you. I did speak with you before court on Thursday and again discussed the options. I outlined the risks with respect to each one. I explained that I was willing to argue that the plea be struck, and I advised that you had a good argument on that application. I advised that the risk was that if you were unsuccessful on striking the plea, it was unlikely you would receive a conditional sentence. I also advised that if you were successful on striking the plea, but were convicted at trial, you would be facing a significant jail sentence. I advised you of my opinion as to your chance of success at trial.

I advised that there was no actual agreement with respect to a joint submission on a conditional sentence. MR. GHOSH NEEDED TO GET FINAL APPROVAL FROM HIS SUPERVISOR. I ADVISED THAT MY OPINION WAS THAT MR. GHOSH WAS ACTING IN GOOD FAITH. I DO NOT BELIEVE THE CROWN WAS PLAYING GAMES WITH THE INTENTION OF OBTAINING A BENEFIT FOR HIMSELF. He had been upfront with respect to his position.

With respect to the re-entering of the plea, I received your written instructions to proceed on the basis of the plea that had been entered. **As I explained in court, the Judge was concerned as the plea had not been entered with the advice of counsel.** This would have been the basis for your application to strike the plea. Given our discussions and given your instructions, I believed you understood your options and the implications of your decision. The plea was struck and re-entered with the benefit of counsel before Judge Wright. **These were your instructions, that you would not seek to change the plea and that you wished to continue sentencing. I agree that both of us were caught a little off guard by how things proceeded in court as I believed the matter would simply be**

adjourned directly to the 18th of November, but I took the time to explain what was happening to you. You instructed me to proceed. As for the election, I explained that you did have the right to have the matter heard in either the Ontario Court or the Superior Court. YOUR INSTRUCTIONS WERE TO PROCEED ON THE BASIS OF THE PLEA THAT HAD BEEN ENTERED, AND THAT INCLUDED THAT IT PROCEED BEFORE JUDGE WRIGHT. THE PLEA WAS ENTERED ON THE CHARGE RELATING TO MR. CORBETT AS HE HAD THE LEAST SERIOUS INJURIES.

I DID NOT SET YOU UP. You were aware that I needed a decision from you as to whether you wanted to proceed with the application to strike the plea several weeks ago. You were aware that the time limit on a decision was because of the impending trial date that had not been vacated. **I had materials ready to file with the court on the application to strike the plea in case you decided to proceed with that application.** I understand you had filed materials yourself as well, although I did not receive a copy of these materials. I sought your instructions on how to proceed, and received them. ONCE I RECEIVED THESE INSTRUCTIONS, I ATTENDED THE LAWYER'S LIBRARY AND PREPARED A WRITTEN DOCUMENT OUTLINING THOSE INSTRUCTIONS. I WANTED TO BE SURE THAT YOU UNDERSTOOD THE IMPLICATIONS OF YOUR DECISION. You signed the document indicating that you understood. I provided you a copy of the document.

You have filed materials for the past two court dates. I have not received copies of either of these applications. **INDEED, I WAS MADE AWARE OF THE September 17TH MOTION TO REMOVE ME AS COUNSEL BY THE CROWN, AFTER I HAD BEEN SPEAKING WITH YOU.** You did not even mention it. **On each occasion, I sought your instructions on what to do.** You directed me to abandon these applications, and I did so on your instruction.

As for the two accordion files of documentation, you asked for it back and I gave it to you. It related to prior dealings with the Barrie Children's Aid and a prior charge you had in Barrie. **I EXPLAINED THAT SOME OF THE MATERIAL COULD BE SUBPOENAED AT SOME POINT, BUT MOST WOULD BE OBTAINED THROUGH REQUESTS. I WOULD NOT PRESENT IT IN BULK TO THE JUDGE, AND I WOULD NOT PROVIDE IT TO EITHER THE JUDGE OR THE CROWN UNTIL I KNEW HOW YOU INTENDED TO PROCEED.** IT WAS NOT IN YOUR INTERESTS TO GIVE THIS MATERIAL TO THE OPPOSING SIDE IF YOU INTENDED TO GO TO TRIAL. I ALSO EXPLAINED THAT THE JUDGE

11-Oct-08- **WOULD WANT IT SUMMARIZED AS HE WOULD NOT BE**
9:01:53am **INTERESTED IN READING VOLUMES OF MATERIALS.**

I am not certain exactly what happened with Mr. Sager. I advised you that the Judge had ordered the transcripts of all his proceedings. I advised you to follow up with the Law Society, especially with respect to getting your money back. My understanding from Mr. Sager representations in court was that he was no longer applying to be a paralegal.

