I called Victor Matanovic Sr. on his home line. at first I could barely hear. Vic Sr. for the first few sentences. I am wondering if he was setting up some recording device (?). Vic Sr. stated that he had seen my message that I had called and that he was going to return ~~off~~ my call tomorrow from work. Vic Sr. discussed with me some of his health issues as I had asked him how he was doing. I said that I hated to bother him but I asked him if he had talked to Mary (Mary Hall). Victor Matanovic Sr. stated "NO," that he had NOT spoke to Mary Hall. I said that I appreciate everything that she is doing for me but I was concerned that she had not returned 4 of my calls since the 24-JUL-05. I said that she then called me on the 22-AUG-05 the day before my court date on the 23-AUG-05. I said that Mary Hall had told me that she wanted to meet and review disclosure before court on the 23-AUG-05 and that did not happen. I said that she wanted to contact my civil lawyer and that has not happened. I said that I have not had direct contact with her since prior to my court date on July 12TH. I said that she had left me a voice-message ~~wating~~ ^{wating} me to put cheques in the mail. I said I don't know about you but I do not put cheques of large amounts money in the mail. I said I like to put them from one hand to another. I said that I need somebody who works with due diligence. Vic Sr. stated that he would call Mary tomorrow. Vic Sr. stated that Mary is usually pretty efficient. Vic Sr. stated that he had helped her before in the past with providing information to her as a Crown. Vic Sr. stated that she has also been a defense attorney as well. Vic Sr. stated that he knew that she had had the cataract surgery as well. I said yeah I knew that she had that as well. out case at. I said that it was at the negotiation stage. I said that I was not at liberty to talk about it. Vic Sr. stated ok well you don't need to tell me then. (I DECIDED TO PAY ALONG IF VIC SR. WMS IN ON IT). I said nothing has been signed as of yet and it basically would work out to be a month per years service. Vic Sr. asked how long I had worked there. I said well as far as my person I have been there about 6 1/2 with a break in service when I went to work as a ~~prob~~ Probation Officer. I said that I only had been back for 4 years. Vic Sr. stated that when he left the force that they implemented a new policy when he left. He stated that he had to decide whether to go to court for a few years or to leave it alone. He ended up accepting what he was offered and did not pursue the case with a lawsuit. ~~the day~~ Vic Sr. stated that he decided to move forward. I stated that ~~they~~ was the decision I was at. I had to decide whether to take what they offered me or pursue a suit. I stated that I would have to spend 30-40 thousand and if I do not win I may have to pay half of CMS's bill in the end. I stated that I have started looking at the notes that I had written last year and there was 100's of coincidences. I said that is the area that I could pursue punitively. Vic Sr. stated it will cost at you. I said yeah it already has. Vic Sr. stated that he would forward Mary ~~with~~ an e-mail attachment with the value he did when the police ~~found~~ found me last year. Vic Sr. stated that he would call Mary tomorrow morning and get back to me.

Victor Matanovic Sr. called to inform that he would have called me back last night but that he had left Mary (MARY MAU) a message and that she has not returned his call as of yet. Vic Matanovic Sr. stated that their voice-mail did not say that they were on holidays or anything. Vic Sr. said that it just said that you have reached George Maunon and Mary Hall. I asked Vic Sr. how he was doing. Vic Sr. discussed some of his health issues with me. Vic Sr. asked me how I was doing. I said I am ~~do~~ all right. I asked him if he had told Vic (VIC SR.) about his health issues. Vic Sr. had said he did as he had spoke to him Sunday evening. (XXX - VERY IMPORTANT AS I AM WONDERING IF VIC SR. had spoke to VIC SR. and asked him to call me instead of VIC SR. being to call herself.) Vic Sr. stated that it was odd that Vic SR. did not call him back as it was Linda that had left two messages. Vic Matanovic Sr. stated that at one point that he would like to hear from her (MARY MAU) and hopefully she would call back. I said that if not I would have to call her myself but if he heard from her first I would appreciate it if he called me. Vic Sr. stated that he would call me around 9:00 tomorrow.

I called Victor Matanovic Sr. and got him on his business line. Vic Sr. stated that he had not heard from MARY (NAME) and that the only thing that he could think of was that maybe she was on holiday. (XXX-NICE COVER IF THIS IS A COVER - IT WOULD BE INTERESTING TO FIND OUT.). I stated that she has not called me back either and I have a pre-trial scheduled for the 07TH of Sep. Vic Sr. suggested that I call her ~~again~~ Monday evening. Vic Sr. asked how I was doing. I said okay. Vic Sr. asked about my civil case and I said it is still at the point where I have to make a decision to accept their offer or proceed to a civil suit. I said that she said that I could have two years to launch a suit but that will be brought over my head for that long. Vic Sr. asked about job prospects for myself and I said that so I probably would be starting a job with Walmart stocking shelves over night pretty soon. Vic Sr. also discussed the fact of not knowing is bad in relation to my criminal matter. ~~He~~ VIC SR. also said that it might be the fact that ever content for a lawyer is billable hours. Vic Sr. stated that Mary (MATANOVIC) can't really discuss anything with him because of lawyer-client privilege. I asked Vic Sr. about somebody testifying in a civil case whether they could testify differently in a criminal case. Vic Sr. stated that a transcript from one to the other ~~might~~ could be used.

I left Vic Sr. a message to inform him that a bundle of documents missing of mine and that it was either my roommate or somebody else who had access to my house. I said I knew that I can not contact the police as they would just laugh at me and they would not be willing to help me out anyway. I said that I was wondering if he had any advice for me.

I returned Vic Matanovic Sr.'s call. I explained to him that I had thought myself last night. I said that I had put my notes in a different place. Vic Sr. asked about my court case. I asked him which one. He said the criminal one. I said that it was scheduled for a pre-trial in relation to section 605-1(1) of the Criminal Code. I said May had informed me that it was a pre-trial in front of the judge. May said that there would probably be a settlement or this would go to trial. Vic asked what kind of settlement. I said I was not sure but that May had said that Maria was apparently digging her heels in. May said that she hoped that Maria would do the right thing. I said that May said that this could be embarrassing for me as well as C.A.S. Vic Sr. stated that if the police were going to lay other charges that they probably would have done so by now. I asked him if he thought that they were looking into other charges. Vic said that he did not think that there was anything to suggest that. Vic Sr. asked about my notes that I had given him and the police. He asked if I gave the police the original copies. I said that they had photocopied the originals and given me back the originals. I said it was interesting though as they had specifically taken out certain notes and replaced them with the photocopies. I explained to him about the situation of a police officer's wife walking at CAS. Vic Sr. stated that the only thing he could think of now that they (the notes) weren't that day. Vic Sr. asked about my civil case and I said that it was still undecided to settle and I guess I was going to settle. I asked Vic Sr. how he was doing. He said he was okay but that he was still walking like crazy. Vic Sr. stated to take care and I told him to take care.
