I spoke to JASON KOSMANTOS about the collusion, cover-up and corruption that I have experienced throughout the past 6-7 years. I notified him about two police officers in North Bay in the 2000s taking liberties with me and assaulting me. He found him about how the police vehicles were parked side-by-side at downtown North Bay basically taking up 1/2 lanes of the two lanes. I told him that I was outside a pizza joint and that there was another pizza joint across the street with about 100 people standing outside. I notified Jason that I was with two friends one of whom got a ride home with acquaintances he knew and that he lived at the other end of town. I said that my other friend and I lived at the same end of town but that we had been separated. I said that my car was parked in a parking lot and I was going to get something from my car but I couldn't remember what. I said that the cops were kind of intimidating me and I sort of took in between the two vehicles and I drove off to the one cop who opened his driver side door and pinned me up against the cruiser on the other side. I said that I then went to walk to the back of the cruiser and the officer leaped onto my back and neck and brought me to the ground while the other officer came out from the cruiser. I informed Jason that the one officer had notified me that I was going to be arrested for intoxicated in a public place. I informed Jason that the two police officers began to beat and assault me on the ground for what I believe to be about 3-4 minutes. I told Jason that I kept asking the cops what they were doing and that they just kept beating me. I said that they had got me up and had me face first on the back of the cruiser with each cop on each wrist respectively. I said that each cop was wrenching on each one of my wrists almost to the point where I felt like they were almost breaking them. I said he found that I kept telling the police to put the cuffs on. I said that I also kept telling myself not to hit these guys (the cops). I said eventually that my shoulders were going and that I started each cop of each arm could throw both of them to the ground. I said that I took off down the sidewalk or street in North Bay when one of the officers caught up to me and cut me off. I said that the pepper sprayed me twice. I said that the two officers fabricated charges against me and charged me with Cause a Disturbance and Escape from Police Custody. I informed him that my lawyer at the time told me that I was not under a lawful arrest. I went on to explain to Jason that my defense lawyer was a former Crown Attorney in North Bay.

13-SEP-12

10:10AM

I said that my lawyer was in collusion with Crown Attorney Paul Joseph. I said that my lawyer and the Crown tried to get me to sign a guilty plea for 9 months and dragged my matter through the court. I said that I knew that the officers would have to pay for themselves if they want to trial. I told Jason about the CVD pictures of mine and the police pictures of my injuries that my lawyer had. I said that I have been trying to get my CVD of pictures back from my lawyer but he won't give them back or he doesn't probably have them any longer. I told Jason that I played football with one of the officer's younger brothers. I said that I never met the police officer in my life except for the two incidents I was had with him for about a total of 15 minutes of my life. Jason asked me if I had tried to contact the younger brother. I said I had tried to but was unsuccessful. I said that back in Dec when I was released on my own recognizance it was ironic that the officer's younger brother was calling me out of the blue asking me if I had been drinking lately (meaning drinking alcohol) as this was one of the conditions of my recognizance not to drink. I told Jason that his younger brother was ever trying to convince me to attend parties but that I always had something else to do. I said that I had documented these conversations. I informed Jason about my injuries causing bodily harm. Jason asked me about whether I had insurance at the time or not, and he said they must have sued my insurance company. I said that I would have to have assumed that they sued my insurance company. I informed that I had a New Yorker. He asked that book who it belonged to. I said that I had numerous family issues and I was not sure exactly what insurance I had on my Honda Civic at the time. I informed him that it was a 2007. I informed him that something else must have happened in the accident and that they may attempt to charge me with Impaired Driving Death or Criminal Negligence Causing Death. I said that there was collusion amongst the judge, Crown Attorney and my lawyer in this matter. I told Jason that there was evidence against the judge and in one case I was told the Crown and judge set up the judge denied his involvement and was misperformed the Standard against him. I told Jason that I got the Standard my court appearances and the dates corrected in November 2009 and that the Crown or the judge had indicated that the Impaired Driving Death was withdrawn. I discussed with Jason the fact of a consent about that day at the end of the day was at the North Bay and that he made up another story against me. I said that I began questioning myself as to the off. duty officer and that I would have normally. Jason asked me what I had said. I told Jason that he did not know my name and that they must not teach him names in England. I told Jason that the officer said I punched him in the chin but did not know a word. I told Jason that the only word I thought of was a quack and I was not sure. I said that I was not sure if I could be convicted if he had had a gun. I mentioned that the accident I told Jason about involved a 2007 Honda Civic and a 2007 Honda Civic. I said that the car had been about the time that the Honda Civic was involved in the accident.

ABOUT
4:55PM

I gave Jason Kostantos my six letters starting with the 23-page letter dated the 18-AUG-09. Jason was given these letters prior to lockdown at about 7:00PM. (14-SEP-12)

Just before 5:00PM Jason began to speak to me about the. Jason said that he had read the first letter. Jason said the one to the newspaper the Golden Nugget. I said no the nugget. Jason said he was not here reading and wondered if he could keep them over night and finish them. I said sure. Jason asked if I thought that the lawyer who represented me in my driving matter was a lawyer. I informed Jason that I thought that he was a lawyer. Jason said that as I did not know he was a paralegal. I said no. Jason asked me how I came to know him. Jason asked me if I was referred to him. I said no. I said I was going through the upper Canada mall and I noticed a number on a computer screen I said that I met him about 6 days before I got in my accident. I said that because I was released to my security, I just ended up retaining him. Jason went onto explain about how he got screwed by a paralegal - Jason also had some explicit (SCRIBED) QUESTIONS. Jason asked me if Maria was the one who I was charged with Criminal Harassment with. Then Jason asked me if I had threatened her. I said that I had never threatened her, meaning Maria. Jason said to me that I must just want to get out (meaning get out of jail). I said no that I want to take this to trial. I again re-iterated to Jason that if I plea to this that that is what they want. I said if I trouble to them now or this it will give them leverage in a lot of other respects. Jason asked me if Shannon was the same one who called the explosives disposal unit and I said yes. At one point during our conversation Jason informed me that he used to be a private investigator. I asked Jason if he still was a private investigator and he said no. Jason said that I needed to get some legal representation. Jason asked me if I was still holding those out meaning the letters that I had given him to read. Jason asked me what was happening at court next Tuesday. I said I was not sure. I said there could be more charges I was not sure. Jason asked me whose court was and asked if it was Beane. I said no it was Collingwood, Ontario. Jason that Collingwood... Beanie it was all the same to him. Jason said it was not like it was some big court or something. Jason asked about my document that went missing at court while

during a recess. I said yeah it was a complaint about the Crown
in that matter. I explained to Jason about the Crown, my lawyer, the
judge, the court reporter and so forth having to get together to re-construct
the court proceedings of 09-OCT-08. I said that they would have had to
destroy the original tape and re-create a new one. Jason said you were
a probation officer. I said yes for about 3 months. Jason said you have
ever had friends turn their backs on you, I said that I believed so.

Jason said that he finished reading my letters and he specifically asked me what the word vexatious meant. Jason said that he believed that he knew what it meant but he was not sure. Jason Kostasos was informed by me that it meant that they were saying that I was abusing the system. Jason asked me who the two girls were that sued me or whatever and I said that they had brought a motion and that it was brought in court. Jason said he could see why the motion would get me off especially if it was done out of order. I said that they did it to get all the law suits ended and umbrellas. I said that at the time I was a lawyer that I was not aware of a subpoena. Jason asked me if I got subpoenaed. I said that I had received the motion before court but that I had not complied with the Notice of Motion and I further got subpoenaed in court with all the proceedings. I informed Jason that I had been under surveillance 20/7 and I believed that they may have put a chip - the size of a piece of rice in my underwear. I said that they could track my every move. I explained to him about the staff at Sun Harbor's training when I would be going to show up there. I explained to him about the electricity and the beams I got in my foot and my head that would be consistent with the technology that was used. I said that he had to feel exactly this in order. I said that I used to go to Mississippi University in North Bay, Ontario to complete my legal documents. I said that the police had access to what I was doing on the computer when I was in my e-mail and completely my Affidavit a Notice of Application. I said that I would then go to the North Bay Courthouse with these legal documents and that staff of the North Bay Courthouse and the staff of the North Bay Courthouse would know the contents of my documents. I said that I sued a couple of protection officers.

Jason asked me if I wanted my letters back and I said yes. He asked me who Sara Blake and Barbara Kloss were and I said they were lawyers with the Attorney General. He asked me about all my e-mail addresses and I told him that the e-mail addresses were related to the Attorney General. Jason asked me about the e-mail addresses m.c.b.6@imielan.com.ca and I told him that he was the lawyer for the North Bay

Police Service. Jason then asked me about the hole in the wall and I said that Maria and I used to live about 3 minutes away from each other and that I had a house and she had an apartment and we basically spent 24/7 together either at my house, her apartment or work. Jason asked about how they could charge me a year later. I said that I was not sure about that either. I admitted to putting a hole in the wall but that I had fixed it before the police were called about 4 days later. I said that I had fixed it and sanded it but not painted it. I said she was mad because we were supposed to go on a trip to Cataloogie that weekend (near Ottawa) and I was not going to go. I said that we had spent about \$70-\$80 on groceries that consisted of thick pork chops and cheese and that I had called her asking her to put the groceries on her step and I would drive by and pick them up. (I KNOW MAMA WOULD NOT EVEN EAT THIS STUFF AND IT WOULD JUST GO TO WASTE). Maria threatened to call the police about the hole in the wall from days earlier and eventually did call the police. I told Jason that I never threatened Maria and it is possible that somebody (the police) could have sent an e-mail out of my e-mail account containing threats. I said I would not put it past them and people keep making reference to a threat. Jason also asked me about the recusal motion. I said that they would have had to set this up as part of their cover-up. I said that this was due to the fact that a judge hears his own recusal motion which I did not know but would further explain their collusion. I said that they would have probably had together in a room to plan this. I said that I had a few weeks between court dates from what I could remember and the judge denied the evidence I had against him and said I misapprehended that information and so on and so forth.