As for Mr. Perrin, I believe he was the gentleman who was seated beside me at the counsel table. He was present on another matter and not on your case.

Sincerely,

Saara Wilson

I have requested that Ms. Maiangowi contact you to discuss the current status of my matter prior to me meeting with her. I forwarded Ms. Maiangowi a copy of this e-mail that I am sending to you.

As I have stated in my e-mail to you on the 30-Oct-08, I am not even sure what will be transpiring in court on the 18-Nov-08.

I would greatly appreciate it if you would inform me about the details of your discussion with Ms. Maiangowi.

Please note that I do not travel to Nipissing University on a daily basis to obtain my e-mails. Any correspondence you send may not be received for a period of days.

Mr. Dunlop:

As I indicated in my prior e-mail, I feel you have lost confidence in me and my representation of you. I will therefore be applying to be removed as your counsel of record. You should receive your copy of the application in the next few days.

As to what will transpire on the 18th of November in court, the matter is scheduled for sentencing. You will need to apply to Judge Wright to strike your guilty plea or be prepared to make submissions on the appropriate sentence. I strongly urge you to get new counsel and to apply to Legal Aid to change your lawyer as soon as possible if you have not already done so.

I am not sure what you want to tell the probation officer. With your permission, I can tell the probation officer that we are having a breakdown in our relationship. I cannot get into details about that breakdown. Because of the breakdown in our relationship, I am not comfortable giving you advice on what to tell her yourself.

Sincerely,

Saara Wilson

Subject: Her Majesty the Queen vs. Derek James Dunlop (Information # 0608133)

Dear Premier Dalton McGuinty:

I am writing this letter to you with the utmost concern. Currently, I have a very serious matter that is being heard before the Ontario Court of Justice in Newmarket, Ontario. This matter has involved numerous legalities, complexities and dynamics that are above and beyond the threshold of most cases.

Initially, I retained Mr. Steven R. Sager to represent me in this matter in October 2006. At that time, Mr. Steven R. Sager had his office based out of Markham, Ontario. Mr. Steven R. Sager represented me in this matter from October 2006 until June 2008. During Mr. Steven R. Sager's involvement in this matter, Mr. Steven R. Sager has represented himself to the Honourable Court, the legal community and to me as a qualified lawyer. On June 10th, 2008 it was determined that Mr. Steven R. Sager was in fact a paralegal and not a lawyer. As a result of this discovery, I have been informed that Mr. Steven R. Sager was not at anytime permitted and/or qualified to defend me in this matter. This was due to the fact that the Newmarket Crown Attorney was proceeding by way of indictment.

The actions of Mr. Steven R. Sager are illegal, reprehensible, appalling, dishonest and deceitful. The unethical acts exhibited by Mr. Steven R. Sager are unacceptable and they cast a dark shadow over the entire justice system. Mr. Steven R. Sager should be criminally charged with fraud, theft, forgery and false pretences. Mr. Steven R. Sager has cost my family and me a tremendous amount of money. Mr. Steven R. Sager has jeopardized the integrity of the entire judicial process in this matter. I was already facing an extremely stressful, life altering situation and Mr. Steven R. Sager compounded that stress and uncertainty with his disgraceful actions.

My best interests and my defense in this matter were not attended to by Mr. Sager. Mr. Steven R. Sager intentionally led me astray in this matter. Mr. Steven R. Sager has purposely and intentionally sabotaged this case and my life throughout the course of his involvement in this matter. Mr. Steven R. Sager went to the extent of presenting lies to the Honourable Court during his submissions on June 10th, 2008. The dishonorable acts of Mr. Steven R. Sager left me in an extremely compromising and undesirable position.

Mr. Steven R. Sager advised me **not** to write remorse letters to the victims. On numerous occasions I had asked Mr. Steven R. Sager if I should write remorse letters to the victims. Mr. Steven R. Sager continuously informed me that I did not need to write remorse letters to the victims. On my own volition in January of 2007 (3 months after the accident), I wrote remorse letters to the victims and forwarded copies of those letters to Mr. Steven R. Sager. Mr. Steven R. Sager did not request those letters from me.

