YOUTON CORDE

- Meeting with Director of Human Resources, GARY PERDUE + Director of Services, Susan Cormichael

Gary Perdue provides me with a business card for the Employee Assistance Program. Gary states that I must be going through a stressful time. Gary informs me that he has received some serious allegations in reference to some alleged harassment primarily in relation to MARCIA MALVISO. Gary stated that I obviously must know because the police have laid charges against me in relation to this. Gary stated that he wanted to know my own impressions of what I may have done to contribute to those allegations. I stated that I was in the process of obtaining a lawyer and I was not at liberty to say anything at this time. I said that I want to tell my side of what happened but not at this time. Gary stated that just so I know the allegations were about pushing holes in walls, banging on windows, making threats at the office - stating it is going to be all over for you, yelling at someone from a car window. Gary stated that since C.A.S. is currently conducting an investigation and without me providing them information that they may have to make decisions on their own. Gary brought up the Math Bay matter. Gary stated that at the time about how difficult it was for the agency to make decisions about my employment with ~~with~~ ^{ss} status with the agency. I said that this entire situation was bigger than people realize. I did also say that this whole thing is unfortunate and I feel that I have to apologize. Susan Cormichael stated that Derek you do realize that since I have not provided them with information that the agency will have to make decisions on their own. Gary Perdue jumped in and said "my have to."

I did ask about the provision that he stipulated in his letter that I could not have contact with the employees as I had social relationships with people in the organization. Guy advised me not to associate with people until he completes their investigation. Susan Emanuel also asked me if I had my computer at home as she said that she had walked by my desk and she did not see it. I said it is not at home and that I had left it on my desk in my car.

Gary tells me that on the basis of his investigation - Gary asks me to read the letter. I read the letter. I asked Gary if he conducted this internal investigation on his own. Gary replies "yes." I also asked Gary that those were allegations of both workplace and sexual harassment. Gary replies "yes." (THE SEXUAL HARASSMENT IS A BRAND NEW ALLEGATION. - I HAVE PREVIOUSLY HEARD NOTHING ABOUT THIS.) Gary states that as of tomorrow I will not be employed with CBS. Gary stated that he gave me the ID card and that he will keep that open for me to use for the next couple of weeks, however, access to anything else will be not be accessible. Mike and I discuss how I will get my belongings. I suggest a police agent or somebody gather my personal belongings. Mike said whatever is easier for me. Mike jokes about being accommodating to me unless I ask to meet him in Hawaii or something to get my belongings. Gary then states that he does not believe in lying to an agency and that he is going to have to send out an e-mail to the entire agency stating something to the effect that an investigation has been

conducted in relation to DEREK DUNN and he will not be returning to the agency. Bay asks if I can think of a better way of phrasing. I paused for about 10 seconds and I said that this is something you need to decide and not something that I going to make a suggestion about. I informed Bay that this entire thing is huge and has to be going on for a long time. I said that I want to talk but not without legal advice. I said to Bay I have to apologize on behalf of others because they have no remorse. Mike asks if I have any of their property. Mike asks about my I.D. and I said Oh yeah I never even thought about that. I will give Mike my I.D. when I get my belongings. Bay asks about my computer again as Susan Combs did during the meeting on the 18-MAY-06. I said my computer was left on my desk. Bay also mentions the COBURN baseball tournament this weekend that we both participate in. Bay said that he does not have to go and that he knows I have a social network with some of the employees. Bay said that if I wanted to go that I could. Bay stated that his dad was ill. I informed Bay that I would not be going and that he could go to the tournament. I asked Bay to inform CATMY ELSER that I would not be going to the tournament. Bay said that he would. Bay asked me if there was anything else I could think of at this time and I said, "No." There was some silence. I said to them both that this was awkward and that I was going to leave. They both seemed okay with that. I shook both of their hands. Bay wished me good luck.

- Mike Dupuis had returned my message from earlier this morning that I had left him in relation to picking up my personal belongings. Mike offered to drive my belongings from work to my house. Mike and I arranged a time of 2:00 PM for Mike to bring the belongings to my house. Mike stated there were 3 boxes. - Mike asked if I had the leather case that my computer goes in and I said "yes." I said I will have that and my C.A.S. IDENTIFICATION for him.

* I asked Mike if everything got straightened out with my computer. Mike said "yes." Mike said that he was not sure what Susan (SUSAN CORNICKHOSE) was talking about as my computer was on my desk. Mike stated that there must have been something on top of it and Susan may have not noticed it when she had walked by my desk last week.