Jean Kostantis approached me about an articling female student that apparently was working for Hicks, Adams in Toronto. Jean said that he mentioned to me about the fact that he knew me and that he knew I had a change of Criminal Measurement before the court and that I had been in custody for 7 months. Jean said that my name was rather complex and that I basically did not trust anybody in the system - Jean said that he provided me a name but that she did not recognize my name. Jean said that he told me that I did ever trust him. I informed Jean that Hicks, Adams knows me very well. I said Donna Wilson had perjured herself in my matter in order to cover up for my mother. I informed him that Mr. Bland was now a judge. Jean advised that Donna Wilson was working for Hicks, Adams when I used her as a lawyer. I said so that she had been working on her own at the time she represented me. It is important to note that Jean said he told the female lawyer that I did not have a lawyer and that I was not ever really looking for a lawyer. At this time, I can't recall the exact name of the female whom he was talking about but I will get it at a later date. Jean stated that he again told her about them determining that I was excruciating.

Jasen Kostantos spoke to me about talking to DESPINA TSALGAR OR CHLOE and that he had told her about my concerns about their firm as Debra Wilson uses an article, studied with them from (MILLS, BRUCE & ADAMS) in the past. I told Jasen about the Statute concerning to speak to me and what it was in relation to while we were at yard. Jasen said you'd be noticed as they had come to the range looking for me. One important question that JASEN asked me was how long did my meeting last. I said not very long and I apologized for about how it was not in private and could not be part of Confidential Officers sitting at their desk.

(JASON KONSTANTOS' RESPONSE TO MY LETTER.
ON WEDNESDAY NIGHT 26-SEP-01.

NOW DEREK ... all I can say is someone or probably more precisely a whole lot of someones has really really messed you up. Normally my reaction to a note like yours... which is full of mistrust and suspicion, would be to get totally insulted and let you know point blank that if you don't want me to take an interest in your situation and try to get you some much needed help then so be it BUT deep down I know that these "feelings" you have are born out of the reality you have been living the last few years in general and the last eight months in particular and not necessarily an attack on my character.

Having said that I will answer your introductory question as honestly and clearly as I can and in a way that will HOPEFULLY let you know that I am trying to help you as a friend.

I SWEAR ON MY SON!! that I am not, in any way, part of an investigation against you.
PLEASE BELIEVE ME!!

I'd like to speak to you further about some of the specifics you mention in your note tomorrow on the range but I will reiterate one more time that any talks we've had came about because I met you here and came to realize that you are stuck in a fruitless situation. I'm not necessarily trying to be a hero but like you said unless you come across someone with the skills necessary to help you fight this fight, this process will continue to take its toll on you. Whether the solution lies with Despina and Hicks, Adams, I don't know. You're probably right in guessing it won't but if you trust me I'd like to seek out someone who is willing and able to fight the system on your behalf. I'll hope you see fit to give me such permission.

Respectfully Yours...

Jason

P.S. You were right about Sarah Wilson but she's not affiliated with Hicks, Adams in any way now. Same with Judge Block but I can tell Despina's a little gun shy to approach senior lawyers.

- Jason Konstantos came and sat down beside me on the bench and said Ohay do you want to talk about the letter (referring to the letter that we exchanged last night 26 SEP 12). Jason stated that he swears on his sons life he is not involved in any investigation against me. Jason said that he considers me a friend and that he first sees me spinning my wheels and he wants to try and help get me a lawyer. Jason said that he would tell the lawyer that I am not just going to stand on a plea. Jason stated that he spoke to Despina of Nicks, Calamand and that she is a bit gun shy about speaking to a trial lawyer.
(NOT UNDERSTANDING CONVICTIONS ABOUT THE BARRON OUT AGAINST ME).
Jason stated that if I don't want his help then to just let him know. I said it does not hurt to talk to anybody but I will probably end up doing this on my own. I said that I could not blame him if he felt somewhat insulted by my letter but that is the way it is any I know because so many people with so many hidden agendas. Jason said that he had referred to the word verbatim in my letter because he does not seem with what it meant. Jason said that he was just asking questions about the e-mail address that he mentioned to me previously.

(JASON KONSTANTOS' RESPONSE TO MY LETTER ON THURSDAY NIGHT
27-SEP-12 L88)

Hey Derek...

I really thought we cleared the air with respect to these allegations when we chatted privately today. I wish you would have relayed your continued scepticism while we were face to face rather than by note so you could see in my eyes that I'm not lying to you. Do you really think that I am here, not serving out my sentence, but working undercover to "assist others in their cover ups"? If that was the case why would I leave on Sunday? Wouldn't I stay here and continue to "investigate"? How are my questions scripted? I ask what comes to mind as we discuss your dilemma. I'm not reporting anything to anyone other than to tell Despina that I had a friend here in Penetang that seemed to be getting railroaded and wondered if she could help. I never hid this from you... in fact I pretty well asked your permission before proceeding. If I was doing something covert why would I give you her phone number? Why would I offer to let you speak to her personally?

Yesterday I swore ON MY SON that I was NOT involved, in any way whatsoever, in an investigation against you. Do you think I would make that kind of proclamation lightly? Do you think I would dare say that if it wasn't true? Do you think I would go to that extreme if I was actually hiding anything from you?

I got arrested May 1st!! Got talked into pleading guilty under the assumption that I'd

get a conditional sentence. Instead the judge sentenced me to 7 months of which I will end up doing 5.

I came here on August 23 to serve out ^{the remainder of} my sentence. Soon after getting here I met you. I thought we got along well... based on many similar interests (sports, music) and also, I thought, a shared sense of humour but Derek this is really not funny. I'm just not sure what to say or not say anymore.

The God's honest truth, which again I swear on my precious son to be the absolute truth is that I want to help you because I DO BELIEVE that you're a victim of the system and that what you're experiencing is not fair, nor just, but in the end I can't force you to let me try to help you. If you continue to mistrust me then I will wish you well and hope to hear from you down the road when you've been able to map out your journey for better or worse on your own.

Respectfully Yours

I contacted DESPINA (TSALGAN? or CALGAN?) AT HICKS, ADAMS & 416-975-1700. Upon providing Despina she knew my name and that I had been referred to her by JASON KENSMANOS. I informed her that I had 2 charges of criminal harassment pending against me. She asked me if this was before the Provincial Court. I said no that it was currently before the Collingwood Court but had been before the Beattie Court for some time before that. She asked me if it was just the 2 charges and I said yes. I notified her that Mr. Stouder SARANTIS and Mr. Goldman of their firm would know who I was. Despina asked me if either of them had represented me. I said that I believed on 2 occasions that Mr. Goldman stood up for me. Despina jokingly said that that just the kind of guy he is a stand up kind of guy and laughed, then she followed up with that was hard job. I said no it is all right. Despina asked me what I had a level 2 certificate and I informed her that I had been granted a voluntary charge. I explained that I initially had a lawyer on this matter and I had difficulties with him in terms of back and forth with him. I eventually filed a complaint with the law society and that complaint was still outstanding. I notified her that I had launched law suits against numerous premises + people in the province and those were still outstanding with the Court of Appeal. Despina asked me if there was anybody with their firm that I could speak to and I said no. (I DO NOT BELIEVE THAT TO BE THE CASE). Despina discussed with me whether I had bail. I informed her at this point that I had been adjourned SINCE DIE and that the ONS would be on me to make an application to re-address bail. She asked me if that was something I would be interested in and I said it is a possibility but I did not want to waste resources on that if that was the case. Despina discussed the potential of BAIL PROGRAM with me which would be a regular court fee bail. I asked her if that was available province wide and she answered yes whether it was just specific to Toronto or not. Despina asked me if I had a possible search and I said my man and my dad but they were in Markham. Despina asked for my birth date and court date and I provided 18-FEB-71 and OCT-12 respectively. She said she would speak to the lawyers of her firm to determine what they would be willing to assist me or not.

I said that at first parts it in a succinct synopsis and is easier than me trying to explain it all. I said that I do not want to have to go through what I have experienced again and I informed it is getting redundant. Jason also mentioned that he had been TEXTING back and forth with DESPINA and she said that I had called them. Jason asked what was going on there. I said that I was leary about going with their firm because they knew me. Jason asked whether I had spoke to a social lawyer and I said so that I spoke to Stephanie. Jason said that she said that there was a chance I might go with them. I did not really respond other than to say I would see. 20-Jul-14.

Dear Ms. Konstantos:

On 15-Jun-14, Jason Konstantos asked me to do him a huge favour and provide him with a significant loan of money. That day the 15-Jun-14 ended up being the last game of the NBA finals with the San Antonio Spurs winning the NBA Championship. Jason and his son Peter watched the game at a bar called Mugshots that night. I met up with Jason and Peter shortly after the game was over. Jason drove me home to my place and I agreed to loan Jason \$1 750.00 which I provided to Jason in my driveway and his son Peter was in the passenger's seat at the time. On the 15-Jun-14, Jason notified me that he would be able to pay me back this money as of Tuesday the 17-Jun-14. On the 16-Jun-14, I received a text from Jason thanking me for loaning him the money. I did not hear from Jason until Friday the 20-Jun-14.

On the 20-Jun-14 in the morning about 8:12am, Jason called me from a Bell payphone to explain his circumstances and that he had been charged. Jason was not able to pay me back any of the \$1 750.00 and in fact, he asked to borrow additional money from me. Jason asked me if I could double what I lent him and I said no but I could probably lend him another \$1 000.00. I informed Jason to call me on the evening of the 20-Jun-14. Jason contacted me on the evening of the 20-Jun-14 and we arranged to meet at the Yorkdale mall around 8pm and at that time I would loan him another \$1 000.00. I met Jason at 8pm at Yorkdale and loaned him another \$1 000.00 making the total that he owes me was now \$2 750.00. Jason told me that his fiancée (Marcy) was waiting in the vehicle. Jason also told me that the first thing he was going to do with the money I lent him was to pay Marcy back for paying for the hotel room(s) at the Eaton (Delta) Chelsea in downtown Toronto.

On the 20-Jun-14, Jason informed me that he would be able to pay me back next week (being the basically the last week of June and by the latest the 30-Jun-14 in which his house was closing.

I loaned this money to Jason as a friend and I thought that his word would be good for it. Jason portrayed to me that he was in need on both of these occasions, so I was willing to help him out. Jason has not even had the decency to contact me by telephone to inform me what is happening with the money he owes me, let alone paying me back.