From the onset of this matter, I have wanted my case to proceed to trial. I was **never** comfortable with the advice I received from Mr. Steven R. Sager. I informed my family members that I was extremely concerned about Mr. Steven R. Sager's advice. I also informed Mr. Steven R. Sager that I was not comfortable with his advice nor was I satisfied with his handling of my case. Furthermore, the geographical distance factors of Mr. Steven R. Sager's office being located in Markham, Ontario and me residing in North Bay, Ontario, made it very difficult for us to communicate with one another.

I have recorded about 300 pages of documentation in relation to the communications between Mr. Steven R. Sager and myself. All of this documentation is extremely important in this case but it continues to fall upon deaf ears. I have tried to enter these 300 pages of pertinent information into evidence in this matter but to no avail.

On June 10th, 2008 at the Newmarket Courthouse, Ms. Marcy Segal, Barrister & Solicitor based out of Richmond Hill, Ontario was present in the courtroom during my matter. Ms. Marcy Segal was apparently concerned with Mr. Steven R. Sager's submissions to the Honourable Court and Ms. Marcy Segal decided to intervene. Shortly thereafter on June 10th, 2008 it was determined that Mr. Steven R. Sager was a paralegal and not a lawyer. Ms. Marcy Segal ended up acting as Amicus Curaie. I am still unsure of all the legal processes that occurred in court on June 10th, 2008 as they were very complex for me to understand and comprehend. Prior to June 10th, 2008, I had never met Ms. Marcy Segal and I never had had any previous communications with Ms. Marcy Segal.

Mr. Steven R. Sager filed a letter to the Honourable Court dated the June 15, 2008. Mr. Steven R. Sager's letter is littered with numerous outright lies. I have provided you a copy of Mr. Steven R. Sager's letter and my assessment of Mr. Steven R. Sager's letter (Exhibit "B"). I am willing to testify under oath to the contents of my assessment of Mr. Steven R. Sager's letter. On numerous occasions I requested a copy of Mr. Steven R. Sager's letter dated the June 15, 2008 from Ms. Marcy Segal. I finally received a copy of said letter from Ms. Marcy Segal's office on July 30, 2008.

On June 17, 2008, I filed a complaint with the Law Society of Upper Canada in relation to the actions of Mr. Steven R. Sager. Mr. Adrian Greenaway, Investigator at the Law Society of Upper Canada was assigned to my complaint. Mr. Adrian Greenaway informed me that their organization virtually had no recourse in regard to the actions of Mr. Steven R. Sager. Mr. Greenaway informed me that Mr. Steven R. Sager was withdrawing his application to become a paralegal. Mr. Steven R. Sager was already registered as a paralegal with the Law Society of Upper Canada. I do not understand why Mr. Steven R. Sager would be withdrawing his application to become a paralegal if Mr. Steven R. Sager was already a registered with their agency as a paralegal.

As a result of the unenviable and compromising position that Mr. Steven R. Sager intentionally put me in, I was forced into pursuing a legal aid certificate. I had limited options available to me due to my lack of financial resources. I was granted a legal aid certificate by Legal Aid Ontario and selected Ms. Saara Wilson, Barrister and Solicitor based out of Aurora, Ontario to represent me in this matter. Once again, geographical distance issues made the process of just selecting a lawyer extremely difficult.

I have **never** wanted to enter a plea in this matter. In fact, the exact opposite is true. I have wanted this matter to proceed to a trial. I have included a copy of the events that transpired between Mr. Steven R. Sager and myself on March 06, 2008. I have provided a copy of my Will Say Statement dated June 2nd, 2008 and I am willing to testify under oath to its contents (Exhibit "A"). Prior to March 06, 2008, I also felt pressured, forced, entrapped and enticed into entering a plea by Mr. Steven R. Sager. I possess all the necessary documentation to support my claims.

In the best interest of the public, the best interests of the Honourable Court, the best interests of the victims and my best interests, I truly believe that this matter should proceed to trial. I believe that all the above mentioned parties should be made aware of all the occurrences that led up to the accident of October 22, 2006. I truly believe that the Honourable Court should be made aware of all the information of all the events that transpired before the motor vehicle accident and since the motor vehicle accident. I honestly believe that without any of this information that the Honourable Court is unable to make an informed, fair and just decision in this matter.

