Todd Hunter called me at home and I answered.  
Mania Anselmo was present at my home as she was  
over having a BIL-B-OUT. Todd and I talked for  
about 30 minutes catching up on our lives and other  
family lives. There was no discussion about the  
case of mine with his brother. Todd did not  
bring this topic up and neither did I. Mania  
overheard my conversation with Mr. Todd Hunter.

I asked Todd if we were going to Heather Steele's place in Toronto. Todd said yes that we were. I asked who's married and Todd said yes she is married with 1 girl. I said that you had said Mike was getting married. Todd paused and said did I tell you that. I said yeah it must have been him because I had not talked to anybody else about that. Todd said Oh I better let Mike tell you about that. Todd informed me that he had talked to Fran Davidson and that he could not make it. Todd said that he also talked to Sheridan and that he was going camping or something and he was not going to be there. Todd said he did not know who was all going to be there but it would be fun. I asked Todd if he was planning on going down during the day or Saturday. Todd said that he had not really thought about it but he was going to Saturday at some point but not too early. Todd said that he did not want to be there too early.