I have heard a lot of stories about Jason Konstantos and his deceitful ways, but now it appears I am experiencing and encountering it first-hand. It appears that Jason may be a pathological liar.

Please provide to me Jason's new address and any other contact information. I know he resides at an address of 151 something and I believe it would be categorized as being in the North York area. Jason is residing in a home that is valued in the vicinity of \$900 000 and is driving a Lexus SUV. It appears that Jason may have used the money I lent him to put down on the closing of his house.

I really do not want to have to pursue civil and/or criminal action against Jason Konstantos. I am dumbfounded that it appears that Jason appears to have no conscience about this.

At the very least, please contact Jason and let him know to contact me.

Please notify me who Jason's current attorney is, thank you.

Thank you for your attention to the requests contained herein.

Dear Mr. Cooper:

I have received information from Ms. Helen Konstantos that at a recent bail hearing for Mr. Jason Konstantos that a Detective Lee testified that Det. Lee had spoken to me. First, I have never had any contact with any police officer about Jason Konstantos. Second, I have never had any contact with a Detective Lee about Jason Konstantos. Third, the first I have ever heard about a Det. Lee is during my discussion with Helen Konstantos. It is incredible that a police officer (a Detective at that) would insinuate and in essence perjure themselves by stating that he had had contact with me when no such contact has ever transpired.

I am looking for a date that this bail hearing happened and I also want to view the Certified Court Transcript in accordance to Det. Lee's sworn testimony, that would be extremely interesting to witness.

I am forwarding this information to a three police officers with the last name Lee that are employed by York Regional. I would appreciate it if you could kindly confirm the exact Detective Lee that testified at Mr. Konstantos' bail hearing.

Thank you for your attention to my requests contained herein.

Dear Det. Lee:

I have received credible information that at a recent bail hearing for Mr. Jason Konstantos that a Det. Lee testified that they had spoken to them about Mr. Konstantos. I am not sure if this is you or not but I would appreciate it if you would look into this matter and kindly inform me if it is you or not. Please also refer to the letter that I forward to Mr. Paul Cooper.

Thank you.

Yours truly,

Derek Dunlop

Dear Ms. Helen Konstantos:

I am writing to you in accordance to the money your brother Jason Konstantos borrowed from me. I apologize for bothering you about this again, however, I would greatly appreciate it if you would kindly call me at your convenience, as I have a few questions for you.

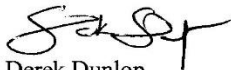

I am wondering if Jason is going to trial and if so, what date is Jason's trial scheduled for? If Jason wins at trial he would obviously be released. If Jason unfortunately loses, I am wondering if you would know whether the Crown is asking for more custodial time than Jason has already served or will Jason be possibly released on time-served. Is it possible that Jason will be released on time-served in the near future without going to trial and entering a plea.

Do you have any idea whether Jason is going to be able to afford to pay me back the \$2 750.00 that he owes me? I hate to ask and impose but are there any other options that could possibly be explored/pursued in order that I attempt to recover my money from Jason or at the very least a portion of the amount Jason owes me for the time being until a future time that Jason would be able to return the balance to me.

I apologize, but this has been going on for at approximately 8 months and while I am empathetic to what Jason is going through and I am also very cognizant of the legal expenses that he will have encountered and incurred, I am just trying to retrieve the money I loaned Jason.

Thank you for your due diligence in attending to my requests contained herein.

Yours truly,

Derek Dunlop

28-Apr-15 Derek Dunlop: Jason: I am not sure why you would involve yourself in
12:20pm colluding against me. Your choice.

I am done with you guys. Good luck.

Please return to me money as soon as you can. Thanks.

28-Apr-15 Jason Konstantos: Derek you can't be serious? Under what circumstances do u feel
12:47pm I can be colluding against u. I just lost 5 months of my life to a lying piece of shit cop. U think I can't comprehend the unfairness of the justice system. Have I ever at any time since my release asked u any questions concerning your situation. Wouldn't I be trying to incriminate yourself somehow. I am going to pray that u reconsider your position because I truly would hate to lose u as a friend. I am going to try to call u later this afternoon. PLEASE pickup.

28-Apr-15 Jason Konstantos: I tried calling u. I find it extremely frustrating that someone I
3:34pm consider a very good friend discards me on the basis of absolutely nothing & is not courageous enough to do it when I am sitting right across from him OR at the very least live on the phone.

28-Apr-15 Jason Konstantos: So I guess helping me & more specifically Peter with his fitness
6:24pm program goes out the window because that too is obviously part of some covert operation to inflict more psychological and institutional torment on you. Please tell me how to explain why u have broken off our friendship.

28-Apr-15 Derek Dunlop: Jason:
7:55pm Unfortunately, I do not want to get in a whole bunch of counterproductive back and forth with you at this point!

I would be willing to meet with you at some point next if you are up to it.

28-Apr-15 Derek Dunlop: Next week- supposed to say
7:56pm

29-Apr-15 Jason Konstantos: Honestly, I'd rather meet this week rather than next week. I gotta admit the more I think about it the more it bugs me. U're basically accusing me of being the biggest piece of shit on the planet. Assumingly u think I was sent to Penetang to be on range to collude against u...just wonder why I would have been sent back to jail for 5 months in 2014 then. How this baffles me Derek? Here I am thinking that with things getting better with Marci I would consider asking u to be in my wedding party & u turn around & tell me that u think I'm working with the cops and/or prosecutors against u. Maybe taking u to an Orioles game & introducing u to my son was all part of the master plan. There goes the next challenge match we were planning versus his friends. U see how the longer I allow your decision & accusations to sink in the more gut wrenching it is. Playoffs will continue to unfold & u're no longer someone I can analyze the next round with. I gain 3lbs after date night with Marci (had alcohol for first time in a while) & I can't call u & ask how to rid myself those pounds ASAP. And then there is poor dim witted Brent...here is a text he sent me this morning after I asked him how he was feeling... I am ok. Still pissed off. I have started to stretch out. Arms have gone from a 23.5 to an 18.5; neck 21.5 to 18.5; thigh 31.5 to 30; chest 58 to 52.5 waist 54 to a 51. Part of it is because of him and I can even tell him. (If u haven't figured it out YOU are him!!) Just wanted to get it off my chest. Let u know that I go from pissed to sad and back to pissed over the last 19 hours or so. I hope u r comfortable with your decision. Maybe there are other people u r able to more easily trust. I just fear for your sake that u will never fully trust anyone & live the rest of your days suspicious of EVERYONE. That's no way to live Derek. Trust me about that if nothing else. Enjoy your first full day of freedom from us. In the end I too just wish u well.

29-Apr-15 Derek Dunlop: We could meet tomorrow or Friday...I know how Fridays aren't always the easiest for you right now, so if tomorrow is best, please let me know.
8:58am

29-Apr-15 Jason Konstantos: I can meet in the morning at Yorkdale 10am-11am. Need to be somewhere by noon.
12:13pm

Just me & you right?

29-Apr-15 Derek Dunlop: I will be @ Yorkdale @ 10am in the morning...we can finalize meeting place @ that time!
3:55pm
Just so you are aware beforehand, I don't have much to say!

- 29-Apr-15 Jason Konstantos: So what exactly are u making me aware of? That u remain steadfast in your decision. That u r convinced that there is some kind of legitimacy to your accusations and that no matter what I claim u know that u r right? Is that what is going to happen tomorrow morning? R u going to bother to indicate any shred of proof that might exist that I am colluding against u.

6:59pm
- 29-Apr-15 Jason Konstantos: I'll be there Derek...without Brent..and we can talk about the O's playing in front of no one & game 7 in the Wings/Bolts series & about the big fight on Saturday but in the what r we really meeting about? I really need to understand what u r accusing me of. I think its only fair if u r going to effectively accuse me of being a piece of shif for the 3rd or 4th time since I've known you that you actually back it up with some real proof & allow me to offer a defense. If u are not willing to say anything then what's the point. I will get u your money asap & we can go our separate ways. I'm not going to beg u to be my friend. Just like I am sure u don't want to beg anyone to be your friend. See u at the food court at 10.
7:10pm
- 29-Apr-15 Derek Dunlop: Jason:
7:34pm
- I am not going to get into it with you for numerous reasons. I know that may seem unfair but I don't believe there is anything to gain. As you said we have been down this road in the past.
- Our views are diametrically opposed and that unfortunately will not change!
- That being said I don't whether you want to meet or not. Please let me know!
- 29-Apr-15 Jason Konstantos: "Our views are diametrically opposed and that unfortunately will not change!" Frankly Derek that's a bunch of bull. You never once gave an opposing view. U never once indicated an iota of

proof as to your theory BUT who cares right? Who needs proof when disparaging a man's character. I'll see u at 10 but if u r going to be unwilling to espouse your theories I guess it'll be a short visit. As u can sense I am very insulted by this but at the same time I am quite sad. Not to be a wuss but I enjoy(ed) our friendship & can't believe u r willing to walk away on the basis of absolutely nothing!!!!

29-Apr-15 Derek Dunlop: I will meet you @ 10am in the food court!
8:06pm

29-Apr-15 Derek Dunlop: If you think your pissed off, I resent you more and more each time you continue to cover up your cowardly actions.

The fact that you want to make me look bad in one way or another is pathetic. Each time you attempt to deflect the responsibility onto me for your actions you make yourself look stupider and stupider.

What you and Brent have done is a joke and if you ever have a decent bone in your body you will come forward and admit the truth. But neither of you see anything wrong with your actions. Once again, you will both deny what you have done. I see nothing productive in meeting with you tomorrow other than it beoming a shit show!

You were wrong from day one and you know it. As I said I don't what your motives are but maybe some day you will have the decency to admit to that.

Did you consult with the authorities and they advised you to meet in a neutral place such as the Yorkdale food court for precautionary safety reasons for yourself. Not to mention there will be video and audio tape in the food court. Just another set up.