I am unable to speak on behalf of the victims, however, I am of the firm belief that the victims should have the right to be made aware of all of the events and information that happened prior to the motor vehicle accident. In addition, the victims should also be informed about all the occurrences that have transpired since the motor vehicle accident.

I possess approximately 600 pages of documentation in relation to occurrences that happened prior to the motor vehicle accident of October 22, 2006. This documentation is extremely relevant to this matter. I have made efforts to have this documentation entered into evidence in this matter but to no avail.

The fundamental principles of justice for everyone involved will not be met should this case not proceed to a trial. Furthermore, I believe that there will be a miscarriage of justice for everyone who is associated with this case if a trial does not occur.

I just want to be treated fairly, just and with respect. My rights and my defense have been violated and compromised by Mr. Steven R. Sager and other people who continue to purposely sabotage this matter. The intent and actions of those involved have been calculated in order to provide me with the worst possible options. Members of the judicial system are afraid of the truth surfacing and the system is not willing to acknowledge the truth of the occurrences, events, and happenings prior to the accident.

As a result of the lack of attention to my best interests and to my defense by both Mr. Steven R. Sager and Ms. Saara Wilson I have unfortunately on my own accord submitted applications to the Honourable Court in this matter. I have included a copy of my most recent application to the Honourable Court dated October 1st, 2008. This application appears to have fallen upon deaf ears.

Since August 12, 2008, Ms. Saara Wilson has represented me in this matter. Ms. Saara Wilson has not responded to many of my communications. Ms. Saara Wilson appears to have had virtually no intentions of assisting me. I provided a copy of my 600 pages of documentation to Ms. Saara Wilson and asked her to submit this into evidence but Ms. Saara Wilson was not willing to do so. I have also asked and instructed Ms. Saara Wilson to acquire documentation from many parties that would be relevant in this matter. I have provided each of you a copy of those requests (Exhibit "C"). Ms. Saara Wilson has expressed no interest in obtaining the information that I asked Ms. Saara Wilson to acquire from all the parties listed in Exhibit "C."

On September 17, 2008 at the Newmarket Courthouse, Ms. Saara Wilson had informed me outside the courtroom that I had a couple of options available to me. Ms. Saara Wilson had informed me that if I agreed to enter a plea than the acting Newmarket Crown Attorney, Mr. Amit Ghosh was willing to proceed with joint submissions to the Honourable Court advocating for a Conditional Sentence Order in this matter. Ms. Saara Wilson advised me that Mr. Amit Ghosh needed to receive final approval from Senior Crown Attorney, Mr. Tait to proceed with joint submissions advocating for a Conditional Sentence Order. Ms. Saara Wilson further explained that the punishment may end up being a Conditional Sentence Order, however, the Honourable Justice Peter Wright could supersede the joint submissions that Ms. Wilson and Mr. Ghosh presented to the Honourable Court.

This offer had been on the table for months but Mr. Amit Ghosh had never received final approval from Mr. Tait. Ms. Marcy Segal also informed me that Ms. Segal had had discussions with Mr. Amit Ghosh and Mr. Ghosh would be willing to proceed with joint submissions to the Honourable Court advocating for a Conditional Sentence Order. Ms. Segal informed me that this would be contingent on Mr. Ghosh receiving final approval from Mr. Tait. This approval from Mr. Tait has **never** come to fruition.

On September 17th, 2008 at the Newmarket Courthouse, Ms. Saara Wilson informed me outside the courtroom that my other option was to have an application filed with the Honourable Court to have the plea that was entered into the court record on March 6th, 2008 struck from the court record. Ms. Saara Wilson stated that if the Honourable Justice Peter Wright agreed to strike the plea from the record than the matter would proceed to trial, however, if found guilty at trial that the Newmarket Crown Attorney would be seeking a punishment of custodial jail time.

On October 9th, 2008, I proceeded to the Honourable Court in Newmarket, Ontario wanting to have the application that I filed with the court on October 1st, 2008 to be heard. I know that the Honourable Court does not want to assess the contents of my application. Ms. Saara Wilson and I had had very limited contact since my last court date of the September 17th, 2008.

