Sr. discussed with me some of his health issues as I had asked him how he was doing. I said that I hated to bother him but I asked him if he had talked to Mary (Mary Hall). Victor Matanovic Sr. stated "no," that he had not spoke to Mary Hall. I said that I appreciate everything that she is doing for me but I was concerned that she had not returned 4 of my calls since the 24-Jul-05(06). I said that she then called me on the 22-Aug-05(06) the day before my court date on the 23-Aug-05(06). suit was at. I said that it was at the negotiation stage. I said that I was not at liberty to talk about it. Vic Sr. stated oh well you don't need to tell me then. (I decided to play along if Vic Sr. was in on it). I said nothing has been signed as of yet and it basically would work out to be a month per years service. Vic Sr. asked how long I had worked there. I said well as far as my pension I have been there about 6 ½ with a break in service when I went to work as a Probation Officer. I said but I only had been back for 4 years. Vic Sr. stated that when he left the force that they implemented a new policy when he left. He stated that he had to decide whether to go to court for a few years or leave it alone. He ended up accepting what he was offered and did not pursue the case with a civil suit. Vic Sr. stated that he decided to move forward. I stated that was the decision I was at. I had to decide whether to take what they offered me or pursue a suit. I stated that I would have to spend 30-40 thousand and if I do not win I may have to pay half of CAS's bill in the end. I stated that I have started looking at the notes that I had written last year and there was 100's of coincidences. I said that is the area that I could pursue punitively. Vic Sr. stated it will eat at you. I said yeah it already has. **Vic Sr. stated that he would forward Mary an e-mail attachment with the work he did when the police framed me last year. Vic Sr. stated that he would call Mary tomorrow morning and get back to me.**

29-Aug-06- Victor Matanovic Sr. called to inform that he would have called me back

Vic Matanovic Sr. stated that their voice-mail did not say that they were on holidays or anything. Vic Sr. said that it just said that you have reached George Marron and Mary Hall. I asked Vic. Sr. how he was doing. Vic Sr. discussed some of his health issues with me. Vic Sr. asked me how I was doing. I said I am all right. I asked him if had told Vic (Vic Jr.) about his health issues. Vic Sr. had said he did as he had spoke to him Sunday evening. (\*\*\*)Very important as I am wondering if Vic Sr. had spoke to Vic Jr. and asked him to call me instead of Vic Sr. having to call himself.) Vic Sr. stated that it was odd that Vic Jr. did not call him back as it was Linda that had left two message. Vic Matanovic Sr. stated that at one point that he would to hear from her (Mary Hall) and hopefully she would call back. I said that if not I would have to call her myself but if he heard from her first I would appreciate it if he called me. Vic Sr. stated that he would call me around 9:00 tomorrow.

30-Aug-06- 2:37pm Derek, Vic yeah I tried to call you earlier and uh unfortunately your phone kept ringing and no message. So I am leaving you a message now and the answer is "no." 02-Sep-06-  
10:24am

I called Victor Matanovic Sr. and got him on his business line. Vic Sr. stated that he had not heard from Mary (Hall) and that the only thing that he could think of was that maybe she was on holidays. (\*\*\*) **Nice cover if this is a cover- it would be interesting to find out.**) I stated that she has not called me back either and I have a pre-trial scheduled for the 07<sup>th</sup> of Sep. Vic Sr. suggested that I call her Monday evening. Vic Sr. asked how I was doing. I said okay. Vic Sr. asked about my civil case and I said it is still at the point where I have to make a decision to accept their offer or proceed to a civil suit. I said that she said that I could have two years to launch a suit but that will be hanging over my head for that long. Vic Sr. asked about job prospects for myself and I said that I probably would be starting a job with Walmart stocking shelves over night pretty soon. Vic Sr. also discussed the fact of not knowing is hard in relation to my criminal matter. Vic Sr. also said that it might be the fact that ever contact for a lawyer is billable hours. Vic Sr. stated that Mary (Mary Hall) can't really discuss anything with him because of lawyer-client privilege. I asked Vic Sr. about somebody testifying in a civil case whether they could testify differently in a criminal case. Vic Sr. stated that a transcript from one to the other could be used.

12-Sep-06- 7:19pm I left Vic Matanovic Sr. a message stating that I am considering going public with this entire situation. I asked him if he could get back to me with any advice whether it was positive or negative. I informed him that I left Mary (Mary Hall) a message in relation to the same. I asked him to get back to me at his earliest convenience.

14-Sep-06- 8:53pm I left Vic Sr. a message to inform him that a had a binder of documents missing of mine and that it was either my roommate or somebody else who had access to my house. I said I know that I can not contact the police as they would just laugh at me and they would not be willing to help me out anyway. I said that I was wondering if he had any advice for me.

14-Sep-06- 9:15pm I called Vic Sr. back to inform him to disregard the first message as I had figured out that I had switched things around. I said that those notes were my life line and that I apologize for calling him.

15-Sep-06- 11:53am I returned Vic Matanovic Sr's call. I explained to him that I out thought myself last night. I said that I had put my notes in a different place. Vic Sr. asked about my court case. I asked him which one. He said the criminal one. I said that is was scheduled for a pre-trial in relation to section 625.1 (1) of the Criminal Code. I said Mary had informed me that it was a pre-trial in front of the judge. Mary said that there would possibly be a settlement or this would go to trial. Vic asked what kind of settlement. I said I was not sure but that Mary had said that Maria was apparently digging her heels in. Mary said that she hoped that Maria would do the right thing. I said that Mary said that this could be embarrassing for me as well as C. A. S. Vic Sr. stated that if the police were going to lay other charges that they probably would have done so by now. I asked him if he thought that they were looking into other charges. Vic said that he did not think that there was anything to suggest that. Vic Sr. asked about my notes that I had given him and the police. He asked if I given the police the original copies. **I said that they had photocopied the originals and given me back the originals. I said it was interesting though as they had specifically taken out certain notes and replaced them with the photocopies.** I explained to him about the situation of a police officer's wife working at CAS. Vic Sr. stated that the only thing he could think of was that they (the notes) weren't that day. Vic Sr. asked about my civil case and I said that it was still me deciding to settle and I guess I was going to settle. I asked Vic Sr. how he was doing. He said he was okay but that he was still working like crazy. Vic stated to take care and I told him to take care.