29-Apr-15 Jason Konstantos: My cowardly actions? At least i answer the phone & don't hide behind polysyllabic drivel. Let me ask u something Derek...since my release & our subsequent reconnection what exactly have ever attempted to discuss with u. All we ever talk about is sports & my relationship with Marci. In fact if any one of us is a rat fink its YOU. Or do u forget that u wrote a letter to my probation officer which ended up playing a big part in my being denied bail. So now that we are discussing it YOU are the one that conspires with the authorities to undermine innocent people's freedom. As for

where we would tomorrow I was and am perfectly willing to let YOU choose the place BUT now that I see the extent of YOUR stupidity I am going to wish u luck with YOUR life & let you have your way. I never consulted with anyone DD. I asked u about your case when we were in Penetang to help u as a friend cuz I felt u were in there way longer than u needed to. Soon thereafter u indicated that my questions made u suspicious of me... since then I have never said BOO about your cases nor your law suits. What u like to do is fire off wild accusations without an iota of proof & then call people liars when they have the gall to protect themselves. I thought u were better than that Derek...clearly u r not. I introduced u to my son for gods sake!! I can't believe u r offering this jibberish as fact. In fact u have not once mentioned anything remotely looking like proof. I'll get u your money & then grant your wish of never having to spend anytime with me again. Well done Derek...u win. No meeting tomorrow Derek. I hope u are able to find better friends than I was. I really do & I really do wish u luck. Goodnight.

30-Apr-15 Jason Konstantos: So just to clarify one final time we are not meeting today because when push comes to shove and you are asked in person point blank to accuse someone of specific indiscretions you really got nothing. This is all a figment of your imagination. In fact even though u claim to document everything u actually can't even provide one conversation that u & I have had in 2015 regarding anything about your case or any of your lawsuits. You accused me & Mack of this kind of bullshit back in Penetang & when both of us reached out to you & denied the mere insinuation u backed off. I thought that side of u had now been controlled but instead u

accuse a former pastor who never spoke to u about anything but sports & fitness of being a liar and a mole & I guess since I introduced the two of u I had to be the mastermind. Instead I contend that I have been nothing but a friend. Yes I owe u money on a loan...again things friends do...But I was going to & still will pay u back...other than that we met for lunch a few times..watched a few games on TV... played against my son and his friends (THAT I REALLY WILL MISS...I WAS DEFINITELY LOOKING FORWARD TO THE REMATCH!!!)...You were going to help me slim down and my sin bulk up...and were going to go to more ballgames. What transpired this week to change all that is stunning to me but I am not going to beg and I'm not going to apologize for something I never did nor would ever even consider doing...I guess that's for now... and alas forever. I will think of u as the playoffs

unfold & as the Eagles season opens. And I will remember & appreciate your friendship every time I see the Bautista bobblehead (that was the Derek I choose to remember!!!) Take care Derek. For the last time though NO!!! I NEVER ever conspired or colluded against anyone let alone u.

30-Apr-15 Derek Dunlop: Jason:

5:45am

I thought we covered the letter to your probation officer. I guess not. I told you that I never meant to cause you any harm with that letter but I had nowhere to turn. As it relates to that letter your beliefs are your beliefs. From what Helen told me you had an officer totally lie on the stand and even had the unbelievable audacity to say he spoke to me. That outrageous lie bothers me to this day.

If you are blaming me for not getting bail...I am sorry. I obviously don't know very many of the details around your bail at that time. Please don't take this the wrong way but we both know proving reverse onus on bail in the courts' eyes is extremely difficult. In their eyes they view it as you breached your probation and then they granted you bail and then you breached your bail. I know I referencing something you already know. The bottom line is that issue with me wasn't and isn't resolved either.

As far as what you are stating about me in accordance to my situation, those are your thoughts. As I have stated to you the system has a plan to attempt to make me look mentally unstable, in your assertion by writing that it is a figment of my imagination, that also appears to be scripted in order to be used against me at a later time!

As far as evidence colluding and conspiring are some of the most difficult things to prove.

I am not going to comment on what I have as you seem to want to write a lot of statements about it.

30-Apr-15

5:45am

For whatever reasons you will as I said before maintain the status quo and not admit to anything. Brent was even becoming cocky!!! So what you are saying is a pastor can't lie just as cops don't lie...and you know how the cops don't lie story goes!!!

So, the best thing to do would be to cancel the meeting this morning!

30-Apr-15 Jason Konstantos: Why do I have to believe that u did not conspire with the police to

5:55am

screw my life up & take away my last chance at happiness yet u won't even consider that I have never spoken to ANYONE about

your case or predicament. You want to believe I am a fucking mole but even though u clearly did send a letter meant to harm me (maybe not the way it did but surely u r not claiming u meant it as a letter of reference!!) My problem with all this is that u don't even have the courage to lay your accusations out & let me address them. For the millionth time I never ever colluded, conspired or plotted against u. The people I did speak to about u...Peter, Helen, Marci ... Even Brent heard about u in glowing terms. Like I said I was planning to have u work on my house AND eventually even ask u to be a groomsman at my wedding. U have made me look like a fool. How could I have thought we were that close while u thought I was the devil incarnate. We agree though no point in meeting ESPECIALLY since u won't rehash what u have never actually said before. That's fine. Guess u have better friends than me...I will leave u alone. Good luck.

30-Apr-15 Jason Konstantos: Why can't u pick up the phone Derek? Because deep down u know how ridiculous your accusations are. Well save this text then...I will owe you 1,000,000 in damages and put poison in the food of my personal holy trinity of my mom, Peter & Marci if ever I am in court commenting on what I consider a figment of your imagination ... TO WIT that I was ever anything but a friend to you. That I was ever directed to undermine u is a fucking insult. And its stupid. Sorry to once and for all be blunt with u BUT for fuck sakes think for a sec...u played basketball with my sin. U were going to train me and my son. We went to ball games. We talked sports. Even today I'm dying to tell u how the Padres were my only loss on Tuesday costing me \$1800 & the fucking Jays were my only loss yesterday costing me \$1100. 8-2 over the last two nights and nothing to show for it. And almost 3 years of on & off friendship with u and in the end u view it as a setup of some sort & dump like a slutty girlfriend. Its fine. Like I said I guess u have lots

30-Apr-15 of other friends who u know are solid so why risk anything with someone like me. Geez wonder why that would piss me off. Have a good life. Bye now.
6:14am

30-Apr-15 Derek Dunlop: If I would have known your sister resided at your mom's house, I would have just contacted her by phone or letter and the rest would have been avoided.
6:24am

I wish you luck with your relationship with Marci.

I wish you well with your fitness goals and those exercise are all on websites....Muscle and Fitness and so on. Many gym staff are willing and available to assist!

As far as the money, I will take your word for it. I would greatly appreciate it returned to me and I definitely need it and can use it. I realize that it is difficult getting back on your feet when getting out. As soon as you can would be appreciated.

Good luck with everything!

30-Apr-15 Derek Dunlop: That is exactly what I a talking about , so what you plan on being in court and using this against me. That is exactly what the system wants. So if you want to be part of that you go ahead. You will be in the wrong again. As I said you are attempting to harm in one way or another.

30-Apr-15 Jason Konstantos: I SAID I WOULD NEVER BE IN COURT AGAINST YOU BECAUSE I NOT LIKE THAT & ALSO I DOUBT ANYONE WILL EVER ASK ME TOO. SO WHERE THE FUCK DID YOU GET SOMETHING DIFFERENT

30-Apr-15 Jason Konstantos: BE A MAN AND PICK UP THE PHONE WHEN I CALL YOU
6:37am 6:45AM.

30-Apr-15 Jason Konstantos: Coward!!
6:51am

30-Apr-15 Jason Konstantos: If I knew someone was conspiring against me not only would I pickup the phone when they called & confront them directly but I would be calling them & blasting them with proof. You have nothing because I have done nothing. I was your friend & u r just too stubborn or jaded to realize it.

30-Apr-15 Jason Konstantos: I've been thinking about u a lot today. Partially because for all the BS of the last couple of days I cannot forget the two times when I desperately needed a loan u did trust me pretty well w/out hesitation. For that I will be forever grateful. The second reason is I wanted to ask about the rumour that your guy Kelly is about to trade Bradford in order to get Marriotta. Any thoughts???

30-Apr-15 Derek Dunlop: Jason:
7:26pm
The main reason I didn't want to get together or talk on the telephone over this...is that I didn't want to get into conflict and or exchanging a lot of condescending and derogatory comments back

and forth.

I also know that I have thanked you in the past for the awesome, amazing and great seats behind the Jays dugout in consecutive years and both times it was for O's games. I don't think that you will find very many people that would appreciate those seats as much as I did. I just love being at the ballpark regardless if it was the Brewers vs Indians playing...to sit that close and watch our rivals made even that much more intriguing and special. I can't say enough about those opportunities and they will never be forgotten!

Mariota- this kid doesn't even call plays in a huddle. The Chip Kelly Show never ends. Apparently it is a three way trade and the Browns might be involved.

Anyways Jason, I would be willing to meet you either Monday or Tuesday next week to put some closure to this but I am not into trading shots at one another.

01-May-15- Jason Konstantos: Are u satisfied with getting Nelson Agholor & resisting all the other rumoured deals?
7:26am

01-May-15- Derek Dunlop: Jason:
8:46am

Please let me know if you want to meet Monday or Tuesday next week to put some closure to this. If not, we will leave at that.

As far as the money you owe me, you notified me recently that at the beginning of May you would be able to give me some money to bring the balance down to \$2000 so if you would kindly do that that would be greatly appreciated.

If you want, when you have paid me off totally, I will write you a letter stating that you have done so. I will leave this with you to contact me.

Let me know about Monday or Tuesday.

TTYL

01-May-15 Jason Konstantos: So I don't get an analysis of the draft...in particular what your beloved Eagles
8:47am

01-May-15 Jason Konstantos: I will have a payment for u by the end of next week.
8:48am

01-May-15 Derek Dunlop: I will meet you Tuesday @ the Keele and Lawrence Timmies @
8:59am 8:30am ... if the time is no good for you, please let me know.

01-May-15 Jason Konstantos: The time is no good. I am dropping Marci off at the Finch Site of
9:03am Humber River Hospital at 8:30 that day so the earliest I can be at that Timmies is 9am. (How about those Clippers? They win 2/3 in Texas & still don't have the series clinched ... Of course the Spurs are probably saying the exact same thing!!!)

01-May-15 Derek Dunlop: Ok 9:00 am
9:11am

Not taking advantage of Game 2 is huge...they would have already won the series. ..Oh well it is down to one game...I just hope the Clippers win...need something new in the West.

As far as the Eagles...I am just glad the waters were fairly calm.