Upon having no verbal and no face-to-face contact with Ms. Saara Wilson since September 17, 2008, Ms. Saara Wilson and I finally had verbal contact on October 9, 2008 outside Courtroom #303 at the Newmarket Courthouse. This verbal contact occurred approximately 45 minutes to 1 hour prior to entering court. I informed Ms. Saara Wilson that I had filed an application with the court. At that time, Ms. Saara Wilson asked me what we were doing. Once again, I am put on the spot to make a decision without having confirmation that the Newmarket Crown Attorney is willing to proceed with joint submissions advocating for a Conditional Sentence Order.

I felt that I virtually had no options and that I was being railroaded and backed into a corner. Once again, I felt that I had no alternatives. I did not want to enter a plea but I felt pressured, forced, entrapped and enticed to do so. Ms. Saara Wilson enticed and entrapped me into a similar scenario that Mr. Steven R. Sager had conducted on March 06, 2008. Both of the patterns are absolutely disgraceful.

On October 9th, 2008 outside the courtroom Ms. Saara Wilson had me sign a letter on the spur of the moment without any prior notification from Ms. Saara Wilson that Ms. Saara Wilson would be requiring or requesting me to do so. Ms. Saara Wilson must have drafted this letter shortly after our brief verbal contact on October 9th, 2008. I am not in agreement with that letter or the contents of the letter dated October 9th, 2008.

Prior to entering the courtroom at the Newmarket Courthouse on October 9th, 2008 Ms. Wilson never informed me that I would be required to re-enter a plea in court at that time. Once again, I am put on the spot in the body of the courtroom to make a decision about this issue without being notified by my attorney, Ms. Wilson that this was going to happen. As a result, I did not make this decision voluntary as I have been pressured by members of the judicial system to enter a plea in this case. I also did not make these decisions on my own free will. I did so under a lot of duress, stress and pressure.

I will be requesting that the plea entered into the Honourable Court record on October 9th, 2008 be struck from the court record. I will also be requesting that the mode elected by Ms. Saara Wilson for sentencing/trial that was entered into the Honourable Court record on October 9th, 2008 be struck from the court record.

I maintain that I have wanted a trial in this matter. I have never wanted to enter a plea. I did not want to elect the mode of trial/sentencing that Ms. Saara Wilson elected for me on October 9th, 2008. This was the same mode of trial that Mr. Steven R. Sager suggested I elect on March 6th, 2008. At that time, I did not want to elect that mode either. I am not in agreement with either election. **I did not hire Ms. Saara Wilson to do virtually the same thing that Mr. Steven R. Sager did.**

The bottom line is that people involved with this matter do not have the courage to admit to their lies. Each person that becomes involved with this matter intentionally wants to destroy my life. It is a shame that nobody can be honest. This debacle continues to grow as each person who comes in contact with this matter feels the need to lie. They will do anything to protect the system and cover-up the truth. Nobody wants to listen to me because they are all afraid of the truth. Nobody is going to tell the truth as they are all into deep and admitting to their lies would jeopardize their professions, their livelihood and the integrity of the justice system. The only way for the entire truth to possibly be heard is to have every person associated with this case subpoenaed and ordered to testify under oath.

Due to the collaborative and colluded efforts of members of the judicial system and the occurrences that transpired at the Newmarket Courthouse on October 9th, 2008, I now have no option of a trial. Furthermore, I have no recourse should I not agree with the Honourable Justice Peter Wright's decision upon sentencing on November 18, 2008. These intentional acts by all involved are pre-judicial to my best interests. It is a shame that everyone involved has pre-meditated these calculated acts behind the scenes.

Owing to all the circumstances, I truly believe that the presiding Honourable Justice Peter Wright may not be able to make an informed, non-bias, impartial judgment upon sentencing. This is due to all of the complexities and dynamics in this matter and the fact that Honourable Justice Peter Wright's mind may not be free from all occurrences in this matter. Furthermore, I believe that the Honourable Court does not possess all of the information that it requires to make a fair, just and adequate decision in this matter.

I would greatly appreciate it if you could thoroughly investigate, inquire and assess all aspects of this matter to the fullest extent. I hope that every effort is made to treat this with the highest degree of professionalism as it is of grave importance to everyone involved. This matter would appear to have a legal setting precedent.

I have been confronted with numerous injustices in relation to this case. People continue to discredit, discount and dismiss the information that I present. I hope that somebody listens to me. These allegations that I am making are extremely serious in nature, but they are factual. I do not possess the necessary power to battle the entire justice system, however, I am of the firm belief that it is essential that somebody acknowledge my assertions.