C u Tuesday....if anything changes from your end, please let me know and I will do the same if something changes from mine.

01-May-15 Jason Konstantos: That's fine...just don't forget that I cannot message or receive a
9:13am from about 7:30pm tonight to 4:30am Monday.

01-May-15 Derek Dunlop: 4 sure!
9:23am

04-May-15 Jason Konstantos: That Clippers - Spurs Game 7 was the best thing I saw on a
8:03am weekend overflowing with big sporting events. I feel the legend of Chris Paul grew considerably on Saturday night but now I worry that my prediction that the winner of that series will be crowned Champs sometime in June is somewhat shaken by the wear & tear that series took ... Especially on the aforementioned Chris Paul. :-(Ovie's goal, even if in a losing cause was something to watch as well & I am starting to believe your Caps to win the East prediction is very very plausible. I heard the fight was a bore though I take some pride in it going exactly as predicted & believe it or not I called the Kentucky Derby & therefore enjoyed those 2 minutes quite a bit as well. :-) Rest of the weekend was its usual weekend of incarceration...thankfully I only have 3 left. :-) Finally confirming our coffee date tomorrow at 9am at your local Tim's...Keele & Lawrence. Are we still good for a 30 minute meeting of the minds?

04-May-15 Derek Dunlop: Yes, we're good for tomorrow...I am not going to say I told you
10:23am so about the Jays' pitching but I told you so...LOL

04-May-15 Jason Konstantos: Ten words or less on Chris Paul's performance Saturday night?
10:27am

04-May-15 Derek Dunlop: Not as good as Matt Barnes and Jamal Crawford!!!
10:56am

04-May-15 Jason Konstantos: Ohhhh I beg to differ. I really feel that was a performance for the
11:06am ages by Paul on Saturday. I got him firmly down as a top 5 player
in the league.

05-May-15 Derek Dunlop: You called me earlier...call me back when you can!
6:03pm

06-May-15 Derek Dunlop: R we still on for 9 am @ Keele/Lawrence Timmies??
8:12am

06-May-15 Jason Konstantos: On my way
8:41am

06-May-15 Derek Dunlop: Jason:
10:49am

Just to confirm...

We agreed to void, abolish and nullify our season long bet between
the O's and Jays.

You asked me to continue the NBA PLAYOFF POOL...because
Peter is interested in following it and to see where he finishes
which I have agreed to do and I have no problem doing so.

I have notified you that we no longer can maintain a friendship and
you may not agree with it but are willing to accept my decision and
move forward on our separate ways.

You told me that you will get me some money prior to this weekend
or after this weekend (early next week) and I agreed to meet with
you so you can do so.

Thanks.

06-May-15 Jason Konstantos: I'd rather keep the Jays Orioles bet in tact.
11:03am\

06-May-15 Derek Dunlop: Jason:
12:54pm

I am unsure why you want to maintain this bet, I would rather put closure on this but we can discuss further when we meet for you to provide me with some money.

You confirm the rest of my statements?

06-May-15 Jason Konstantos: Yes!!
12:54pm

08-May-15 Jason Konstantos: Derek I think Brent is of the opinion that NONE of the bets should be canceled. Not the basketball brackets...not the Jays vs O's & not the Lawrie bet. He considers all of them still active. He feels that out of no fault of his own u r denying him the opportunity to recoup the money he lost to you in earlier bets. I don't see why u feel they need to be canceled. In the course of the season no interaction is req'd. When the bets are decided the loser can transfer money to the winner. Why do u need to be so dramatic? U did take his money when he lost...he feels confident he will win the bets still on the table. His position is if u want nothing to do with him...forfeit the bets ... ie - pay him as if u lost & u will never have to deal with him again. I know he is sometimes lacking in tact but this time I see his point. Hopefully u now will too.

08-May-15 Jason Konstantos: In fact I will take the same position & ask that our Jays vs O's bet stays on. In the meantime to preface my payment to you on Monday...can u confirm that I owe u \$2450 as of this second. Or am I mistaken?

08-May-15 Derek Dunlop: Why would he go to you?
6:57am

08-May-15 Jason Konstantos: Because u don't take his fricken calls...remember? U dumped him for no fucking reason & believe it or not as a guy without many friends he feels betrayed.

08-May-15 Derek Dunlop: I truly don't care one way or the other about the bets.
7:06am

My point is is that one of the main reason I suggested to discontinue the bets is so that there would be closure from both perspectives. Plain and simple. I am not the one being dramatic about this.

All bets to remain in tact!!!

08-May-15 Jason Konstantos: Closure of what?
7:06am

08-May-15 Derek Dunlop: I don't know what happened, we got disconnected. I just left you a voice message.
7:30am

Yes, you owe me \$2450

11-May-15 Derek Dunlop: I should be back in my neck of the woods early afternoonish, so please let me know when and where works for you.
11:54am
Thanks.

11-May-15 Jason Konstantos: Derek I had a bit of a driving mishap this morning. I got a ticket for passing on the shoulder... I deny this wholeheartedly...
2:42pm
Unfortunately this also led to a ticket for driving with only a G1 on the hwy & another for driving w/out a licensed driver beside me. In turn this led to my car being towed. :(As such I am having to deal with A LOT today & not free to meet u this afternoon. Please give me til tomorrow or Wednesday to get things back on track!!

11-May-15 Derek Dunlop: Okay. Get ahold of me tomorrow or Wednesday. I will not be around until about noon tomorrow. After that should be free.
3:33pm
Not much going on Wednesday.

11-May-15 Derek Dunlop: Alternatively, if it is easier just send in for of email transfer tomorrow or Wednesday. Thanks.
4:03pm

14-May-15 Derek Dunlop: I would greatly appreciate it if you would kindly reimburse the money that you borrowed from me. Please and thank you.
11:13pm

14-May-15 Jason Konstantos: Good morning Derek...your message seems to imply that u r expecting full reimbursement. In reality my goal had been to pay u \$450 at the end of last week OR the beginning of this week. If that proved too difficult I was going to make another payment of \$250...bringing debt to \$2200 which could & would easily be covered next month when my weekends are done & I can go to Greece & once & for all complete the foreign transfer of my inheritance. Unfortunately, as I let u know on Monday I had an unforeseen driving incident that has cost me money that was budgeted for other things (including you). I am currently

desperately trying to arrange some short term financing and/or selling some items I had not meant to sell at this time in order to cover some things including getting u down to AT LEAST \$2200 but preferably \$2000 as per my original plan. Either way I will try to have the money in place & ready to transfer by tomorrow. I will let u know by lunchtime if that went according to plan. In the meantime ... Keep your fingers crossed.

14-May-15 Jason Konstantos: P.S. Can't believe the Jays lost a series to the lowly Orioles.
11:56am

14-May-15 Jason Konstantos: P.S. #2. Tough way to lose a great series for your predicted finalist Capitals ... Truth be said they probably deserved a better fate. I still respect your pick & believe they would have hammered the much smaller Lightning in an Eastern Final. Is Alain Vigneault (sp?) an underappreciated GREAT COACH?

14-May-15 Derek Dunlop: Thanks for your explanation. I appreciate that we all have difficulties at certain junctures in our lives - and especially when it comes to finances. I will leave it with you and I respect that you are making attempts to pay me back realizing you have other financial responsibilities. Payments are fine...and I apologize if my text came across as wanting the entire sum.

As far as the Caps they had the series in Game 5 and couldn't seal the deal.

I think Vigneault is overrated come playoff time his star players disappear.. Kesler, Sedins, Hamhuis in Vancouver just to mention a few....

Nash, St. Louis, Yandle, just to mention a few....

Marc Staal might be the most underrated and under appreciated player in the NHL. ..he is not flashy, doesn't score goals but he is awesome at what he does and doesn't make mistakes!

19-May-15 Derek Dunlop: Jason:
8:54am

I would greatly appreciate it if you would kindly provide me with money that you borrowed from me. Please and thank you.

Please don't discuss sports as I kindly notified you when met that

this was not desirable and I do not want to be rude to you.

Please let me know about the money. Thanks.

Derek

19-May-15 Jason Konstantos: What's wrong with you?
9:08am

19-May-15 Jason Konstantos: Do you remember sending this text 5 days ago...
9:11am

MAYBE U should re-read it to refresh your memory. Not only did u indicate understanding & patience to my situation but freely talked about sports A LOT. What happened since Thursday?

19-May-15 Derek Dunlop: You don't even have the decency or respect to contact me when you say that you are going to do so.
9:18am

19-May-15 Derek Dunlop: Remember I bailed you out by lending you \$2750 that was supposed to be paid back to me in a week!
9:20am

19-May-15 Jason Konstantos: When did I say I would contact u?
9:21am

- 19-May-15 Derek Dunlop: Good morning Derek...your message seems to imply that u r expecting full reimbursement. In reality my goal had been to pay u \$450 at the end of last week OR the beginning of this week. If that proved too difficult I was going to make another payment of \$250...bringing debt to \$2200 which could & would easily be covered next month when my weekends are done & I can go to Greece & once & for all complete the foreign transfer of my inheritance. Unfortunately, as I let u know on Monday I had an unforeseen driving incident that has cost me money that was budgeted for other things (including you). I am currently desperately trying to arrange some short term financing and/or
- 19-May-15
9:23am selling some items I had not meant to sell at this time in order to cover some things including getting u down to AT LEAST \$2200 but preferably \$2000 as per my original plan. Either way I will try to have the money in place & ready to transfer by tomorrow. I will let u know by lunchtime if that went according to plan. In the meantime ... Keep your fingers crossed.
- 19-May-15 Derek Dunlop: Never contacted me.
9:24am
- 19-May-15 Jason Konstantos: We exchanged texts on Thursday... is that not contacting you?
9:24am
- 19-May-15 Derek Dunlop: Derek I had a bit of a driving mishap this morning. I got a ticket for passing on the shoulder... I deny this wholeheartedly.... Unfortunately this also led to a ticket for driving with only a G1 on the hwy & another for driving w/out a licensed driver beside me. In turn this led to my car being towed. :-(As such I am having to deal with A LOT today & not free to meet u this afternoon. Please give me til tomorrow or Wednesday to get things back on track!!
- Never contacted me, I contacted Tuesday or Wednesday!!
- 19-May-15 Derek Dunlop: Please pay me back the money you owe me, it would be greatly appreciated as I need it other than that do not contact me as there is no reason to do so.
9:40am
- 19-May-15 Derek Dunlop: Just to confirm you told me that you would provide me with a payment by Friday (being this Friday May 22nd).
9:49am

Thanks.

19-May-15 Jason Konstantos: Can I see the proof when I drop off the payment?
9:55a

19-May-15 Derek Dunlop: You appear to have no intentions of giving me the money back.
9:59am Please pay me back. Thank you.

19-May-15 Jason Konstantos: WTF!! I promised a partial payment by Friday. YOU fucking
10:06am confirmed as much via text & on the phone live. Now u send this nonsensical text indicating u believe there is no intention to pay. Why do u believe that? Because I asked for proof that I am conspiring against you? You have smeared my name with these ludicrous allegations ... I believe I have the right to see where they come from. Maybe I can explain something u have misconstrued. Isn't at least possible that u r way off base on this or are you to arrogant to acknowledge that maybe some people have no motives...they just want to be your friend.

19-May-15 Derek Dunlop: I will await for a payment on Friday. E-transfer would be best.
10:09am

19-May-15 Jason Konstantos: No I need a signed receipt acknowledging this payment AND the
10:13am prior one as well & something indicating that this was a loan made by u to me during a time of turmoil in my life & that in lieu of interest u agreed to join me at a couple of ball games etc. If u don't want to see me then draw up a paper & sign it in front of the taxi driver I hire to deliver Friday's payment. I don't think my request is unreasonable.

19-May-15 Jason Konstantos: Also the paper should indicate the balance owing going forward
10:14am

19-May-15 Derek Dunlop: If you rather pay me cash, I will meet you somewhere Friday, no
10:21am need to hire a taxi. I will write something up attesting to the fact that you paid me \$250 in March and you are paying me \$ _____ on Friday and the outstanding balance is \$ ____ and that there is no interest accrued on this loan.

19-May-15 Jason Konstantos: And that it was a loan (not an investment) made during my time
10:54am of legal duress.

19-May-15 Derek Dunlop: Yes, it was a loan not an investment. Any idea how much you are
11:01am going to be able to pay on Friday.

19-May-15 Jason Konstantos: I will pay u a minimum of \$250 BUT hopefully more than that...\$450 (or a bit more if u have clinched the NBA Playoff Pool by then...btw can we get an update on the standings of that particular pool?)...I reiterate however Derek that I will be pressing u for proof on these allegations u have uttered against me & Brent. I think considering I spent 5 months in jail partially as a result of YOU conspiring with the Police to out and out lie about the circumstances of June 20th or 21st I should be able to examine the new lies u are in the process of perpetuating. To think all this time I bought your story of not intending to do me any legal harm!! How naïve was I...no more buddy. I am on to you!!

19-May-15 Derek Dunlop: Please let me know if you want to meet or send an email transfer. I can write you something up and send by email if you wish.

19-May-15 Jason Konstantos: I will send someone...u need to sign something in front of a witness. No offense mind u but no longer trust u.

19-May-15 Derek Dunlop: I will meet them @ Keele and Lawrence Timmies, give me a time on Friday.
Please give me a time that they will be able to meet there. If there is somewhere else they want to meet, please let me know. Thanks.

19-May-15 Derek Dunlop: I will send you a written receipt via email outlining the amount of the loan with no interest, your payments the balance outstanding and you can just email transfer the money. Much easier for everyone.

19-May-15 Jason Konstantos: Nope. We need to do this in person. All subsequent payments can be done in the manner u describe.

19-May-15 Derek Dunlop: Why?
2:58pm

19-May-15 Derek Dunlop: I will once again re-iterate that you owe me money that lent to you. I will respectfully ask that you pay me via email transfer and I will send a written confirmation of your payment. If you continue to play games with the money you owe me that is your choice.

Please don't contact me for any reason unless you are willing to forward me a payment.

If you fail to make a payment and/ or full re-imburement, I will consider that you have no interest to repay me and the money you

owe me to be in default.

Remember I lent you that money for one reason only.
I look forward to hearing from you when the email transfer is in place.

19-May-15
6:05pm

Otherwise, please do not contact me for any other reason. Enough of your games.

You just thoroughly love playing games with my life and now my money and you have no conscience about any of your despicable actions.

20-May-15
7:12am

Jason Konstantos: First of all its REITERATE..NOT re-iterate. Second of all Derek I'm not going to argue with you. I have the right to pay u in person & I find it very peculiar that u have a problem with it. As for despicable actions I hardly think this qualifies...sending a letter to a guy's probation officer & then manipulating the story with a crooked detective to ensure I did not get bail now THAT is despicable!!! Especially since after u did that u had the good conscience to break bread with me & even accept free tickets from me. THAT in my opinion is truly despicable. So save your fucking epic texts reiterating your warped opinion. I'm stating here in black & white that I will have cash for you on Friday. U do not get to dictate the form this money is and the form I want the receipt. If u consider that game playing then that is a tall tale sign. Why should I pay to send u money? Why should accept an unsigned, not witnessed receipt? Keele & Lawrence Tim Horton's on Friday. Cash in hand. See you then.

20-May-15
8:51am

Derek Dunlop: Please give me a time. I will draw something up that will provide you and I with a receipt of the payment and balance.

If you can let me know beforehand the amount it would be appreciated for the receipt purpose. Thanks

20-May-15
8:57am

Jason Konstantos: I don't need u to draw anything up. I will do that & if u like I can email u a preview beforehand.

20-May-15
8:57am

Jason Konstantos: I will get back to you with a time by tomorrow

20-May-15 Derek Dunlop: You still never answered why you want a one-time signed, witnessed receipt and why you would be willing to provide E-transfer after that!!
9:00am

20-May-15 Derek Dunlop: Looks who is dictating. No. I will draw it up!
9:01am

20-May-15 Jason Konstantos: Because after this one everything will be in writing and the future payments will simply be deductions from the original which i will draw up. U can draw up ten for all I care but I am drawing up what I will consider the valid one. Not dictating...its just logical. If u don't like what mine says then don't fricken sign it. Piece of advise though Derek...stop overanalyzing all this. Surely u have more important things to do then text me about this.
9:07am

20-May-15 Jason Konstantos: Look who my buddy Charlie Had dinner with last night (Picture of Wayne Gretzky and I believe Charlie)
9:12am

20-May-15 Derek Dunlop: You love drama.
9:20am

Speaking of over complicating...wow.

No, I will draw it up.

Either that send me an email transfer payment and I will send you a receipt outlining the payment and balance of what is owing.

20-May-15 Jason Konstantos: Nope
9:20am

20-May-15 Derek Dunlop: Wrong answer!
9:25am

20-May-15 Jason Konstantos: Why is that? I'm stating here & now for the umpteenth time that I am willing & able to pay u on Friday. All I am asking is that I be allowed to write a brief declaration of what this transaction was and is and in March a payment of \$250 was made and on May 22nd this amount has been paid. The new balance is now _____. And this amount will be paid in an expedited period of time with a minimum payment of _____ per month until balance is paid in full.
9:30am

20-May-15 Derek Dunlop: You can't even provide the amounts!
9:34am

20-May-15 Jason Konstantos: U seem to be looking to be confrontational & allude to threats.
9:34 am Don't be shy Derek if u r too frustrated to deal with it my way then tell me what your plans will be. I have all these texts saved. In fact I even got legal advice about it so even if u and your pal Detective Lee try to conspire again to ruin my life it won't work. U want amounts...minimum \$250. But I still hope to pay more than \$250 on Friday.

20-May-15 Derek Dunlop: I would draw something up similar. Remember you owe me!!
9:46am

20-May-15 Derek Dunlop: Please send me an E-transfer for at least \$250 and add the cost
9:46am of the E-transfer and the total will be deducted from the balance and I will forward you a written receipt.

20-May-15 Derek Dunlop: There is no need to meet!
9:46am

20-May-15 Jason Konstantos: Wrong reply...but not surprising since u seem to despise being
9:46am honest in person.

20-May-15 Derek Dunlop: Please send the money!
9:49am

20-May-15 Jason Konstantos: Would u prefer I send the money with my witness... Meet in
9:52am your driveway... Sign papers accept dollars and then go back in? R u ok with that? Check with your buddy Detective Lee and get back to me. Btw I should know that my probation officer is not JADA DEL CARLO anymore...its MARYANTHY MPATSOS...just trying to save u some time so u can get on to your next round of despicable acts.

20-May-15 Derek Dunlop: I will provide the receipt, otherwise send E-transfer and I will
9:56am provide you a receipt.

You are making payment to me. The person making payment does not provide receipts.

20-May-15 Jason Konstantos: So don't call it a receipt...call it a record of payment.
9:57am

20-May-15 Derek Dunlop: Sure... a record of payment outlining the payment outlining
10:01am and outstanding balance

20-May-15 Derek Dunlop: *** Blank text***
11:32am

20-May-15 Jason Konstantos: Your last message was blank.
11:33am

20-May-15 Derek Dunlop: It must have been a pocket text...sorry.
11:35am

20-May-15 Derek Dunlop: Are you in agreement to making a payment to me Friday if I
7:05pm provide you with a record of payment.

20-May-15 Jason Konstantos: Why is it so important that YOU write the receipt/record of
7:47pm pymt? Fine have it your way. (P.S. Babcock to the Leafs...pretty
wow no?)

20-May-15 Derek Dunlop: Please give me a time on Friday and we can meet @ the Keele
7:53pm and Lawrence Timmies.

Thanks.

20-May-15 Jason Konstantos: Derek I need to give u a time tomorrow.
7:53pm

20-May-15 Derek Dunlop: Np
8:03pm

20-May-15 Derek Dunlop: Just you and I on Friday?

20-May-15 Jason Konstantos: Don't worry so much Derek. Promise not to ambush u. Now be a
9:46pm sport & tell me in a brief paragraph what your thoughts are on
the Babcock signing. (P.S. i'm at a dinner right now so might not
be able to reply immediately)

20-May-15 Derek Dunlop: There is no reason for us to meet.
10:58pm

You have to live with you cowardly actions and you will have to
lie on the stand. I hope that you are proud of yourself. You love
setting me up.