I realize that there is an abundance of information to digest in this letter. I have tried to the best of my abilities to be as succinct as possible. In addition, I have tried to outline the information in chronological order.

I hope that somebody with the authority can make a determination to vacate the sentencing date of November 18, 2008. Furthermore, I hope that a governing body will intervene and order a trial in this matter.

Your acknowledgement to my letter is paramount. Please feel free to contact me at (705) 495-6377 or e-mail me at derekdunlop12@hotmail.com. I hope to hear from you about my requests whether something can or can not be done.

Any assistance, help and honesty that you are able to provide is greatly appreciated.

Thank you for your attention and kind consideration.

Yours truly,

Dear Mr. Dunlop:

Enclosed, please find a copy of the application to remove me as your counsel of record. I think it is clear from the tone and content of your e-mails and formal complaints that you have lost confidence in me.

As I have indicated in my e-mails, I strongly urge you to obtain new counsel. An application must be made to Legal Aid to transfer the certificate to a new lawyer. This may take some time, so apply immediately if you have not already done so.

You have queried what will occur on the next court date. What occurs will be the decision of the Judge. The matter is scheduled for sentencing. You should be prepared to proceed on that basis. If you wish to bring any applications to strike the plea, I suggest speaking with counsel to assist you. Again, given your positions, I cannot assist you with that application.

Sincerely,

Saara Wilson

Dear Ms. Wilson:

You will notice that I have forwarded you a copy of the e-mail that I sent to Ms. Patricia Mainagowi, Probation & Parole Officer (North Bay). I have requested that Ms. Maiangowi contact you to discuss the current status of my matter prior to me meeting with her. I forwarded Ms. Maiangowi a copy of this e-mail that I am sending to you.

As I have stated in my e-mail to you on the 30-Oct-08, I am not even sure what will be transpiring in court on the 18-Nov-08.

I would greatly appreciate it if you would inform me about the details of your discussion with Ms. Maiangowi.

Please note that I do not travel to Nipissing University on a daily basis to obtain my e-mails. Any correspondence you send may not be received for a period of days.

Thank you for your attention to this information.

12:56pm I contacted Saara Wilson and she said that she is sending an application of her removal record by registered mail and I should receive it tomorrow or Monday. I informed Ms. Wilson that I left worker at legal aid a message but had not spoke to anybody. I also informed her that I had left a message with probation but had not spoke to anybody. I asked Saara Wilson if she was going to be in court and she stated that she would. She suggested that I have somebody in court to represent me.

Dear Ms. Wilson:

If you could contact Lisa at the Legal Aid Office in North Bay and inform her what is happening that would be appreciated.

Lisa left me a message yesterday and apparently in a situation such as this you are to inform them and forward them a copy of the application and affidavit requesting your removal from the record.

Please let me know if you are following up.

Thank you.

15-Nov-08

Dear Ms. Wilson:

I requested that the Legal Aid Office fax you a copy of their letter dated the 13-Nov-08 that I was instructed to pick up yesterday the 14-Nov-08. I left you a voice mail but I did not hear that you received this.

I have made contact with some lawyers but I have not heard from any of them. So I am assuming that due to time constraints that I will not have representation for the 18-Nov-08.

Thank you for your attention to this information.

Dear Ms. Wilson:

At this moment, I do not have representation and would have to assume that I will not acquire a lawyer by tomorrow. Due to the complexities of this matter I would have to think that it would only make sense to have a lawyer in place prior to sentencing. I hope that sentencing is put over until I do have adequate, sufficient, honest and expert representation.

Please call me if you have not already done so.

Thanks

Dear Ms. Wilson:

I would greatly appreciate it if you could please inform what transpired yesterday in court. I am in the process of trying to obtain another lawyer and I need to know where things are currently at.

Could you please inform me of the next court date, time and room in this matter as I need this to inform my new lawyer, otherwise I will not be able to coordinate times with the new lawyer.

I am assuming you are also still on record as your application would have not been heard.

I left you a telephone message earlier today pertaining to the same information.

Thanks

The next court appearance is Tuesday, November 25th, at 9:30am in 106 court. The matter is set "to be spoken to" (and not for sentencing). Judge Wright was not available yesterday, so nothing of substance occurred in court. On Tuesday, we will likely address the issue of my application to be removed from the record.