You don't get it I can't stand you. You played games with my life
and continue to do so. You think this is a joke.

You are gutless. You have intentionally implicated yourself against me on numerous occasions not to mention did you have fun typing our entire conversation into your telephone the last time we met, I assuming that is what you were doing.

If you want to provide me an E-transfer do so and I will provide you with a receipt. If you want my banking information, I will provide it to you and you can put money in there and I will provide you a receipt.

Other than that do not contact me for any reason.

20-May-15 Derek Dunlop: 11:05pm By the way, I lent you that money for one reason and one reason only...!!!

21-May-15 Jason Konstantos: 6:09am At 8:01 u text me "np" ... At 9:39 u ask me if its only u & me ... Then I ask about the Mike Babcock signing & u go off the deep end AGAIN. Part of me wants to tell u to go fuck yourself. U're such a fucking coward its ridiculous. R u stupid too? Typing out our conversation? Wtf Derek? Who does that? If I needed our convo recorded I would just do that. Who would sit & type? I was texting that day. Rude maybe. But despicable no. Again u r the only one of the two of us who has ever conspired with the authorities. Live with that. U r nothing but a rat. The day u see me in court uttering even one negative word against u then u can be vindicated...but since that will never happen u r nothing but a rat fink liar.

25-May-15 Jason Konstantos: 7:04pm Sorry about Friday... Peter had been involved in a serious car accident with my ex sister-in-law driving & the injuries are lingering. I can drop off cash now if u have paperwork ready OR I can deposit into BMO tomorrow & subsequently email transfer u or if u like I can western union u tonight but u would have to subtract the service fees. Or if u deal with TD or any bank that has a branch open I can deposit cash directly into your account. Whatever is easier for u. Just don't want u thinking I am "playing games" with your repayment.

25-May-15 Derek Dunlop: 7:18pm Thanks for getting a hold of me!

E-transfer would be easiest and I will send you a record of payment as I outlined before. Yes, as I said previously I will

deduct the cost of the etransfer from your balance owing. Thanks.

I hope your son is ok!

25-May-15 Jason Konstantos: The etransfer charge is negligible so don't worry about that. I was referring to the fees involved with Western Union. The only thing with etransfer is u got to wait until BMO opens today so I can deposit cash & in turn send it. If that is your preference I promise to do it before lunch tomorrow. Also can u text (not email) me the standings of the NBA pool if the WARRIORS & CAVALIERS avoid the major choke & advance to The Finals. Am I right in assuming that puts Brent & Peter in the driver's seat?
7:27pm

25-May-15 Jason Konstantos: Thanks for the well wishes concerning Peter.
7:28pm

25-May-15 Derek Dunlop: At first glance...if G.S. and LeBron both hang on...the standings will be
7:43pm

Brent 18
Derek 18
Peter 15
Jason 13

I am sure you know you are eliminated and I guess I am eliminated...because they both have a different Champ...if State wins Peter wins the pool and if The CAVS win Brent wins because there is 4pts awarded for predicting the Champ!!

So yes I believe you're right!

Thanks for the payment. I will prepare something and send off tomorrow.

25-May-15 Derek Dunlop: ***Blank text***
10:58pm

27-May-15 Jason Konstantos: It's Jason Konstantos BTW.
11:11am

27-May-15 Derek Dunlop: You sent it to:
11:28am derekjdunlop@outlook.com

because there is nothing there...

27-May-15 Jason Konstantos: I did & be patient brother. Sometimes it takes 15-30 mins for
11:28am it to show up. Please confirm when it does.

27-May-15 Derek Dunlop: Yes I will confirm when it show up.
11:33am

27-May-15 Derek Dunlop: Thanks for your payment. I will not be able to transfer until later
12:20pm as I don't have my bank card to do so.

I will send you a Record of Payment via email later today.

27-May-15 Derek Dunlop: I am unable to talk on my phone for the next few hours!
12:29pm

27-May-15 Jason Konstantos: As u wish. I was just going to let u know that u don't need your
12:33pm bank card to accept an ETRANSFER but maybe to sign into your online banking. Either way I am sure u will get it done soon enough.

27-May-15 Derek Dunlop: Thanks. In order to sign in I need my bank card#... I can
12:41pm remember a lot of numbers but not that one. I just can't talk for the next few hours.

27-May-15 Derek Dunlop: I just sent you a Record of Payment via email outlining your

02-Jun-15 Jason Konstantos: What were u shaking your head at when u walked by the car? U
9:46pm do realize Marci works at Church Site of Humber River Hospital & that Church St is the extension of Maple Leaf and Marci lives on Lawrenceville West...so we take Culford up to Maple Leaf every morning & take Culford down to Lawrence every afternoon. Of course u seem to view it as some kind of surveillance. Get over yourself Derek. No one is that interested in you...and I definitely have better things to do with Marci than follow u. Sometimes things are just coincidental. Hope u r well and I will try to make another payment by email transfer next week. Until then take care

03-Jun-15 Derek Dunlop: Thanks. Another payment would be greatly appreciated.

03-Jun-15 Derek Dunlop: I just left you a voice mail... etransfer again is probably the

I have viruses on my phone and no disrespect to your request but I am not downloading anything at all right now, so unfortunately I am not going to download the app.

Please let me know when you will be able to make a payment.

21-Jul-15 Derek Dunlop 10:12am Are you in Toronto or Greece?

...and are you going to be able to get me a payment. Please let me know. Thanks.

Derek Dunlop Texted Jason Konstantos at 647-608-8794

28-Jul-15 Derek Dunlop 11:22am Jason:

I will forward you an updated Record of Payment once I receive your payment this week. Thanks.

28-Jul-15 Jason Konstantos 11:24am Ok. Any thoughts on the Tulowitzki trade?

28-Jul-15 Derek Dunlop 11:27am My phone was @ 2% and now is @ 1%... I can't charge right now. (JASON HAD TRIED TO CALL ME)

29-Jul-15 Derek Dunlop 10:08am Jason:

I would greatly appreciate it if you would kindly inform me in writing (via text) how much you're going to be able to pay me | this week so that there is record of it.

Thank you.

29-Jul-15 Jason Konstantos: 11:31am Don't you have anything better to do with your time than request this kind of drivel.

29-Jul-15 Jason Konstantos: 11:34am I sent u an email transfer so soon enough u'll know how much I could afford. Text me if y need help with the password.

29-Jul-15 Jason Konstantos: 11:37am P. S. thanks for replying to my baseball small chat yesterday. Guess I forgot that we no longer have that kind of friendship.

29-Jul-15 Derek Dunlop: 12:41pm Thanks for your payment. It is greatly appreciated. I will forward you an updated Record of Payment that will reflect your outstanding balance of 2 grand either later today or by the latest tomorrow. Thanks.

10-Aug-15 Jason Konstantos: 10:00am Hey I know we're not buds anymore but I just had to reach out and ask whether u're buying into this hot streak as something sustainable or u just think its Toronto fans going overboard too fast too soon. Not to kiss up but I think the Jays AND the O's are better than the Yankees and that proving my point might be your team's best chance at the playoffs. I THINK JAYS & ROYALS are making it...I also think the ANGELS will won the West...that would leave the YANKEES, ORIOLES, RAYS, ASTROS & RANGERS fighting it out for the two wild card spots...I could be wrong about the Angels but I am pretty confident about the Royals in the Central and the Jays in the East and I think that is your ALCS. I am guessing u disagree.

P.S. will try to send u another \$250 before the end of August.

10-Aug-15 Derek Dunlop: Another payment will be greatly appreciated...thanks.
10:22am
Were you able to manage to get your inheritance when you were in Greece.

10-Aug-15 Jason Konstantos: No they are not allowing foreign transfers and withdrawals are limited to about 1800 euros a month...which based on my debt load is helpful but not a full solution.
10:24am
No baseball talk I noticed. Such a shame. ☐

24-Aug-15 Jason Konstantos: Brent wants to know if u r ready to concede those two bets to him.
9:54pm

25-Aug-15 Jason Konstantos: Funny how u get pissed when people do not reply to your texts in a timely manner but u have no problem ignoring questions. As u wish Derek.
12:02pm

27-Aug-15 Derek Dunlop: Are you going to be able to provide me with another payment by the end of August as you said...please let me know...thanks.
1:30pm

27-Aug-15 Jason Konstantos: Can I subtract the monet for the bets. Lol.
1:36pm

27-Aug-15 Jason Konstantos: *money
1:36pm

27-Aug-15 Jason Konstantos: Seriously though I won't be able to make a payment until mid September but I will commit to a \$500 payment at that time. Hope that is ok

9:25AM

Jason Konstantos met me at the Tim Horton's at Keele and Lawrence in Toronto, Ontario. For the first 45 minutes (approximately) Jason and I discussed his son (Peter) injury to his arm. Jason stated that he had attempted to contact me yesterday because the injury to Peter's arm was termed as "equivocal" and he wanted to see if I knew what that meant. Jason discussed his fiancée/girlfriend, "Marcie" with me and we also talked about sports, Jay, O's and so on. For about the last 25-30 minutes (approximately) we discussed our friendship and situation. I said first of all I could have handled it better and probably should have met him instead of sending a text. I said that I knew it was cowardly to not respond to his phone calls shortly thereafter but I had my reasons. I said that my reasons were that I just did not want to go back and forth (fight) and things go off the rails. Jason said he was not going to fight me. I said I wasn't verbally. I said that it is not worth it. I said that I was too old to go through with something such as this. Jason said that he "WAS GOING TO LOOK ME STRAIGHT IN THE EYE AND THAT HE WAS NOT ~~GOING~~ COLLUDING WITH THE POLICE, CRIM ATTORNEYS OR OTHERS AGAINST ME." (THIS WAS NOT VERBATIM). Jason said that as if he would help them when they screwed him over personally. Jason said that he swore lies on Peter, his mother and Marcie. I said to Jason that I swore on my mother's grave that I had never spoke to any police officer about him. I said that for any officer to state that he spoke to me about him was an outright lie. I said that I unequivocally never spoke to any police officer about him. Jason mentioned that he knew another guy that he was going to ask to be in his wedding that told the cops about information about him and he stated that there was no way that he would do so now. Jason also discussed the fact that I helped him out not once but twice by loaning him money and the second time I loaned him \$1,000.00 (IT WAS AS IF HE WAS TRYING TO PLAY ON THIS THAT I MUST HAVE TRUSTED HIM IMMENSELY). - ONE OF MY MAJOR TESTS FOR JASON WAS TO LEND HIM THE MONEY TO SEE IF HE WOULD ACTUALLY RETURN IT. Jason notified me that he would get me some ~~money~~ money before this weekend or early next week. I said that I would greatly appreciate that as I needed the money back. (THIS WAS A PLOY ON WORDS FROM MY PERSPECTIVE TO SEE IF HE WOULD TRY AND USE THIS AGAINST ME IN THE FUTURE. Jason ENSURED TO DISCUSS THE FACTS ABOUT WHEN WE WERE IN PENETRATING TOGETHER. Jason said he was just trying to help me back then because he felt that I had been in there too long and that he felt that I was trying to do it on my own. Jason said that that is why he referred me to "DESPINA" at HICKS, BLOCK... Jason said that he could not remember why I did not use them. Jason said he had had interest at DESPINA at the time and that he figured he would give her a client and maybe she ~~was~~ might give him something in return. Jason again appeared to have a plan to state that at one point while in Penetrating that I had written him a letter with accusations and that we had discussed them and he thought everything was alright and that about a week later I wrote him another letter with other accusations. Jason also stated that he believed I had sent MACKIE (Merry KEVIN MACKIE) a letter and I agreed. Jason said that they were just trying to help me. I went onto discuss the fact that I did not believe in coincidences when you have dealt with what I have dealt with for the past decade. I said to Jason again that I was under surveillance 24/7 and that I believed it was RFID that was in my inner left ear. I said that they can even tell where I am in my living space. I said that they (the authorities) know when I go to the kitchen and when I go back to my bedroom where my phone is. I wanted to see if Jason would react here. (HE DIDN'T - HE JUST KEPT TYPING INTO HIS PHONE). Jason had a habit of abusing the technology available to him and to call me when I just wake up or text me when I just wake up.

- I went onto say that the authorities wanted me and that I wasn't sure why. I knew they wanted me because I had challenged every aspect of the establishment. XXX
JASON THEN ASKED ME WHAT APPEARED TO BE A SCRIPTED QUESTION - JASON ASKED ARE YOU SAVING THEM FOR MONEY, I SAID YES, I WAS SAVING FOR DRUGS AND THEY WERE IN TERMS OF MONEY. I WENT ON TO SAY THAT THERE WERE OTHER IMPLICATIONS THAT I HAD BEEN SUED AND THAT MY INSURANCE COMPANY HAD BEEN SUED. I SAID THAT IT APPEARED THAT PEOPLE WERE WAITING UNTIL THE 25TH OF Sept. JASON APPEARED TO HAVE ANOTHER SCRIPTED QUESTION THAT CAME FROM MY STATEMENT. JASON ASKED WHAT IS THE 25TH OF SEPTEMBER. I SAID IT WAS A 2-YEAR STATUTE OF LIMITATIONS.

At one point, Jason appeared to have another SCRIPTED QUESTION. Jason first said that Brent (BRENT WILSON) was heart broken because he did not have a lot of friends. (I PLAYED ALONG TO SEE IF THIS WOULD BE USED AGAINST ME IN THE FUTURE AND I SAID I DO NOT HAVE A LOT OF FRIENDS EITHER). I WENT ON TO SAY THAT I USE TO HAVE A LOT OF FRIENDS BUT WE SHOULD KNOW HOW IT IS WHEN YOU GO THROUGH SOMETHING - PEOPLE MAKE THEIR CHOICES. Jason said that he would like it if I would continue the NBA race as PETER wanted to follow what was going on and I said that I had no problem in doing so as I said I would. Jason said so that I wanted to discard our season long bet between the O's and the Jay and I said yes. I informed Jason that we could not continue a friendship, I said it would not work. I said you need trust from both perspectives and that there would be lack of trust from both sides now. At one point, Jason said that he hoped things would be different. (THIS WAS NOT GENUINE - HE SAID STATED THIS.) He (JASON) had no emotion when stating this. At one point, JASON endeavored to use the word "PARANOID" when discussing me. AGAIN I SAID THIS IS EXACTLY WHAT I'M

AUTHORITIES WANTED. I said that they (the authorities) could use his texts against me. THE TEXTS (lengthy) THAT HE RESPONDED TO ME AFTER I SAID WE WERE DONE. THESE TEXT WERE PREPARED BY JASON IN A WAY TO BE STRATEGICALLY USED AGAINST ME. At one point during our conversation Jason made reference to the fact that my text to him stating that we were done made him feel as if I was saying that he was the biggest "PIECE OF SHIT," I wanted to note that at one time during our discussion that Jason was making to the fact that he said to me that he couldn't do this. (XXX THIS IS RATHER CONFUSING BECAUSE I DO NOT BELIEVE THAT ANY TIME THAT JASON HAD EVER STATED TO ME THAT HE COULD NOT DO THIS) Jason mentioned Marci's name when he was talking about this.

LS.

XXX JASON SETTING ME UP AGAIN !!!

XXX IMPORTANT TO NOTE THAT BASICALLY THE ENTIRE TIME THAT WE WERE DISCUSSING OUR ISSUES AND OUR FRIENDSHIP (OR LACK THEREOF) - JASON WAS TYPING INTO HIS PHONE - JASON SAID THAT HE WAS BUSY MAKING TWO SEPARATE TICKET TRANSACTIONS. JASON WAS LETTING ON THAT HE WAS DISINTERESTED IN WHAT I WAS SAYING WHEN I THINK HE WAS VERY INTERESTED AND TYPING IT AS QUICKLY INTO HIS PHONE AS POSSIBLE.

XXX HIGHLY IMPORTANT TO NOTE THAT AT 10:11AM - MARIO KEPHAZAS CALLED ME. MARIO AND I HAVE NOT HAD CONTACT IN MONTHS. ALL OF A SUDDEN MARIO CALLS ME WHILE TALKING TO JASON. (THIS WAS NOT A COINCIDENCE) MARIO IS OF GREEK DESCENT AND SO IS JASON. - THERE IS A POSSIBILITY THAT THEY COULD BE FRIENDS OR ARE RELATED.

9:26am

I called Jason Konstantos after numerous texts back and forth just prior to the call in accordance to the \$2 450.00 that Jason Konstantos owes me. I asked Jason how old he was. Jason was yelling at me to show him proof about the allegations that I was making against him. Show me proof he kept saying. Jason began yelling extremely loudly and say how old am I. At one point I said you are goof. How old are you for not answering my calls, not dealing with this face-to-face. Jason was still yelling. I said that I dared him to deal with this face-to-face. I WANTED TO SEE HOW JASON REACTED TO THIS AND IF HE WOULD AND/OR THE AUTHORITIES WOULD ATTEMPT TO USE THIS AGAINST ME IN THE FUTURE. Jason also stated that Brent said that he never received a response from me about him showing up at my door. Again, I said I dared Brent to show up at my door. Jason said I will tell him. AGAIN, I PURPOSELY SAID THIS TO SEE IF BRENT, JASON AND THE AUTHORITIES WOULD ATTEMPT TO USE THIS AGAINST ME IN THE FUTURE. At one point, I said to Jason we had already talked about that and that I had proof and that this was the 3rd time he had done this to me. I said that we are talking about the money he owed me. Jason said show me proof and I will give you twice as much money as I owe you from the inheritance that he is getting. Jason said show me proof and I will give you the entire inheritance. We discussed the fact that he does not have the decency to contact me when he says he is going to do so. Jason said that we had contacted me Thursday. I said that you were supposed to contact me on Friday to let me know what was going on and that he never did. Jason said where did I say that. I said in the text that I just forwarded to you that Jason had sent me. Jason did not appear to be concerned about this. At one point, Jason said that he had incurred the issues with his vehicle in which he was going to pay me and that set him back. Jason said what you don't believe me (in relation to what happened to his vehicle). I said no, I never said that. At one point, I told Jason not to play games with me about this money. I said to Jason at one point that this is not going to look good for him (the way he is acting in relation to the money he owes me) when he has to testify against me. Jason said I am not going to be testifying against you. Jason said that he should sue me for defamation but I have not published anything. Jason said he had to take this call (as he had an in-coming call). I said I will talk to you later and hung up.

Dear Members of the Public:

SUBJECT: This is a synopsis of Jason Konstantos inexplicably, inexcusably and reprehensibly intentionally implicating himself in the on-going, never-ending, collusion, cover-ups and conspiracies against me.

Jason Konstantos intentionally implicated and inculpated himself in the highly sophisticated covert operation being conducted against me to purposely attempt to represent that I have mental health deficiencies. This nefarious, inexplicable, reprehensible and inhumane plan was contrived and devised by members of the authorities in coordination with Jason Konstantos.

Jason Konstantos is the perfect cover as he is a convicted criminal and who would suspect that that authorities would approach a convicted criminal to work against me. Jason Konstantos will deny everything that Jason has implicated himself in against me. These facts are absolutely disgusting, especially considering that Jason Konstantos knows that his intentionally actions are wrong on every single level imaginable. Yet knowing it was wrong, Jason Konstantos still carried through with his cowardly acts against me anyways.

Jason Konstantos in conjunction with the members of the authorities have intentionally tried to represent that I possess an unbalanced mind. This is so highly evident in everything that Jason Konstantos has written in his texts. Jason has purposely attempted to portray in his written documentation that there is something wrong with me mentally. This is absolutely despicable and inhumane. Jason Konstantos knew what he was doing was wrong but Jason Konstantos still did it all, anyways.

Moreover, Jason Konstantos in conjunction with members of the authorities purposely abused advanced surveillance technology that was made available to Jason. First, the authorities should have never permitted Jason Konstantos to be made aware of this aforementioned technology but they did anyways. Second, Jason Konstantos should have never agreed to use and abuse this technology that was made available to him, but Jason Konstantos did anyways. Jason Konstantos will deny that this in fact is true, but Jason Konstantos is aware that all of this is true. Jason Konstantos will always deny that he did anything wrong against me and Jason will try to persuade everyone that Jason was my friend. Nothing could be further from the truth.

Yours truly,

Derek Dunlop
